History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

 - Not seek from a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?

**Message from the
RI PRESIDENT**

Shekhar Mehta
President 2021-22

April 2022

Friends, one of my mantras in Rotary has been do more, grow more. I am sure you are adopting this mantra. Do more, as in bigger and impactful service projects, and grow more, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and

Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our members after far too much time apart. As we grow more, we will have so much more opportunity to do more. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to do more.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries

across the world are showing great enthusiasm for this plan. Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals. This is a very exciting time in Rotary, a time when the world needs us most. As we Serve to Change Lives, remember that we are also changing ourselves. We are becoming the world's great change-makers and peacebuilders. The world is ready for us. It's time to rise to that call.

Prexy's Heart

Pres. Ernesto M. De Guzman

Our Rotary Year '21-'22 is nearing to an end. It has been fruitful, rewarding, and bittersweet at least for the most of us. Our RC Dadiangas has always been in its best shape ever since we started because of the efforts put by our Life-changing team. We have celebrated wins and went through challenges together that always strengthened our bond together. It's been unfortunate and saddening to know that one of our life-changing member had to go.

Before anything else, I would like to take this opportunity to bring memory to our dear beloved Rtn. Margareth "Meg" Santos who had passed away just recently. She has been a loyal member of our club for many years now and her contributions to the club will always be acknowledged. Last April 2, 2022, we showed our support and sympathies to the family of our late Rtn. Meg Santos at Tychem Chapel, General Santos City during her Necrological Service Program. Rtn. Meg will always be remembered for her vibrant charisma and welcoming character as a Rotarian. RC Dadiangas will not be the same without her.

As hard as it may seem, but as a team, we must continue and persevere as a club. With that, last March 26, 2022, a Committee Meeting was held at Greenleaf Hotel, General Santos City in Preparation of incoming DISTAS 2022. DISTAS 2022 will be held at Greenleaf Hotel this month of April.

Lastly, to kick off the month of April, last April 1, 2022, we held a project visit at Nopol DAM Indigenous People's Community at Brgy. Mabuhay, General Santos City. Our team had to check the water source project to see its situation after the rummaging of the flood in their area. Luckily, the water source was doing fine.

As we welcome the month of April, let us be reminded the true essence and mission of our organization. Although our Rotary Year is nearing to an end, I hope that we continue to propagate the advocacy of our club and recruit more to influence people to engage in this type of calling. As I always like to say, our roles in the Rotary Club is not a short-term commitment, rather it is a way of living. So, let us prove this through our actions. Let us continue to serve to change lives.

Rotary Grace

Dear God

Thank you for your great love and blessing over our lives. Thank you that your favor has no end, but it lasts for our entire lifetime.

Forgive us for sometimes forgetting that you are intimately acquainted with all of our ways, that you know what concerns us, and you cover us, as with a shield. We ask for your guidance so that we might walk fully in your blessing and goodness today. We ask that your face would shine on us. That you would open the right doors for our lives and for our loved ones, that you would close the wrong doors and protect us from those we need to walk away from. Establish the work of our hands and bring to fulfillment all that you have given us to do in these days. We pray that you would make our way purposeful and our footsteps firm out of your goodness and love. Give us a heart of wisdom to hear your voice, and make us strong by your huge favor and grace. In Jesus name, Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)
