History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

Message from the
RI PRESIDENT

Holger Knaack
President 2020-21

August 2020

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cellphones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase

in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. Rotary Opens Opportunities — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values.

Prexy's Heart

Pres. Yelcy Y. Catulpos

Another amazing week to the New Rotary Year Transforming Team of RC Dadiangas! Rotarians that we are, people of action, the week proved to be fruitful and fulfilling.

Off hand, let me thank and congratulate everyone for the support and enthusiasm you have shown.

Our second regular meeting and fellowship on July 20 once again proved our interest and loyalty to the Club with our 90% attendance! Rotarian Peter Salvador, who was celebrating his birthday, sponsored the fellowship dinner with plenty of food. There were lots of leftover food that prompted the "Selopin Gang" to attack! Thank you Rotarian Peter.

During the meeting, District Interact Chair Marilou Albano had a very informative talk on Rotary protocols to refresh old members and to orient new members. Rotary is very strict in protocols.

The second board meeting took up for deliberation upcoming projects, their approval and club dues.

We had our Fellowship with a Purpose on July 25, where we experienced such a warm welcome by the Local Government Unit of Malapatan, Sarangani Province. RC Dadiangas has a unique way of conducting relief goods distribution in that place. We had lunch fellowship courtesy of the Honorable Mayor Salway Sumbo, Jr. We were joined in by the Philippine Army in the activity that fostered partnership, identifying projects for the indigenous people and affected residents.

At least 200 families in Sitio Luot, Poblacion Malapatan, Sarangani Province received relief goods in the distribution activity with the theme "Touching lives amid COVID-19." Rotarians donated rice, canned goods, instant noodles, powder detergents, toothpaste, biscuits and other items.

In that activity, Rotarians had a time for fellowship at JM BUKO HALOHALO in Malapatan.

Last July 27, we had our fellowship night at Colinas Verdes sponsored by PN Danilo Uy and Dir. Diana Uy. It was also a night of great food with the sumptuous dinner served. The occasion turned lively with the Zumba and basketball.

All these events and undertakings we are having develop that sense of commitment and build a strong bond, linking us with people we would have never known. It brings us to communities, giving us the opportunities to meet people who need help. I pray and wish that we will have more of these in the coming weeks, God willing. My heart goes out to everyone! God Bless RC Dadiangas!

Rotary Grace

Help us Oh God, as we need your daily grace. Yesterday's blessings can encourage but will not take care of the burdens of today.

May we know Thee as the Shepherd of our life and eternal soul. May our fears be dissolved by faith in Thee and through the power of Thy love.

Help us to love and manifest the spirit of love under all circumstances to all people. May our life be a glory to Thyself, a help to our fellowmen and rewarding to us

In Jesus' name,

Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)

CODA:
Peace be achieved, We shall not have lived in vain!
