About Rotary

Rotary International is an international service organization whose stated purpose is to bring together business and professional leaders in order to provide humanitarian service and to advance goodwill and peace around the world.

It is a non-political and non-sectarian organization open to all people regardless of race, color, creed, religion, gender, or political preference. There are 34,282 member clubs worldwide, and 1.2 million individuals, known as Rotarians, have joined.

Rotarians usually gather weekly for breakfast, lunch, or dinner to fulfill their first guiding principle to develop friendships as an opportunity for service. "It is the duty of all Rotarians," states their Manual of Procedure outside their clubs, to be active as individuals in as many legally constituted groups and organizations as possible to promote, not only in words but through exemplary dedication, awareness of the dignity of all people and the respect of the consequent human rights of the individual."

The Rotarian's primary motto is "Service Above Self"; its secondary motto is,

"One profits most who serves best"

The Four Way Test

The Four-Way Test of the things we think, say or do is a test used by Rotarians world-wide as a moral code for personal and business relationships. The test can be applied to almost any aspect of life. ... It was later adopted by Rotary International, the global federation of Rotary service clubs

Holger Knaack

ROTARY INTERNATIONAL PRESIDENT
2020-2021

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

RODEL RIEZL S. REYES
District Governor

RODEL RIEZL S. REYES believes that the opportunity to lead the District is an honor and a privilege to give back to Rotary what he has achieved in his 22 years of dedicated and committed service in doing good with the community.

A third generation Rotarian, he was destined to serve the District drawing inspiration from his father, the late Roberto C. Reyes, past president of the Rotary Club of South Davao. His journey as a Rotarian began when he was inducted as member of the Rotary Club of Metropolitan Davao in September 1998, with his friends in the same line of business. In August 2001, he joined the Rotary Club of East Davao and ascended the club leadership ladder to become its 41st President in RY 2005-06. Throughout his 16 years in Rotary, he displayed admirable leadership skills that paved the way for him to be appointed various key positions within and beyond the club level having served as conference and training chair, resource speaker and district officer that enriched his knowledge in Rotary and honed him to lead us in this coming Rotary year.

He then continued to serve Rotary beyond the club level as twice Assistant Governor in RY 2006-2008. A Senior Assistant Governor for Operations in RY 2012 -13 and for Administration in RY 2014 -15. He also handled various district committees such as membership chair, Annual Programs and Polio Fund Chair, World Community Service (WCS) district officer and the Group Study Exchange Chair.

For District 3860 to thrive, DGE Riz believes that Rotarians must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, commitment."

His top priority is to increase membership, which he believes as the bedrock of Rotary. The campaign on membership has to continue with focus on the younger generation, the lifeblood of Rotary. He is also looking at the opportunity to attract and entice former Rotarians back into the folds of Rotary service.

A TRF Major Donor and Paul Harris Society member, he will continue to work on increasing members' contribution to The Rotary Foundation and ensure that all the 98 clubs contribute to the Annual Programs Fund and Polio fund.

He envisions District 3860 boldly and creatively engaging the community to proactively participate in END POLIO NOW campaign.

His passion for everything and anything in Rotary that spanned for 22 years of his life earned him several recognitions from his club as twice Rotarian of the Year; consistent Presidential Leadership awardee; and has maintained his perfect attendance for the past 20 years.

He is also a recipient of several Rotary International recognitions such as the Four Avenues of Service award, TRF Distinguished Service Award and the TRF Meritorious Service Award.

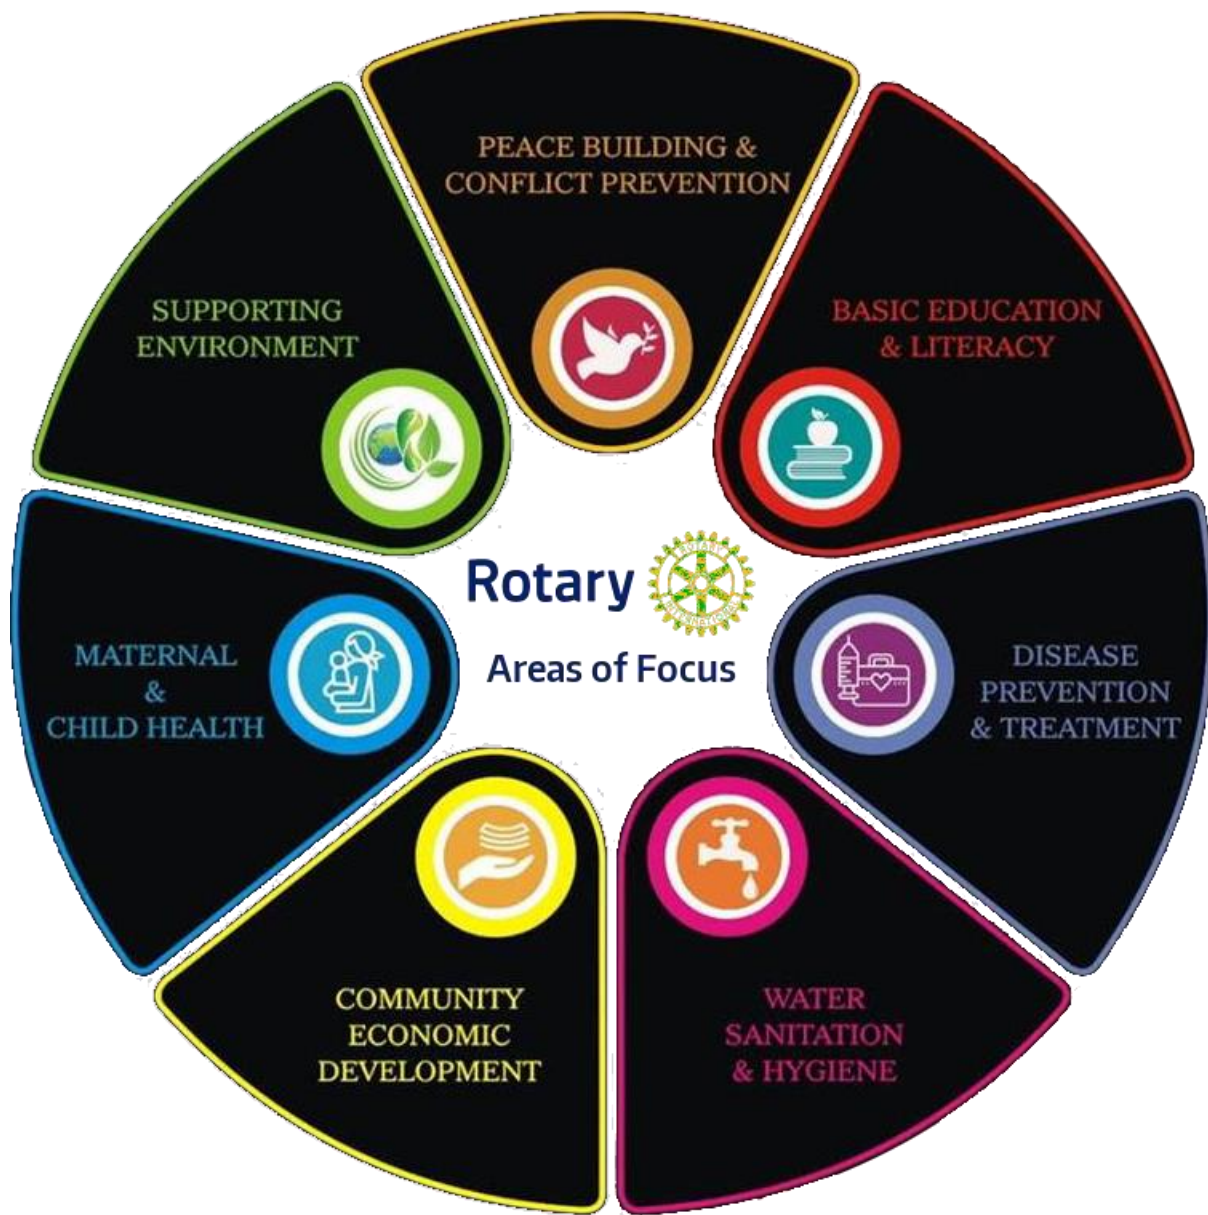

He is also involved in various charitable organization and socio-civic organization like the Maharlika Charity Foundation as VP- Operations, Smile Train Philippines as Davao City coordinator, The Most Worshipful Grand Lodge of Free and Accepted Mason as DDGM in 2008, and a Past Grand Master of the Supreme Council Order of DeMolay.

Professionally, he joined SGV & Company based in Makati right after his graduation in 1983. In the same year, he passed the Certified Public Accountancy Board Examination. He is a proud graduate of San Beda College. In 1986 he was engaged by San Miguel Corporation Audit and Finance group. In 1990, a call for family duty brought him back to Davao to take care of the family business.

He is happily married to Anne Marie C. Lopez, a daughter of former Davao City Mayor Elias B. Lopez. Blessed with an only son Roberto Elias who is currently working in Manila.

He believes that District 3860 will adapt to a rapidly changing world by embracing innovation within the guidelines of our tradition and values. By aggressively embracing new technologies, social media and new opportunities, individual and businesses will see that Rotary helps promote a good civic and public image while adding credibility.

As Rotarians we are still Blessed to take on leadership at this wonderful but very challenging moment of our organization. Let us together embrace the new year as Rotary Opens Opportunities.
