# *History of Rotary*

**T**oday, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

## **The Birth of the Rotary Club of Dadiangas**

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

# EDITORIAL

In our Rotary calendar September is the Basic Education and Literacy Month and said thrust is one of the Rotary's six areas of focus.

We know that basic education and literacy are essential for reducing poverty, improving health, encouraging community and economic development, and promoting peace. With much vigor and optimism, in the Filipino mindset, education if pursued up to finishing college, it promises good future as it opens doors to job opportunities, thus, somehow it will take out or at least elevate one's humble financial beginning.

Just recently, on August 30, 2019, our Club, the Rotary Club of Dadiangas turnovers school chairs to Lun Padidu National High School in Brgy. Lun Padidu, Malapatan, Sarangani Province. We have been partnering the school since last year when we donated a school's learning portal or a building which provides the students a conducive place to study in between their academic classes especially during examination days. The building is equipped with learning materials, comfortable seats and electric fans which may ventilate the area.

We have seen the excitement of the students while witnessing the turnover of chairs. They happily welcomed us with their graceful dances and delightful presentations. But what was striking to hear the pronouncement of the teacher who hosted the program that amid the best learning approaches the Department of Education has designed for the students, some of these learners are experiencing distinct personal challenges when some of them are forced not to attend classes and worst get out of school. The teacher cited one of her students who is performing well in the class but incurred so many absences not because of sickness but due to extreme financial difficulties. The teacher visited the house of the student and she found out the latter took care of

his minor siblings while the parents are out of town finding the means to earn. The children are left barely with no food in the table.

Every community has different needs and different opportunities to serve. In honor of Rotary Basic Education and Literacy Month celebrated each September, let us mind to take action how can we support a literacy project in the community that will promote student enrollment and prevent absences especially in schools located in areas where there are prevalence of marginalized students. Come to think of it as we connect the world.

## Message from the **RI PRESIDENT**

**Mark Daniel Maloney**  
**President 2019-20**

September 2019

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honored to serve as the “Popcorn King,” the master of ceremonies for the day’s events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family’s traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many family-friendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and

sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of Rotary as Rotary Connects the World.

## Significant September

Its almost 3 months before the holiday season and almost a week before the governors visit. Rotary clubs under district 3860 Area 3 FGH are busy preparing for Governor Philip Tan's grand welcome. This is the time for each clubs to present their successful projects to our honorable governor. At last, our effort and hard work will be proudly recognized. Last friday, August 30 ,2019, the Rotary Club of Dadiangas were able to distribute 50 chairs to Lun padidu National high school and cordially met with a former Rotarian of RC Dadiangas, Honorable Mayor Jun Sumbo, who is now the incumbent Mayor of Malapatan, Sarangani. Hopefully, in a few months, a partnership between the municipal of malapatan and Rotary club of Dadiangas will push through. Looking forward to more future projects coming to our club brought by this partnership. I sincerely would like to extend my warmest appreciation to my champion team rotary club of dadiangas for rendering their time just to be present in every projects we have for the past week. I would also like to congratulate the amazing power duo PP Pau and Rotarian Nikki for receiving the sacrament of matrimony and christening of their youngest son last august 23 at Sto Nino Church Bula General Santos City. More Power to us fellow Rotarians!

# THE ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

## Refrain 1:

With the Four Way Test, I'll pursue my quest  
And if I, in a way help obtain. Peace in the world,  
I shall not have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family.

## Refrain 2

With the Four Way Test, We'll pursue our quest  
And if I, in a way help obtain. Peace in the world,  
We shall not have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth.  
Let's join our hands, there's no reason we'll divide.  
We shall all understand why the good Lord is our guide.  
(Repeat Refrain 2)

## SEPTEMBER IS BASIC EDUCATION AND LITERACY MONTH

**B**asic education and literacy is one of Rotary's six areas of focus. We know that basic education and literacy are essential for reducing poverty, improving health, encouraging community and economic development, and promoting peace. Consider these facts:

- If all women completed primary education, there would be 66% fewer maternal deaths.
- A child born to a mother who can read is 50% more likely to survive past the age of five.
- If all students in low-income countries left school with basic reading skills, 171 million people could be lifted out of poverty, which would be equivalent to a 12% cut in world poverty
- The world is making good progress in this area. According to a 2014 United Nations Millennium Development Goals progress report, literacy rates among adults and youths are on the rise and the gender gap in literacy is narrowing. But pressing global needs remain: 58 million children worldwide are out of school
- Even after four years of primary schooling, as many as 250 million children cannot read and write.
- 781 million adults are illiterate.
