History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

**Message from the

Shekhar Mehta
President 2021-22

October 2021

A quarter of the Rotary year is now behind us. I am sure you are helping Rotary to grow more and do more. And I hope you have already done your part for the Each One, Bring One initiative by introducing one person to Rotary.

Do you ever think about your earliest days as a Rotarian? I often do — because those first moments of discovering the power of service shaped who I am today. When I joined my Rotary club, our efforts focused on India's rural communities, where people were living without toilets, getting their drinking water from the same pond they bathed in, and sending their children to outdoor classrooms set up under a tree. The nearest health care provider often was miles away — and the services were inadequate. But after Rotary clubs carried out some service projects, the villages had toilets, clean drinking water, a classroom for early learning, and a nearby health care center.

The spark that Rotary kindled within me forced me to look beyond myself and embrace humanity. It made service a way of life and led me to a guiding principle I still stand by: Service is the rent I pay for the space I occupy on Earth.

If you feel the need to reignite the spark of service in yourself or your club, October — Community Economic Development Month — is a great time to do so. When we work to improve the lives of people in underserved communities — through, for example, projects that provide vocational training and access to financial resources — we help build and sustain local economic growth.

The need is great. According to the United Nations, 9 percent of the world's population — that's 700 million people, a majority of them in sub-Saharan Africa — live on less than \$1.90 a day. By supporting strong community development as well as entrepreneurs, we can help improve conditions for people in that region and others.

Your club can also promote economic development in your own community by expanding vocational training opportunities through local schools and community colleges, partnering with lenders to improve access to financial services, or working with a nonprofit that provides resources to entrepreneurs and connects them with the business community.

Of course, developing strong communities is impossible without strong public health. On 24 October, World Polio Day, we'll celebrate our tremendous progress in the effort to eradicate polio. But we also know the fight is not over. We still need your help raising funds and awareness to ensure that all children are immunized against polio. Please don't forget to activate your clubs on that important day and encourage them to donate here: endpolio.org/world-polio-day.

Service has been rewarding for me throughout my life. I know the same is true for many of you. Join me this month in becoming a good tenant of our planet by helping others to better themselves and their communities. Together, we can Serve to Change Lives.

Prexy's Heart

Pres. Ernesto M. De Guzman

It has been yet another successful and fruitful month for all of us Life-Changing Rotarians! I am glad that we are all onboard to this impactful journey in serving to change lives. For this month, despite our busy lives, we are still able to make time in fulfilling our duty as Life-Changing Rotarians.

Last October 14, 2021, the whole Rotary International celebrated with RI President Shekhar Mehta for his birthday. As a gift, Rotary International District 3860 initiated a fundraiser event for End Polio advocacy. The RC Dadiangas was able to accumulate 700 US Dollars, which is equivalent to 35,700 Php from all the members. I would like to commend all Rotarians who willingly donated for this event. You have showed dedication without hesitation.

A day after that, October 15, 2021, the Interact Club of Rotary Dadiangas, General Santos City Nat'l High School invited me to give a message of support to their Brigada Pagbasa Reading Program with the theme: "Batang Cityhighians, Bihasang Bumasa sa Gitna ng Pandemya." Thank you for your invitation and I hope great success in your program.

Also, last October 16-17, one of our RC Dadiangas' delegates for the 8th RYLA Interact Boot Camp bags 4th place in the Essay Writing Contest portion of the event. I would like to personally congratulate Klair Jewel D. Inabangan for the prestigious recognition and representation you have given to our dear club, RC Dadiangas. Once again, congratulations!

A couple of days after that, on October 18, allow me to use this opportunity to reminisce our fun times during the fellowship on the newly opened RUMORS in celebration too of Brigada's 16th Year Anniversary.

Not too far from that day, on October 22, 2021, I, along with my wife Rtn. Verna Joy De Guzman and Secretary Max Doria, were also able to participate at the Lutong Pangkabuhayan, A joint project of RC Dadiangas & RC Greater Gensan that was broadcasted on the Live Show at Brigada TV Morning Hataw Program. In the evening, on that same day, some of our members attended the Virtual Breast Cancer Awareness Forum in observance of Pink October. It is such a great initiative from Areas 3F, G, and H to help bring this topic into spotlight and give awareness especially to women.

For October 23, the district also administered a Public Image Virtual Seminar. It aims to inform and educate the rotary community in terms of better publicity techniques that can be applied by the clubs. On the same day, our newly weds, Rtns. Dennis Yuson and Glenda Yuson finally tied the knots right before our eyes. I would like to congratulate them once again and wishing for their fruitful union.

Finally, on October 24, 2021, we held our Run 2 End Polio Season 2 at Brigada Hub, Diversion Road, Mabuhay, General Santos City. Thank you to everyone who showed their support and I hope that you will continue to uphold Rotary's advocacy in ending Polio.

It was indeed a busy October, Rotarians. It was activities after activities, yet we will still push through. Being of service is more than just a choice; it is a calling. That is why, all called Rotarians that are present here and still supporting our advocacy through it all, allow me to congratulate you and thank you for your relentless service and dedication. May the burning passion for service continue to ignite each and every single one of you called to serve in Changing Lives.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2

And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,

Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
