

RCCSF SERVICE HORIZON

October Issue

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

**Economic and
Community Development**

OUR SIX AREAS OF FOCUS

October 4, 2023 | A Day of Celebration and Giving Back 3 in 1 activity: Rotaractor Ryl Lyron Patayan's Success, Rotaractor Jomari Kevin Adlao Birthday, and RCCSF's Teachers' Day Celebration.

The Rotary Club of Central San Francisco, Rotaract Club and Interact Club of Central San Francisco came together to celebrate three significant occasions while spreading love and kindness in their local community. The day marked the remarkable success of Rotaractor Ryl Lyron Patayan, who had recently passed the board exam to become a registered social worker.

Simultaneously, it was an extra special day as they celebrated the birthday of one of their members, Rotaractor Jomari Kevin. Adding to the festivities, RCCSF embraced the spirit of Teachers' Day by visiting the San Isidro Central Elementary School. This occasion brought joy to both the students and teachers as 80 children received free lunch with ice cream and school kits, making it a memorable day for everyone involve.

October 15, 2023 | The Rotary Club of Central San Francisco participated Area 3L End Polio Fun Run spearheaded By RC Central Tandag.

In a remarkable display of international solidarity, the Rotary Club of Central San Francisco recently participated in the Area 3L End Polio Fun Run held in Tandag City. The event, which took place on a sunny Sunday morning, brought together Rotary clubs from Area 3L to support the global initiative to eradicate polio.

The Rotary Club of Central San Francisco, known for its commitment to humanitarian efforts, was thrilled to be a part of this meaningful event. Members of the club, including Rotarians and volunteers, gathered in Tandag City, to contribute to the ongoing fight against polio.

The End Polio Fun Run was not just a race; it was a symbolic act to raise awareness and funds for the worldwide campaign to eliminate polio once and for all. Polio, a debilitating and potentially fatal

disease, has been nearly eradicated thanks to the tireless efforts of Rotary International and its partners. The Rotary Club of Central San Francisco has been an active participant in this endeavor for years, firmly believing in the importance of a polio-free world.

The event was a vibrant display of unity and determination. Participants, including local community members, Rotarians, and visitors, donned their running gear and joined the fun run. The route, winding through the scenic streets of Tandag City, provided a perfect backdrop for the event, with participants of all ages showing their support.

The camaraderie and shared mission of the Rotary clubs were evident throughout the event, as everyone moved together with a common goal: to raise awareness and funds for ending polio.

The Rotary Club of Central San Francisco's participation in the Area 3L End Polio Fun Run in Tandag City exemplifies the spirit of Rotary International's commitment to "Service Above Self." It is a testament to the belief that working together can bring about positive change and that, by eradicating polio, Rotary clubs around Area 3L are making a lasting difference in the lives of millions."

Pink October 2023: A Month of Hope and Awareness for Breast Cancer

October is more than just the beginning of fall; it's a time when the world turns pink to raise awareness about breast cancer. This annual global campaign, known as Pink October or Breast Cancer Awareness Month, aims to educate, support, and inspire people in the fight against breast cancer.

Early Detection Saves Lives , One of the primary messages of Pink October is the importance of early detection.

Pink October also serves as a platform to educate the public about breast cancer risk factors, prevention strategies, and the importance of regular screenings. Knowledge is power in the fight against this disease.

RC Central San Francisco Led by Hope Creating President Cecille Gentallan together with the members Encourage the women in the community to schedule regular breast screenings and mammograms.

Rotary Club of Central San Francisco initiated Radio program Hosted by Rtn. Michael John Andohuyan and Rtn. Dr. Candy Claire Balili to Share Information, and spread the word about breast cancer awareness in the community.

By spreading awareness, and advocating for early detection we can all contribute to the ongoing battle against this disease. Together, we can make a difference and work towards a world without breast cancer.

Celebrating Unity: The event fostered camaraderie among members, allowing them to celebrate their collective achievements and shared dedication.

In a world facing numerous challenges, these Rotary clubs epitomize unity and service, living up to the Rotary motto: "Service Above Self."
