History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

EDITORIAL

Once a year, the District Governor makes an official visit to each club in the District. This rotary year we are fortunate that the District Governor is making his first stop to our Club before proceeding to other clubs in areas 3F, 3G and 3H.

The purpose of the visit is for the District Governor to communicate directly with all Rotarians in our Club, to listen to our Club leadership and gain better understanding of our Club. He will also provide helpful and friendly advice to club officers and paves an avenue to answer questions about Rotary International and the District 3860 in particular where we belong being the catalyst to help strengthen the programs of Rotary.

RC Dadiangas Rotarians, let us welcome to our humble home, District Governor Philip N. Tan who will enlighten our abode with his warm and smiley nature. We are truly grateful to you Governor for your visit here and hope to have memorable moments throughout the night.

Message from the **RI PRESIDENT**

Mark Daniel Maloney
President 2019-20

September 2019

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honored to serve as the “Popcorn King,” the master of ceremonies for the day’s events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family’s traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many family-friendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and

sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of Rotary as Rotary Connects the World.

DISTRICT GOVERNOR'S PROFILE

**Dr. Philip N. Tan, Ph.d, T.M. H.C., F.I.C.D.
Governor, Rotary District 3860**

Our **District Governor's** becoming a Rotarian is one for the books. Upon the invitation of a drinking buddy, he unknowingly accepted with his innocence that drinks and food are free during Rotary meetings. That was in 2000 and the rest they say is history.

Convinced of the ideals and principles of Rotary, he became **CONNECTED** as an active member and eventually became the **45th President** of the **Rotary Club of Cebu West**, seven years after his induction. His stint as President gave honor to his Club with the following recognitions: **Area 1-C Most outstanding Club President** and **Highest TRF Contribution, District's Outstanding Club Secretary** and the most prestigious **Rotary International Presidential Citation**.

Through the years, he has transcended his leadership from the **Club** to the **District** level, serving Rotary in various **major** positions, amongst others as **Assistant Governor, District Trainer, District Secretary, District Finance Chair, Paul Harris Fundraising Chair** and the latest **Chairmanship of District Rotary Foundation Committee (DRFC)**.

He **also put his money where his mouth is** -- He is a **Paul Harris Society** member and a **Major Donor**. He believes that this **financial contribution demonstrates his commitment to serve others**.

Aside from being a **Rotarian**, he is also actively involved in other socio-civic and religious organizations. He is currently the **Vice Chair - Visayas** of Philippine Business for Social Progress (**PBSP**); **Board of Regents** of Cebu Technological University (**CTU**), a certified **Fellow** of the Institute of Corporate Directors (**ICD**), **Past President** of the **Mandaue Chamber (MCCI)** and eleven other prestigious civic, religious and nongovernmental organizations, both local and national.

His dedication to serve the country was twice recognized by former **President Gloria Macapagal Arroyo**, for promoting productivity and innovations in his advocacy and contributions that benefited businesses groups, government agencies, LGU's and particularly, the **Department of Labor and Employment**. In 2014, former **President Benigno Aquino III** appointed him as one of the **Management Representative** to the **Regional Tripartite Wages and Productivity Board of DOLE Region 7**. In 2016, **SGV / Ernst and Young** awarded him **INNOVATION ENTREPRENEUR OF THE YEAR** in the Philippines. He was conferred the honorary degree as **Doctor of Philosophy in Technology Management** by **Cebu Technological University**, with concurrence by the Commission on Higher Education (**CHED**) for strengthening Vocational Technology education.

As an **entrepreneur**, he started his micro business from scratch with limited financial resources and no formal education in **Engineering**. Slowly but surely, he brought his company to success without sacrificing the betterment of his employees, which includes **PWD's**. He is the founding **Chairman, President & Chief Executive Officer** of **Wellmade Motors & Development Corporation**, an **ISO-9001:2015** international certification in respect for its quality management system, manufacturing and metalworking technologies, with **subsidiary** companies, **joint ventures** and **franchisees** in the **Philippines** and **South East Asia**.

A servant leader, he is happily married to spouse **Judith**, raising four children and with their first newly born 4th generation **grandson**. His eldest son, **Jeffrey**, is also an awarded **Rotarian** and an active member of the **Rotary Club of Cebu Port Center**.

MESSAGE FROM THE GOVERNOR

My fellow “**Champion**” Club Officers and Rotarians,

This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian’s aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor’s training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our **Rotary International President Mark Maloney** who encouraged us to live by the theme: “**Rotary Connects the World**”. Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make **innovative** and **sustainable CONNECTIONS** with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: First, is to grow Rotary – by **strengthening membership**, both at the **Club** and **Rotaract** levels. Secondly, is to allow Rotary meetings become more **flexible, closer** to our homes and **involve** our Family in our service projects or activities. Third, is to develop leaders beyond the club level and provide opportunities for them to grow. And fourth, **broadening** projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary’s major priorities on supporting **The Rotary Foundation (TRF)** through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our **Public Image** initiatives would our community be able to value and appreciate

the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to **SERVE BEYOND OURSELVES.**

Yours in Rotary Service,

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:

With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2

With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)
