

CENTRALIAN BULLETIN

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Presidential Message: *Peace through Education*

When I stepped into the role of Rotary International president, the moment came swiftly and unexpectedly. It got me thinking how the world can change in an instant, and how Rotary has the power to be a steady force for good in that change. This month, Rotary's Basic Education and Literacy Month, we have a clear call to action: to strengthen the foundation of learning in every community we serve.

Millions of people worldwide remain unable to read. Millions of children lack access to basic education. And yet, we know the solution: sustainable, inclusive, and equitable education, especially for girls and marginalized youths. Literacy is more than the ability to read and write. It is the key to human dignity, economic mobility, and peace. Every book opened, every classroom supported, and every teacher trained becomes a building block of peace.

This year, our message is Unite for Good. "Unite" speaks to the strength we find in each other. When we unite our talents and resources — not only among our clubs but across partners, organizations, and communities — we expand our reach. And when we do so consistently over time, we create lasting change. Rotary service cannot be measured only in annual goals. Our work in education must extend beyond a single year. Literacy projects take time to take root, grow, and bear fruit.

Now is the time to think boldly and creatively. New types of clubs can help us engage educators, students, and advocates in new ways. Let us use this month to welcome new members with a passion for education and empower existing ones to lead service projects that reflect local needs. Whether you're building libraries, distributing textbooks, or mentoring students, your actions matter.

Education is also peacebuilding. Every scholarship we provide, every early childhood program we support, every adult literacy class we fund is an act of peace. And Rotary has been building peace in this way for more than a century.

Let us not forget that the fight for literacy is not only about access, it's about equity. It is about ensuring every learner, regardless of background, has the opportunity to reach their potential. And it is about standing together — across borders, languages, and generations — to say that education is a right, not a privilege.

Let's Unite for Good by committing to literacy that lasts. Let's dream of a world where every child learns to read. And then, as people of action, let's work together to make that dream a reality.

Together, we can change lives, starting with the power of education. Together, we Unite for Good.

Presidential Message

ROTARY YEAR 2025-2026

THEME: UNITE FOR GOOD

Fellow Rotarians, friends, and partners in service,

It is with great pride and gratitude that I share this message under our meaningful theme, "Unite for Good." This simple yet powerful phrase reminds us why we are here — to serve beyond ourselves, to make a lasting difference, and to do it together.

In Rotary, unity is our greatest strength. When we bring together diverse minds, open hearts, and willing hands, we create ripples of change that reach far beyond our communities. Each act of kindness, each project completed, and each life touched becomes a testament to what we can achieve when we stand as one.

Let us continue to strengthen our fellowship, support one another's visions, and embody the true spirit of Rotary — where service knows no boundaries, and compassion fuels our mission. By uniting for good, we not only transform communities, but we also inspire hope, peace, and progress.

Together, let's keep the Rotary flame burning — brighter, stronger, and united in purpose.

Unite for Good, Serve with Heart, and Lead with Purpose.

Yours in Rotary Service,

FLORDELISA ESTABILLO

President, Rotary Club of Central Polomolok

CLUB HISTORY

The Rotary Club of Central Polomolok was created through the altruistic efforts of the young men and women of Polomolok with strong passion and dedication for service. In September 2015, the core group closely examined the Rotary Guidelines, including the Constitutions and By-Laws of the Rotary International (RI) in preparation for the creation of the new rotary club. All perspectives were carefully evaluated. The group engaged in discussions with Rotarians from different clubs who have advanced knowledge and expertise in the world of rotary. Series of consultations were made with rotary personalities of RI District 3860, particularly Zone 3G.

Governor Salvador G. Estudillo of the RI District 3860, together with Zone 3G's Assistant Governor Eddie M. Hocson and the host club, Rotary Club of Koronadal played a significant roles on the preparatory phase of the chartering.

On November 24, 2015, through the assistance of Gov. Estudillo and AG Hocson, the group was able to submit to Rotary International its complete documentary requirements for registration. After three days from submission, Rotary International approved the application for registration of the Club. On November 27, 2015, the Charter Certificate was signed by RI President K.R. Ravindran for RY 2015-2016. On December 12, 2015, the club had its Charter Presentation graced by District Governor himself.

BOY SCOUTS OF THE PHILIPPINES (MARBEL)

One Tree, Every Rotarian, Every Year

The Rotary Clubs of Central Polomolok, Koronadal, Koronadal Central, Marbel, and Metro Koronadal along with the Koronadal Council of Rotaract Clubs came together to for tree planting cum medical consultations at Sitio Nga Bango, Barangay Saravia, Koronadal City on September 27, 2025. They were also joined by doctors, Senior Scouts, and members of the Army.

Sitio Nga Bango is situated up in the valley of Koronadal, due to frequent rains especially in the monsoon season, the soil surrounding the barangay is loose and at risk for landslides. Their geographical location also made it hard to travel from their Sitio to the main barangay. This made the Rotary Clubs under Area 2H of District 3860 decide to take action and support the sitio through a tree planting and medical mission.

Hundreds of trees of different varieties, such as the Mabolo, was planted in the surrounding area in hopes that as it grows its root strengthens the foundation of land and keep the residents far from disaster. Volunteer doctors were also present to give free health check-ups to the residents, especially the elderly and sick, that found difficulty and commuting.
