The Rotary Club of Central San Francisco continues its commitment in making a positive impact on communities, one celebration at a time.

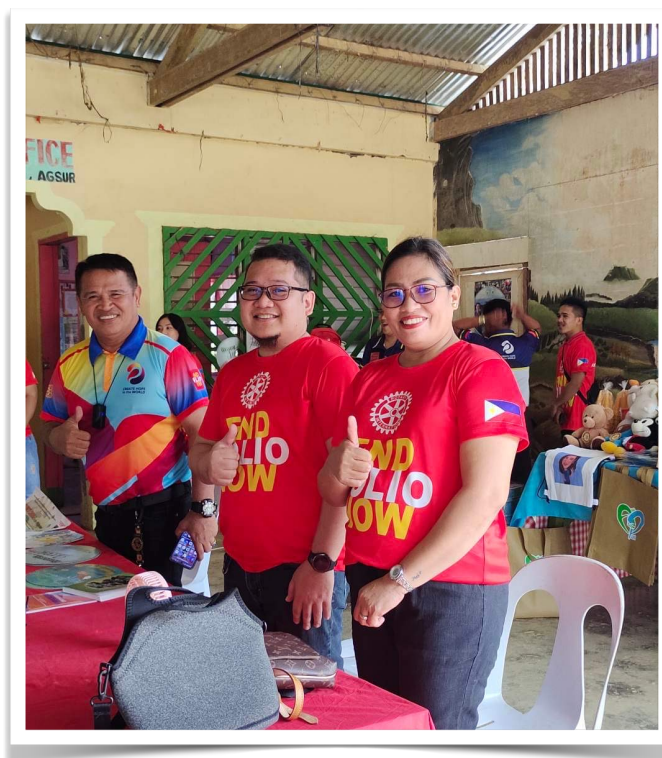

Immediate Past President Vinzsimon Rufila of RCCSF joined the kids of Brgy. Lucac, San Francisco, Agusan del Sur, in a joyful celebration to welcome the new year. His presence brought excitement and inspiration to the event, as he interacted with the children and encouraged them to pursue their dreams. A sense of unity, leaving lasting memories in the hearts of the community.

President Cecille Gentallan's leadership brought an unforgettable touch to the celebration. Engaging with the community members, she inspired them with her encouraging speech, joined in the activities, and recognized outstanding contributors.

Throughout the celebration, President Cecille actively participated in various activities, joining the children in games. Her willingness to immerse herself in the festivities created a joyous atmosphere, fostering a sense of camaraderie among the attendees.
