History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

Message from the
RI PRESIDENT

Holger Knaack
President 2020-21

November 2020

We all know Rotary's tremendous power to transform our communities and ourselves. However, in every community, people have been left out, and we have not made a strong enough effort to reach them.

The RI Board of Directors is taking action to make Rotary more welcoming and diverse. We formed a task force to promote diversity, equity, and inclusion to help clubs attract new members regardless of gender, race, religion, age, or other factors. This will help us speed up the change we all want and need. The selection of Jennifer E. Jones as Rotary president for 2022-23 — the first woman to lead our organization — is another step in this direction.

At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multidistrict Information Organization and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

I still remember the relief I felt as a RYLA participant four years ago. I had finally found my people: people who cared as much as I did. All over the world, Rotary has the same heart. We serve our communities and take action where others feel paralyzed by the size and scope of a problem.

Let's continue that spirit, especially when the conversation is difficult. Racism, prejudice, and discrimination take on different forms but exist in every country, in every city, and in every person. How do we root it out?

As a diversity, equity, and inclusion consultant, I help organizations create a culture that empowers and attracts everyone using the power of empathy. When we feel with others as if they were ourselves, we cannot hold prejudice in our hearts. When every child reminds you of your own child, when every

woman or man reminds you of your mother or brother, you start seeing the world differently.

We can apply The Four-Way Test through the lens of empathy. Are we building goodwill and friendship with everyone in our area, including women? Are things fair and beneficial to people of all ages? Who has to make choices that you don't have to make?

I made a heartbreaking choice between Rotary and my religion when a Rotary convention was held during Ramadan. I wondered: When we ask if this is fair and beneficial to all concerned, did that not include me as a Muslim? Would the convention ever be held over Easter? Only by asking difficult questions can we begin the work of creating a more inclusive and diverse Rotary.

We already connect so many people across the world. Imagine the possibilities when we bring even more people along for the ride. That's the future of Rotary I want to see: one where we are unstoppable in our service, relentless in our kindness, and intentional in the change we want to see.

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. Rotary Opens Opportunities through diversity.

Prexy's Heart

Pres. Yelcy Y. Catulpos

Holiday Season is fast approaching. Most of us define this as a season of giving and showing more our love to our loved ones and to people that surrounds us. Amid the challenging times, we still have lots of reason to live – living and knowing our purpose. With this, Rotary Club of Dadiangas still looks forward into community involvement.

The Rotary Club of Dadiangas recently went to Malapatan for a noble cause. Thanks to Malapatan Mayor Jun Sumbo who personally welcomed the Rotarians to its beautiful Municipal Hall.

We were able to donate 50 Units of Transistor Radios and USB Flash Drive in partnership with DRU Construction and Brigada Group who will benefit students. These students use modular method of learning due to pandemic.

We also donated almost 300 pairs of slippers that will be distributed in a far – flung areas of Malapatan, which, according to Mayor Sumbo, it will take 6 hours to 7 hours walk from the downtown area up to the hilltops of these areas where this community is.

My warmest thanks to all who have been so selfless in helping our depressed community. You, in the Rotary Club of Dadiangas, have touched many lives. With this, please accept my sincerest thanks and appreciation for the overwhelming support as we serve the people.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
