History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

Message from the
RI PRESIDENT

Shekhar Mehta
President 2021-22

September 2021

I am sure you are having an enriching experience as you Serve to Change Lives. One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one

another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education, there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward boys, the cost of missed economic opportunity is more than \$1 billion per year.

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can Serve to Change Lives through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

Literacy is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."

Prexy's Heart

Pres. Ernesto M. De Guzman

The ber months have finally begun! As we welcome the month of September full of festivities, allow me to reminisce and recognize the efforts that our fellow Life Changing Rotarians have imparted for the past weeks.

Last September 1, 2021, we welcomed the month by serving the children of St. Agnes of Montepulciano Children's Home in Purok San Jose, Upper Baluan. The activity entitled, "Agape for Children: Changing the Way Rotarians Care" was a success thanks to each and every one of you who showed your support and unremitting determination for service. The genuine smiles plastered on each of the children's faces is a great motivation to continue our mission in Serving to Change Lives.

With that, I would like to make a few special mentions to the rotarians who went out of their way and extend help to an extra mile. To Rtn. Peter Salvador who willingly shouldered the expenses for the plumbing fixtures, to Rtn. Couple Edgar & Rosalie Garcia who donated a whole unit of Freezer to be of use by the orphanage, and most especially to the Pedia Rotarians in actions who are PAG Jun Salangang, and PP Myra Atendido who allotted time to conduct a medical check-up to each of the children, thank you all so much for your selfless service and dedication to serve to change lives. Of course, I would also like to recognize the 8 Rotaractors with their President, Ymeir Shann Catulpos, who were with us during the activity, the present Rotarians who showed up in support, and the others who donated in-kind donations for the needs of the children and the orphanage, thank you to all of you.

A few days after our activity, on September 3, 2021, the Rotary District of 3860, commenced the turnover of the Rotary Village in Brgy. Malongon, Magsaysay, Davao del Sur. I, together with Rtn. Verna Joy De Guzman and, IPP Yelcy Catulpos, witnessed the remarkable event of unveiling the new homes for the unfortunate victims of the disastrous earthquakes. I would like to especially acknowledge the donors, our very own IPP Yelcy Catulpos and PDDG Elmer Catulpos for their generous hearts in donating one house to the Rotary Village. Thank you for choosing to serve to change lives.

On top of that, the TRF Fundraising and Grant Management Seminar was conducted via Zoom last September 4, 2021. Of course, the ever active and dynamic RC Dadiangas team was also present. It was attended by the following Rotarians: DCSC-M Joel Inabangan, PDDG Rey Albano, BELC Malou Albano, IPP Yelcy Catulpos, PE Vanessa Uy, Rtn. Verna Joy De Guzman, and Sec. Max Doria. The seminar specifically discussed the meaning of stewardship, purpose of maintaining financial records, common audit findings, how to manage project accounts, and community assessment and how to avail of these grants.

Lastly, the Zumba Session held on September 6, 2021 was made successful because of your participation. May there be more opportunities for us to gather and spend fellowship with each other. I hope through this we can truly strengthen our bond and appreciate the true spirit of being a Rotarian.

Let us welcome this brand new month with open arms and warm smiles. Thank you for your unrelenting devotion in choosing to serve to change lives.

Rotary Grace

Father God, help us to be united in this meeting the same way you are in unity with your Son and the Holy Spirit. May we be of one spirit and have a common purpose. Holy Spirit of God, fill this place with your power and help us to walk in unity. Even though we come from different backgrounds, help us to find common ground through which we can agree and come up with lasting solutions. Help us to be quick to listen and slow to anger when others share their ideas. We believe and pray, Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
