History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

Message from the

Holger Knaack
President 2020-21

July 2020

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned

whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

Prexy's Heart

Pres. Yelcy Y. Catulpos

A great week to the New Rotary Year Transforming Team of Rotary Club Dadiangas!

That was a really amazing event last July 11, our 46th induction and hand over ceremonies graced by no less than our District Governor Rodel Reizl Reyes. We are in awe with the attendance of many of our fellow Rotarians from area 3FGH.

District Governor Reizl gave a really inspiring message of reminding us to always put services above self, especially the youth, the hope of the future urging them to get into action. Such reminder from the him is quite what we just need in this time of the pandemic.

Thank you to Rotary Club Dadiangas's energetic dancers for a superb performance. On July 12, we had our Area Committee Meeting (ACOM) with the District Governor and District Secretary and all presidents of area 3FGH at Bigben along Valley High. It was a gathering beneficial to the new set of officers and directors and will help propel us into what we are nobly aiming at.

Our grateful appreciation to Rtn. Rowena Manansala and Dexter Dumarán for hosting a fellowship last July 13. The food was great and the company even more wonderful.

We are glad to have turned over hand-washing facility and hygiene kits to the Silway 8 National High School on July 14. This will somehow be of help to the school. This project was made through the courtesy of Rotarian Ana Thompson.

July 15 was an excitement-filled day when we had our fun shoot where everyone had their change to exchange jokes and banter and also unload their guns and weapons at the Rajah Buayan Firing Range. That was an activity that made things light in this most challenging times. Thank you for participating in that event. Thank you as well to Rotarians Ace Buensoceso, Rotarian Peter Salvador, Rotatians Glenda and Dennis Yuson for the snacks.

Tonight is our second regular meeting for the Transforming year 2020-2021 with the theme "Rotary Opens Opportunities." I am blessed and honored to be working with so dedicated and dynamic people of RC Dadiangas! I am most humbled by the support that you always give.

I pray that we will have more meaningful achievements in the weeks to come and may the good Almighty grant us the best opportunities to be of service to our fellow men.

My heart goes out to everyone! God Bless RC Dadiangas!

Rotary Grace

Heavenly Father, we enter your gates with thanksgiving today as we glorify you for the countless ways you have blessed us. May you always dwell in our hearts through faith so that we will stay rooted and grounded in love. Today, help us steer our intentions to align with your righteous will, lead our surrendered hearts to the path of your peace today. THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)

CODA:
Peace be achieved, We shall not have lived in vain!
