## History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

## The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

Message from the  
**RI PRESIDENT**

**Shekhar Mehta**  
President 2021-22

July 2021

I wish each of you and your families a great Rotary New Year! Together, let us make it the best year of our lives, by making it a year to grow more and do more. Let this be a year of changemakers, and let us begin with our membership.

That is precisely why the Each One, Bring One initiative is so important. During this year, I urge you to dream of new ways in which Rotary can expand its reach into your community and therefore the world. If each member introduces one person to Rotary, our membership can increase to 1.3 million by July 2022. So, let's just do it!

Imagine the change we, as Rotary members, can make when there are so many more of us! More people to care for others, more people to Serve to Change Lives. Think of the impact we can have through grow more, do more. More members will enable us to embark on bigger and bolder service projects. And each of us can also continue to serve in our own personal ways, responding to needs in our communities.

The beauty of Rotary is that service means different things to different people around the world. One element, however, that we can incorporate into all of our service initiatives is empowering girls. Unfortunately, even in this day and age, girls and young women face disproportionate challenges all over the world. We have the power to lead the charge for gender equality. Empowering girls and young women to have greater access to education, better health care, more employment, and equality in all walks of life should be embedded in every Rotary project we launch. Girls are future leaders, so we must ensure that we help them shape their future.

The biggest gift we are given  
Is the power to touch a life,

To change, to make a difference  
In the circle of life.

If we can reach out  
With our hand, heart, and soul,

The magic will start to happen  
As the wheel begins to roll.

Let's turn the wheel together  
So all humanity thrives,

We have the power and the magic  
To Serve to Change Lives.

These are challenging times, and I compliment each of your efforts in grappling with COVID-19. No challenge is too big for Rotarians. The bigger the challenge, the more passionate the Rotarian. Look at what we can do when we take on a colossal challenge such as eradicating polio. Look at the millions of lives we improve by strengthening access to water, sanitation, and hygiene. Look at what we do every year to promote peace in places where it seems unimaginable. Our basic education and literacy programs have nation-building impact.

This year, let us challenge ourselves to do more such projects and programs that have national reach and impact. This year, let us Serve to Change Lives.

## Prexy's Heart

Pres. Ernesto M. De Guzman

"Alone we can do so little, together we can do so much." – Hellen Keller.

My first experience as a President to such a big and reputable organization is no easy feat but it could not have been more bearable without the help of all of you. Let me preface my message by extending my appreciation and gratitude to the people who made the very first board meeting for RY 2021-2022 successful.

Last July 19, 2021, the first board meeting for this rotary year was administered. IPP Yelcy and PDDG Elmer are kind enough to lend us their magnificent home as a venue for the meeting. The agenda of this meeting is to address and discuss several issues that can help better the welfare of the club as well as generate new ideas for possible projects. The first board meeting was a success and I am as ecstatic as you are to carry out this projects with you soon.

Some highlights that we covered during the meeting were finalization of the roster of members, reiteration of few of the dues that our club has to pay, incoming projects, etc. The rest of the discussed resolutions for the following agenda will be further explained during the regular meeting.

It has been a fruitful and productive rotary year so far. To that, I acknowledge all your help for making all of this possible. A lot of lives are waiting to be changed. So gear up and be prepared to be of service whenever, wherever.

I hope to see you during the virtual meeting. We can only do so much together, as a team. Stay safe!

## Rotary Grace

*Generous Father, thank you for being my source of true joy in my life. You have promised that when I pass through the waters, you will be with me, the rivers will not sweep over you, and the fire will not burn me. Keep me safe, Lord, from the hands of those who intend to cause me harm. Protect me from danger, strengthen me in weakness, and empower me in the face of temptation. Give me assurance that I am safe in your hands, you will not lose your hold on your people. Amen.*

## THE ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

Refrain 1:  
With the Four Way Test, I'll pursue my quest  
And if I, in a way help obtain. Peace in the world,  
I shall not have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family.

Refrain 2  
With the Four Way Test, We'll pursue our quest  
And if I, in a way help obtain. Peace in the world,  
We shall not have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth.  
Let's join our hands, there's no reason we'll divide.  
We shall all understand why the good Lord is our guide.  
(Repeat Refrain 2)
