History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

**Message from the
RI PRESIDENT**

**Shekhar Mehta
President 2021-22**

November 2021

I first discovered the value of service when I saw how a few simple acts can immeasurably change lives. It began when I joined others in my club for a project to bring toilets and clean drinking water to rural villages near our city. It moved forward when we promoted sanitation and provided opportunities for education across the country, thanks to generous gifts from supporters who believed in our projects as much as those of us on the ground did.

There is no better time of the year to be reminded of that generosity than November, which is Rotary Foundation Month.

As the charitable arm of Rotary International, The Rotary Foundation is the engine that powers so many Rotary projects throughout the world. The Foundation transforms your gifts into projects that change lives. It is the Foundation that helps us to get closer to our goal of eradicating polio, to show more people how we promote peace through tangible actions, and to demonstrate the impact our projects have in our areas of focus.

Consider some recent projects that were made possible by the Foundation:

- The Rotary clubs of Guatemala La Reforma, Guatemala, and Calgary, Alberta, received an \$80,000 global grant to organize a comprehensive plan to train nurses and rural health care workers to prevent and treat cervical cancer and to implement a sustainable system of referrals in seven regions of Guatemala.
- More than two dozen hospitals in Honduras received personal protective equipment for their medical staff thanks to a \$169,347 global grant sponsored by the Rotary clubs of Villa Real de Tegucigalpa, Honduras, and Waldo Brookside-Kansas City, Missouri.
- The Rotary clubs of Cotonou Le Nautille, Benin, and Tournai Haut-

Escaut, Belgium, received a \$39,390 global grant to provide agricultural training at an ecologically responsible permaculture mini-farm connected to a center for children in Sowé, Benin. This will help a new generation of farmers become economically self-sufficient.

I like comparing The Rotary Foundation to the Taj Mahal, a monument of one man's love for a woman. The Foundation is a dynamic monument of our love for all of humanity.

This month I am asking all Rotary clubs to bring attention to the Foundation. It is what connects all Rotarians worldwide and transforms our collective passions into projects that change lives. Visit rotary.org/donate; once there, you will have an opportunity to give directly to the program you're most passionate about.

Thank you for giving your all to Rotary. You are the reason that Rotary is able to do more and grow more. Let's continue to represent that important legacy this month, this year, and beyond as we Serve to Change Lives.

Prexy's Heart

Pres. Ernesto M. De Guzman

November felt like as if a quick moment in or life. Yet, as Rotarians we still continue to thrive and push through any opportunities we get. This month has been indeed eventful and productive for all of us. Allow me to mention and revisit the activities we had for this past month.

November 6, we welcomed Governor Anna Bumagat along with her delegates on their arrival here in our Area. After many tries and challenges brought by the pandemic, our Governor has finally safely arrived to come visit us. Thank you to DCSC Joel Inabangan who went along with me in this activity.

The next day, November 7, the generous and kindhearted couple Rotarian PDDG Elmer Catulpos and IPP Yelcy Catulpos invited our honorable Governor Anna Bumagat along with her spouse, PAG Troy Bumagat and DES Caroline Andrade to hearty breakfast at their residence. Thank you, PDDG Elmer and IPP Yelcy Catulpos for helping kickstart Governor Anna's stay here in our Area on a good note.

Soon after that, Gov. Anna proceeded with her club visitation to RC Dadiangas that was held on Strawberry & Guyabano Farm last November 8, 2021. Thank you for those who attended and made their own efforts to make this event a success. I would like to especially mention Couple Rotarians Aldrin and Hannah Mamon who wholeheartedly lent us their beautiful place for the meeting. To those who also made their individual pledges and donations during the meeting, thank you.

November 11, we bid our goodbye and sent off our beloved Governor to her next journey as we gather for Governor's Night on her last day of stay here in our area. Governor Anna's stay along with her delegates has been productive indeed and this is just a way of our little appreciation for their hard work in visiting clubs after clubs.

Last November 13, The Rotary Foundation Awards Ceremony was held virtually. With this, our lovely couple Rotarian PDDG Elmer Catulpos and IPP Yelcy Catulpos deserves our applause because they have been given Endowment Fund and Major Donor Level 3 recognition. Truly selfless and determined in serving to change lives indeed. Of course, our club, RC Dadiangas was also mentioned for garnering 1,500 USD on the Polio Fund Giving Club. On the other hand, I would like to mention and recognize the following Paul Harris Fellow Society's Members and new Paul Harris Fellows who gave early donations. We all deserve a round of applause.

To end the month, biker enthusiasts from all over the Areas 3F, 3G, and 3H gather for the End Polio Awareness Advocacy. Thank you for those who showed up and supported Rotary's advocacy all throughout even in this simple deed. Together, let's raise awareness and continue to be advocates in completely eradicating Polio.

I would like to end this message by thanking everyone who participated in the said events and made all of this possible. It has been a productive month for all of us, indeed. I hope your support and determination to stay with Rotary will still continue. As always, let us be reminded that as Rotarians, let us Serve to Change Lives in any way possible.

Rotary Grace

Loving heavenly Father, We come to you this hour asking for your blessing and help as we are gathered together. We pray for guidance in the matters at hand and ask that you would clearly show us how to conduct our work with a spirit of joy and enthusiasm. Give us the desire to find ways to excel in our work. Help us to work together and encourage each other to excellence. We ask that we would challenge each other to reach higher and farther to be the best we can be. We ask this in the name of the Lord Jesus Christ. Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)

CODA:
Peace be achieved, We shall not have lived in vain!
