DECEMBER 6, 2021 | MONDAY | 7:00 PM

History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

President 2021-22**

December 2021

Public health is on everyone's mind due to the global pandemic that still threatens the safety of ourselves and our loved ones. In a sense, COVID-19 has made all of us much more aware of the roles and responsibilities of medical professionals than we were before we had to wear masks and maintain social distance. In addition, while moving through this pandemic, we have also learned about the role

we can play in keeping others safe.

December is Disease Prevention and Treatment Month in Rotary. The pandemic unfortunately has schooled most people on the toll that disease takes on our communities. But fighting disease is something that Rotarians around the world have been doing for decades. In fact, it is one of Rotary's seven areas of focus. As Rotarians, we believe that good health and well-being is a human right — even though 400 million people across the globe do not have access to essential health services. The work we do in establishing clinics, eye hospitals, and blood banks, as well as in building infrastructure for medical facilities in underserved communities, all returns to a central belief that access, prevention, and education are the keys to stopping deadly outbreaks that harm the most vulnerable.

My exposure to health work began with my Rotary club, Calcutta-Mahanagar. There, among other things, I helped pioneer a program called Saving Little Hearts that over the years has provided more than 2,500 free heart surgeries for children from India, Pakistan, Bangladesh, Nepal, and Africa. Before the program went international, it started locally with the goal of performing just six surgeries within our community. Today, our goal is to complete another 20,000 surgeries over the next five years.

The world relies on Rotary to tackle challenges like these and to set an example for others. Over the past decade, medical professionals and government workers have provided free health services to 2.5 million people in 10 countries during Family Health Days, which are organized by Rotarians around the world. Similar health camps in India also provide thousands of surgeries to those in

need. Medical missions from India to Africa each year are an excellent example of hands-on service in disease prevention and treatment. Rotary members can also get involved at a local level; clubs in the United States and Mexico, for example, fund a free health clinic in Guerrero, a small town in Mexico.

And of course, our effort to eradicate polio is by far the best story in civil-society health care.

This month, think about how your club can focus on preventing and fighting disease. This is the time to take a bigger, better, bolder approach through both club and district projects that can impact more people. Re-evaluate where you are with your goals. Create strategies that can sustain change over years, not months.

Everyone deserves a long, healthy life. When you Serve to Change Lives, your actions today can help extend the lives of others.

Prexy's Heart

Pres. Ernesto M. De Guzman

We have finally arrived at the last month of the year. Many has occurred for the past year including challenges and opportunities for us to serve and change lives. Right now, let us embody the season of giving and of course the time for festivities. As we arrive near to the end of the year, allow me to reminisce and recognize the past efforts and activities of our dear colleagues.

On November 25, 2021, Rtn. Glenda Yuson initiated a project entitled "Pamaskong Handog sa mga Batang Kababaihan" at the Substitute Home for Girls, Brgy. Fatima, General Santos City. Rtn. Glenda's passion for serving to change lives is truly exemplary and as Rotarians, we are in full support for this advocacy and principle that she upholds. With this, I would like to recognize and appreciate the efforts of Rtn. Glenda Yuson for this kind initiative. On the same day, a fellowship followed after the Project Implementation meeting. The fellowship was held at RUMOR'S Resto Bar. I thank everyone who showed up in support and participated.

The next day, November 26, 2021, the Virtual Presidential Conference commenced. Given the challenges brought by the pandemic and the fact that we cannot all meet in person, we still appreciate the efforts exerted by the team behind this event who made it seem like it was not any different than the in-person conference. Thank you everyone for your participation and support for this club.

This season of giving, our advocacy of serving to change lives is very timely. Let us use this opportunity to embody our advocacy and be good examples of compassionate Rotarians. As we progress through this year, may we not only embrace the spirit and season of giving in specific times. May we instill in our minds that as Rotarians, we are called to be of service and help take our parts in changing lives in whatever way that may be.

Rotary Grace

Thank you for the beauty and majesty we see in your creation. Thank you for the opportunity to care for the world you have made. We ask that your blessing would rest on this club, that you would give us great vision and enthusiasm for our work. Please bless the efforts of our hands, the bonds between us and the influence of our work in this location and beyond. Lord, as we plan and share together now, may you guide us by your Holy Spirit and lead us into all truth. In Jesus name, Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)
