

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as a flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I'll pursue my quest
And if I, in a way, help obtain
Peace in the world
I shall not have lived in vain.

I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if I, in a way, help obtain
Peace in the world
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if I, in a way, help obtain
Peace in the world
We shall not have lived in vain.

Peace be achieved,
We shall not have lived in vain.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

RI PRESIDENTIAL MESSAGE

September 2023

The International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to *Create Hope in the World*, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.

In March 2020, about 50 Rotary members from Pakistan met about 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honors Guru Nanak, the founder of Sikhism, a religion practiced in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims to the Kartarpur Sahib shrine, but Pakistani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step.

Let's see where it takes us.

CLUB HISTORY

The Rotary Club of Central Polomolok was created through the altruistic efforts of the young men and women of Polomolok with strong passion and dedication for service. In September 2015, the core group closely examined the Rotary Guidelines, including the Constitutions and By-Laws of the Rotary International (RI) in preparation for the creation of the new rotary club. All perspectives were carefully evaluated. The group engaged in discussions with Rotarians from different clubs who have advanced knowledge and expertise in the world of rotary. Series of consultations were made with rotary personalities of RI District 3860, particularly Zone 3G.

Governor Salvador G. Estudillo of the RI District 3860, together with Zone 3G's Assistant Governor Eddie M. Hocson and the host club, Rotary Club of Koronadal played a significant roles on the preparatory phase of the chartering.

On November 24, 2015, through the assistance of Gov. Estudillo and AG Hocson, the group was able to submit to Rotary International its complete documentary requirements for registration. After three days from submission, Rotary International approved the application for registration of the Club. On November 27, 2015, the Charter Certificate was signed by RI President K.R. Ravindran for RY 2015-2016. On December 12, 2015, the club had its Charter Presentation graced by District Governor himself.

The Club meets every Friday at 6:30 in the evening in Taps and Mix, 2nd Floor, New Public Market Building, Polomolok, South Cotabato.

Currently, the Club has 27 Active Members and 2 Honorary Member.
