**The Four-Way TestThe Four-Way Test
of the things we think, say or do**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE CENTRAL FAMILY SONG

We all belong like the words
In a song we're a family
We have between us this feelings
Of trust and loyalty

We've got a world out there,
A whole wide world to share
Come, join in our song,
Let's sing in harmony

We all belong like the lines in a
poem,
We're a melody
The world is a mix-up of men
But I know that you will agree
That love, love is the key,
And through it all, we can be free
We know we'll get along
in Central Rotary

Refrain

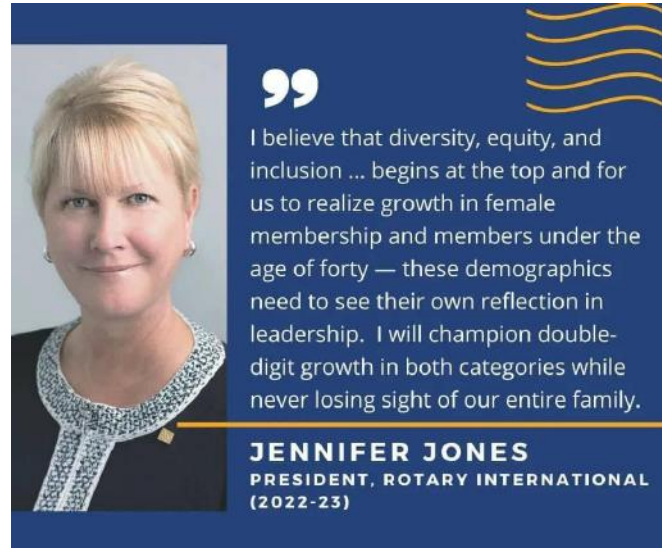

Write a song for all to sing
A catchy song, an easy rhyme
Love is music for one thing
Love's a song that will last for all
time
We all belong like a medley of song
To rhapsody

Through each of us has our own
Different voices,
We blend perfectly
So come, let's sing our song
For you and I, we all belong
To one big family in Central Rotary.
(Repeat Refrain)

message from our president

The month started with a good bang, we did a TREE planting activity last September 17 at Marahan, Marilog. It was a well participated event, our club was the first to arrive on site at 7AM. We had the chance to enjoy the venue, took some photos and did a quick stretching while waiting for others to arrive. It was a well participated activity, our Club was able to plant around 8 pine tree seedlings. After, we had lunch at Pilgrim Cafe and spent a relaxing afternoon at Carmen's Cottage (Thank you, PP Eng for the hospitality).

Allow me to share few benefits of TREE Planting Activity for the Enviroment :

- Cleans the AIR. Gives off OXYGEN that we need to breathe.
- Reduces Greenhouse Gas and Soil Erosion
- Protects our Ozone Layer and the Ecosystem
- Saves WATER, Cleans WATER
- Provides habitat, shelter for the wildlife

Back to back on our Enviroment-related activities, we are fortunate to have Ms Hydie Maspinas of DCWD as our Resource Speaker last September 26. It wrapped the whole picture of why we should be MORE and MORE mindful of our environment. It was a wake up call that others take the water supply for granted while there are a lot of areas in the Region that are struggling and rely entirely on rainwater.

Let us continue to make our world a better place for the next generation. We can always start from our own backyards, practices can either be big or small but if we do it together it will create a positive ripple effect.

Moving on to more exciting activity, last September 23 was the launch slash first day of our UIC Rotaractors 12 week Practicum Program at Bayanihan Integrated School. It was a dream come true for me, after the long talks and planning, finally we are able to share something I am personally passionate about - arts and music but more importantly educating the children on how to do and perform Choir Singing. Kudos to our Service Chair Eric Moreno for the patience (to my demands hihi) and for the all out support in this project.

Wow, just like that September is over. Short but sweet, we celebrated various activities as a Club and together with the District. It was indeed, a September to Remember!
