## History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

## The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

President 2021-22

January 2022

One of Rotary's founding principles was to use your vocation — whether as a doctor, lawyer, engineer, or another profession — to do good in the world. As we attempt to overcome and recover from the pandemic, this principle is vital in retraining people who have lost their jobs. In response, the Rotary E-Club of Tamar Hong Kong organized seminars for young people, with the aim of preparing them

for the changing world of work.

This type of training must happen on a large scale. According to the United Nations, global unemployment is expected to exceed 200 million people in 2022. Women and youths are likely to be disproportionately affected.

This is why I've placed such a strong emphasis this year on projects that empower girls, and I've been delighted to see some of these projects in action. Of course, access to education and the path to employment can be blocked by a lack of water and sanitation infrastructure.

A project in Pune, India, focuses on providing girls and women with an affordable, reusable sanitary pad. The project provides employment for production and distribution of the pads, and it will reduce the pollution caused by the disposal of 12.3 billion sanitary napkins in the country annually, many of which end up in India's landfills.

Others have used vocational service to advance the empowerment of women. The Rotary Club of Poona, India, conducted workshops to teach martial arts to young women, for self-defense against the threat of abuse or human trafficking. I've also been fortunate to use my vocation to do good through Rotary. The Indian Ocean tsunami in 2004 devastated the Andaman and Nicobar Islands, which are part of my district. Thousands of homes were destroyed, and many areas lost electricity and running water. On my visit to Little Andaman Island, the builder in me immediately wanted to build homes for the homeless islanders there. We decided to construct 500 homes on Little Andaman.

On the last of my seven trips to the island, I could see something glimmering below as my helicopter was about to land. I realized that what I was seeing

were the roofs of new homes. I was overjoyed by the sight, and soon a realization dawned upon me. As a builder I had built many beautiful buildings. In comparison, these 500 homes were the most ordinary buildings I had ever built, and they were in a place I likely will never visit again, for people I will never meet again. And yet the satisfaction I had in handing over these houses was greater than from anything I had previously built. Probably because for once I was using my vocation to Serve to Change Lives.

You, too, may have had opportunities to use your vocation to Serve to Change Lives. I welcome your stories of performing vocational service through Rotary. Also, I want to close by congratulating every club that has engaged with the Each One, Bring One initiative, which asks every member to introduce one person to Rotary. Increasing our membership gives people from all walks of life the opportunity to share their knowledge and skills in transformational service.

## Prexy's Heart

Pres. Ernesto M. De Guzman

Happy New Year, Rotarians! Although 2021 did not end the way that we expected due to the unexpected calamities and incidents that have occurred in the last few weeks of 2021, we will still push through. As Rotarians, it is our calling to be of service especially in times like this where our other fellow Rotarians are also in need of our help. It is true indeed that in times of trouble, disaster can affect anyone regardless of their status in life. Let us help build the bridge for recovery and restoration for the victims of the unfortunate events that happened in our country.

Due to the unfortunate occurrence of super typhoon Odette, on December 20, 2021 RC Dadiangas initiated a drive to garner financial assistance to the victims of super typhoon Odette.

I would also like to acknowledge the fact that on the last few weeks of the year, we were able to participate on the Suporta sa Resbakuna 2nd Tranche at Lagao Gym, General Santos City last December 23, 2021. Thank you PDDG Rey and BELC Marilou Albano for initiating this activity and sharing your blessings.

Last December 28, 2021, despite our busy schedule and the rush brought about by the season, I would like to acknowledge the presence of everyone who supported the Grand Opening of Woorijib at Kap Alfredo, Polo, Polomolok, South Cotabato. Thank you PDDG Elmer and IPP Yelcy for the invite and good luck for your new business venture.

Lastly, to welcome the year, on January 4, 2022, Rotarians start the year right with Morning Cycling Exercise at Pacman Gym, General Santos City. It is good that we start the year with a workout to burn the extra calories we stored from the abundant feast of the festivities.

I am glad that you are still here and determined to continue our vision, Rotarians. Thank you for your unending support and let us serve to change more lives in 2022.

## THE ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

Refrain 1:  
With the Four Way Test, I'll pursue my quest  
And if I, in a way help obtain. Peace in the world,  
I shall not have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family.

Refrain 2  
With the Four Way Test, We'll pursue our quest  
And if I, in a way help obtain. Peace in the world,  
We shall not have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth.  
Let's join our hands, there's no reason we'll divide.  
We shall all understand why the good Lord is our guide.  
(Repeat Refrain 2)

CODA:  
Peace be achieved, We shall not have lived in vain!
