History of Rotary

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.

The Birth of the Rotary Club of Dadiangas

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

**Message from the
RI PRESIDENT**

Jennifer Jones
President 2022-23

January 2023

Rotary recently surveyed our members and found something that should be unsurprising but still caused many of us in Rotary leadership to sit up and pay attention: The single most important factor in member satisfaction is the club experience. How at home you feel in your club, how rewarding club meetings are, and how engaged you feel in service projects.

I have seen this firsthand across the Rotary world this year. When members feel an emotional connection to their club, they cannot imagine leaving. And that connection is often forged in “Rotary moments,” when people feel that special connection to the people around them and the impact of their service. Our Imagine Impact Tour is all about shining a light on those Rotary moments and encouraging our members to tell their stories.

But there’s something else that makes an enormous difference in building and sustaining that connection. It’s the comfort and care of our members — both Rotarians and Rotaractors. As my Rotary friend Todd Jenkins says, “People can’t see how you think, but they sure can see your actions.”

We are in the relationship business, and if we take care of each other — genuinely show concern for each other — then we will make friends for life, and we will do anything to widen that circle of friendship.

The question is: How do we live with our eyes wide open and do the things that really matter? We do this by taking time for each other, actively listening to one another, and treating every Rotary member as equally valuable — no matter how long we have been a member or what position we hold.

People like me in Rotary leadership can offer all kinds of advice about how to make your club experience more valuable. But what’s most important is for

everyone in every Rotary club to speak up and listen to one another. We should never be afraid to share with our fellow Rotary member what we expect to get out of our membership and have an open discussion about how to make that happen.

To lead a Rotary club is to invite such dialogue and to be willing to try new approaches. Good leadership is giving it away. Propping others up. Allowing others to feel the victory.

I have one last request for club leaders. We still need to do more worldwide to increase our female membership. It's up a bit this year, but I know we can and must do better. Rotary is growing again. As I write this, we're just a handful of members away from surpassing 1.2 million Rotarians again. So let's redouble our efforts to bolster our clubs with great new members, then keep them for life by providing comfort and care.

Prexy's Heart

Pres. Diana "Vanessa" M. Uy

Dear Fellow Rotarians!

Happy New Year and welcome to 2023! I sincerely hope that this finds everyone safe and well as we continue our journey this year.

Traditionally a new year is a time when we reflect on the past and look ahead to the future. It's a time when we perhaps set some resolutions for the near or long term. These are sometimes old chestnut resolutions that we try, and fail, to achieve each year. Some are more sincere and those are the ones we really intend to meet to make some positive change that we see as desirable or necessary. So, what about 2023? As I reflected in my last column, 2022 was the best year for us. I am honored to serve as President of this Rotary Club. One of the most touching moments of my life was seeing how Rotarians joined together to extend help for those people who are in need. I am so proud to be a part of this organization.

I cannot tell you exactly what 2023 might look like, but what I can tell you is that Rotary Club of Dadiangas is still here and always ready to support the community and will continue to practice the 4 way test and achieve all the District Goals.

I like to think of the beginning of a new year the start of something great, and I am excited to embark on this journey alongside you my fellow Rotarians, some of the most dedicated and selfless people the world has ever seen. I know that together we will achieve many great accomplishments this year. Thank you for your dedication to our Club.

Rotary Grace

Dear God, we humbly come to your presence to thank you for the gift of life, friends, and family. We thank you for the opportunity to gather before your presence to celebrate your goodness and grace.

We pray for your Spirit to bless our conversation and to provide us wisdom and understanding as we plan to be good stewards of Your creation, touch other people's lives and contribute in our own little capacity to the society, government, community and even to each other.

We ask for Your strength, power, and provision according to Your riches to enable us to bless others as well. We humbly ask for your grace to be in hearts, soul, and mind whenever we deal with difficult and uncomfortable situations.

We pray for your protection over our families and friends. We pray that You also protect us from those with evil intent and destructive purposes. We lift all glory unto Your Name. Amen.

THE ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:
With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2
With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)

CODA:
Peace be achieved, We shall not have lived in vain!
