History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

Message from the
RI PRESIDENT

Jennifer Jones
President 2022-23

October 2022

In August, I was proud to visit Pakistan and highlight Rotary's top goal, eradicating polio. It was also a tremendous opportunity to spotlight female health workers who are playing a critical role in protecting children from this vaccine-preventable disease.

This month, as we celebrate World Polio Day, we are shining a spotlight on our more than 30-year effort to lead the first global polio eradication campaign and our success in forming partnerships capable of completing this massive goal. We all know that this is one of the most ambitious global health initiatives in history and that we've reduced polio cases by more than 99.9 percent worldwide.

Pakistan is one of only two countries in the world where wild poliovirus remains endemic. (The other is neighboring Afghanistan.) I was able to witness and take part in vaccination campaigns in Pakistan, and soon after I left, a monumental nationwide immunization campaign took place, focused on 43 million children under the age of 5. I saw the incredible work of Rotary members on the ground. More than 60 percent of vaccinators in Pakistan are women, and they are doing a remarkable job building trust and convincing mothers to vaccinate their children.

Seeing it all firsthand, I know that the will exists across the Rotary world to end polio, and I'm confident that we have the strategy. The Pakistani media has been very supportive of our efforts as well, and this is making a difference. This month, a new global pledging moment at the World Health Summit in Berlin promises to pull together more resources to fund these time-sensitive eradication efforts. Now it is up to us to do our part and raise \$50 million this year to earn the full 2-to-1 match from the Bill & Melinda Gates Foundation.

There's great cause for optimism on the polio front — but also some staggering

new events that have further raised the stakes. Over the past few months, new polio outbreaks have occurred in Israel, the United Kingdom and, most recently, in the New York City area. These stories are frightening, but in every case, the response is clear — vaccines work, and if polio is spreading, we need to make sure the most at-risk people have kept their vaccinations up to date.

Most importantly, we need to eradicate this virus now. If polio exists anywhere, it can spread everywhere. What I saw in Pakistan convinced me that we can and must finish the job, but it will only happen if we remain committed to a strategy that's working and back it with all necessary resources.

Through our commitment, generosity, and sheer determination, we will #EndPolio.

Prexy's Heart

Dear Fellow Rotarians!

Before being a Rotarian, I realized there were many things I wanted to do for the community but was unable to do as an individual. Becoming a member of the Rotary Club of Dadiangas enabled me join with others in acting as a group to get things done.

I'm forever grateful to my fellow Rotarians for showing their support during the Governor's Visit at Avior Hotel last October 10, 2022. Thank you Rotary International District 3860 Governor Lilo I. Alino and Chief of Staff Marjorie Ann

Bernardo for your time to visit our club. It is an honor and privilege to hear your inspirational message and one thing I learned is you don't have to do big things to make an impact in your community. Indeed, Rotary makes a difference whenever they serve their community. I am so thankful for all the Rotarians that have worked tirelessly to make our events so successful.

I am truly humbled and honored to serve as your president and look forward to working with each member. Hoping for more projects and fellowship to come.

Rotary Grace

Dear God, we humbly come to your presence to thank you for the gift of life, friends, and family. We thank you for the opportunity to gather before your presence to celebrate your goodness and grace.

We pray for your Spirit to bless our conversation and to provide us wisdom and understanding as we plan to be good stewards of Your creation, touch other people's lives and contribute in our own little capacity to the society, government, community and even to each other.

We ask for Your strength, power, and provision according to Your riches to enable us to bless others as well. We humbly ask for your grace to be in hearts, soul, and mind whenever we deal with difficult and uncomfortable situations.

We pray for your protection over our families and friends. We pray that You also protect us from those with evil intent and destructive purposes. We lift all glory unto Your Name. Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)

CODA:
Peace be achieved, We shall not have lived in vain!
