Club hails new Hope Creating President

As we welcome the New Rotary Year 2023–2024, RC–Central Tandag also gives it way for its Hope Creating President Hazel Goyongco Pasok.

Sis HP as fondly called by fellow Rotarians is an entrepreneur and at the same time a lady legislator for the Municipality of Cortes, Surigao del Sur.

She is married to a fellow Rotarian Past President Felippes Ty Pasok and gifted with 3 handsome children.

Pres HP advocates to revive the vibrancy of the Rotary Club of Central Tandag through her active leadership skills and involvement in the club's activities.
