History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

**Shekhar Mehta
President 2021-22**

March 2022

We have overcome so many challenges these past two years and changed numerous lives. It brings me great joy that we have worked so hard this year to grow Rotary through the Each One, Bring One initiative. The result has been excellent growth in membership. Let us keep up the momentum. I am happy that you have put a spotlight on all we do by organizing projects around the world in our Rotary

Days of Service. The future looks brighter than ever for Rotary and our 1.4 million members.

On 11 March 2020, the World Health Organization declared that COVID-19 constituted a pandemic, and two years later it is important that we continue to draw on our expertise in our disease prevention and treatment area of focus to help people worldwide cope with the continuing challenges. The pandemic continues to defy all expectations, but we cannot be frozen in fear. Our work is too important. It is also important that we make time for each other, and I urge you to register for the upcoming 2022 Rotary International Convention in Houston. It is a great way for all of us to safely celebrate Rotary service.

We can continue to build hope and spread peace in the world by using our resources to help the most vulnerable and keeping our faith in the future. The pandemic has had an especially devastating impact on girls worldwide. On the first anniversary of the pandemic, Henrietta Fore, the executive director of UNICEF, said that "immediate action is needed to mitigate the toll on girls and their families." This need, unfortunately, remains just as strong a year later. The ripples of the pandemic have affected girls in unique ways — stunting their educational attainment, weakening their job prospects, and contributing to other terrible results such as child marriages and increased human trafficking.

Data from UNICEF reveals why our action is so essential. In the 2010s, important progress was made toward eliminating the practice of child marriage,

and UNICEF estimates that 25 million such marriages were averted worldwide. Unfortunately, the pandemic reversed those positive trends, and as a result an additional 10 million girls are vulnerable to becoming child brides by the end of this decade.

This is why our focus on Empowering Girls is such vital work, and I am delighted that at this year's virtual International Assembly, President-elect Jennifer Jones committed to continuing this initiative for another year. In my travels, I have witnessed many wonderful examples of club projects that back our Empowering Girls goals. But all Rotary members know that real change requires big efforts sustained over many years. This is the power of our global grants and actions taken within our areas of focus.

I encourage clubs to think of innovative ways to empower girls when designing their grant projects. Every step we take to improve education, health care, and economic opportunities for girls makes an important difference in helping them achieve their full potential. With opportunity we create hope, and with hope we address the root causes of conflict around the world, setting the stage for sustainable peace.

None of us know how long the COVID-19 virus will linger — and as an organization that has worked tirelessly for decades to eradicate polio, we understand better than most the difficult work that lies ahead for the world. That is why we need to remain focused on the future and on what is possible — not feeling nostalgic for the way our lives were, but looking hopefully to a future that uses this opportunity to Serve to Change Lives. I look forward to continuing this good work with you.

Prexy's Heart

Pres. Ernesto M. De Guzman

We have come this far in our life-changing journey. Rotary has been a great platform to show the true essence of what it's like to be a Rotarian. Our advocacy to serve to change lives has not only become our duty but also our calling and way of life. Every month that passes is an opportunity for us to execute the so-called calling as Rotarians. With that, allow me to recollect our achievements and endeavors for the past month of February.

Last February 21, 2022, we held our 16th Regular Meeting & Fellowship at The Rock Garden Resort, General Santos City. After that, a Ceremonial Pinning was administered in recognition of the 100% Club Registration during the Presidential Conference held last year. I would like to thank every member of the RC Dadiangas who willingly showed their support for this achievement. To finish the month, on February 24, 2022 a Preparation Meeting was held at Holy Trinity College, General Santos City for DISTAS 2022.

For this month, RI President Shekhar Mehta, continues to encourage Rotary clubs all over the world to develop projects that aims to empower girls. He mostly highlighted the fact that women are greatly affected during the onset of the COVID-19 pandemic. It's not only the RI President's calling, UNICEF has also advocated for this issue. The calling for this issue from numerous major world organizations, says something about the urgency and importance of this issue.

As support to our RI President, I am encouraging every member to be onboard with this calling. Let us help build projects that aim to support this advocacy. This can be a true test of our calling as Rotarians. Through this we can show service the Rotary way.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)
