History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

EDITORIAL

Economic and Community Development Month –
A Challenge

October has come! This month is designated by Rotary as Economic and Community Development Month, members spotlight one of Rotary's vital causes: growing local economies. According to the United Nations, 836 million people still live in extreme poverty.

Unemployment and underemployment, along with a lack of economic opportunity, appropriate training, and social services, lie at the core of poverty.

Rotarians worldwide are determined to reduce poverty through projects that deliver equipment, vocational training, and work to strengthen local entrepreneurs and community leaders, particularly women, from impoverished communities.

Generating income and opportunities for entrepreneurship and a productive workforce is essential, along with education and health strategies, to reducing poverty. Every community has different needs and different opportunities to serve. At this time of Economic and Community Development Month, Rotary puts everyone on the spotlight of challenges which aims to help clubs and districts ask the right questions, identify needs, and make the greatest possible impact with the time, energy, and resources they have. How about US, YOU, do WE have something point in mind?

Message from the **RI PRESIDENT**

Mark Daniel Maloney
President 2019-20

October 2019

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/

world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

A MINUTE TO REMEMBER

PRES. JON JAMES P. MONTECILLO

It has been awhile since we had a proper meeting, with no regrets, we had many activities that have been achieved last month especially meeting face to face with Governor Philip Tan last September 9, 2019. The Governors Visit with Rotary Club of Dadiangas was very successful, then on September 15, 2019, is the One Rotary, One District Mangrove Planting and Coastal Clean-Up held at Tinoto Maasim Sarangani Province, it was well attended by different clubs of Rotary under

Areas 3F, 3G and 3H of District 3860 and at the same time Rotaract Club of Dadiangas Community-Based and Interactors from General Santos City National High School and Holy Trinity College Chapter. We had also conducted a Medical Mission at Malapatan Municipal Gymnasium last September 27, 2019 in partnership with different sectors within the municipality of Malapatan, thanks to Mayor Jun Sumbo for inviting RC Dadiangas to be part of the humanitarian service. I personally extend my appreciation to all Rotarians and Doctors who were present that day, who had helped and assisted us to see lots of indigent patients in Malapatan, special mention to Dr. Ana E. Albano (the daughter of DDG Rey T. Albano and PP Malou E. Albano), Dr. Carlo Avenido, Dr. Benjie Pagarigan, Sister Rodriguez, MD., Dr. Jasmin Montecillo and yours truly, Dr. Jing Montecillo, my sincere appreciation to Mr. Jun Lumacad, the executive assistant of the mayor of Malapatan for preparing a simple, appetizing and delicious lunch.

This month of October, the Rotary Club of Dadiangas hand-over swing and seasaw for the school playground of Lagao 2nd Bario Elementary School, we were cordially welcomed by Principal Zenaida A. Causing and the SGC President Ms. Josephine Mendoza and of course to Rotarian Imelda U. Arrubio for her generosity. Recently, is the One Rotary, One District Activity "Pink October" Breast Cancer Awareness Month. Rotarians from different Clubs of Area 3F and 3G joined the Pink Run and Breast Cancer Forum of the Philippine Medical Association (PMA) of General Santos City held at General Santos Suites. Once again, Champion Team, thank you for all your generosity, time and effort. Mabuhay Rotary Club of Dadiangas.

Rotary Grace

*Let us take a moment of silence
in order to pray to the Creator in
whatever manner is consistent
with our own creeds and
convictions;*

*Holy God, let us be faithful
witnesses to the power of your
love. Let our lives mirror hope in
the midst of despair, let our deeds
be filled with compassion in a
world of bruising indifference,
let our words be truthful when
misinformation holds center
stage, let our forgiveness build
new bridges of reconciliation. Let
your Spirit fill us with courage and
hope. Amen*

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:

With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2

With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)

CODA:

Peace be achieved, We shall not have lived in vain!
