& FELLOWSHIP**

# HISTORY OF ROTARY

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted as a Rotary's primary motto.

## THE BIRTH OF THE ROTARY CLUB OF DADIANGAS

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

## MESSAGE FROM THE RI PRESIDENT

**R. Gordon R. McInally**

President 2023 - 2024

July 2023

Dear Rotary Member,.

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to *Create Hope in the World*.

You can start by telling people about what Rotary means to you. Use these graphics on your favorite social media platform and add text or a video about your Rotary experience to share why you're proud to be a Rotary member.

### Pushing polio eradication to the finish line

This is a critical year for polio eradication efforts as Rotary and our Global Polio Eradication Initiative (GPEI) partners are aggressively working to interrupt transmission of the polio virus in the remaining endemic countries and other areas.

Polio eradication is Rotary's top humanitarian priority until we deliver on our promise to protect children everywhere from polio. We had the audacity to take on this mission, and we have the tenacity to finish the job.

# MESSAGE FROM THE RI PRESIDENT

## Fostering Peace

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections among people. This year, we'll introduce virtual international exchanges for members to build those vital connections event further.

Peace isn't just a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be wage persistently — and bravely. Everything we do, across all our areas of focus, has the potential to foster the hope that can make peace possible.

## Creating a welcoming club experience

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members. We must make our clubs as welcoming and engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to every service activity we offer. We need to continue creating inclusive, welcoming environments where everyone can be their fully authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure that they can do so.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "Sense and Worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously as we **Create Hope in the World**.

R. Gordon R. McInally  
RI President, 2023-24

# PREXY'S BEACON OF HOPE

Greetings of peace my fellow vibrant Rotarians.

Create Hope in the World is our presidential theme for the year 2023 to 2024, which is led by our Lovely Governor, Gov. Rozanne "Twinkle" Gamboa. Thank you for gathering here tonight as we come together to celebrate the spirit of service, fellowship, and community that defines the Rotary Club. I stand before you tonight, humbled and honored, as the newly inducted President of our esteemed Rotary Club. I am filled with gratitude for the trust you have placed in me to lead this incredible organization, and I am excited about the opportunities that lie ahead for us.

Hope — It's a word that holds immense power. It has the ability to uplift spirits, inspire action, and transform lives. In a world often plagued by uncertainty, conflict, and despair, it is our responsibility, as Rotarians, to be the beacons of hope. We have the power to make a difference, to bring light to those in darkness, and to create a better future for all.

The theme this year serves as a reminder of our purpose as Rotarians. It is a call to action, urging us to reach out to those in need, lend a helping hand, and ignite hope in the hearts of individuals and communities around us.

In the coming year, we will focus on three key pillars to bring hope to the world. The first pillar is community engagement. We will strengthen our ties with local organizations, collaborate with community leaders, and work hand in hand to address the pressing issues that affect our people. By actively engaging with our communities, we can create a ripple effect of hope that spreads far and wide.

The second pillar is genuine service. Rotary has always been committed to making a global impact, and we will continue to do so. We will forge partnerships with organizations across borders, supporting initiatives that tackle poverty, hunger, illiteracy, and disease. Together, we will reach out to those who have been forgotten, and we will give them hope for a brighter future.

Finally, the third pillar is youth empowerment. Our young people are the leaders of tomorrow, and we must invest in their potential. We will create opportunities for them to develop their skills, nurture their passions, and become agents of positive change. By empowering our youth, we are building a foundation of hope that will shape the world for generations to come.

# PREXY'S BEACON OF HOPE

My fellow Rotarians, creating hope in the world is not a one-person task; it is a collective effort. Each one of us has a unique role to play in this mission. Together, we are a force to be reckoned with, capable of inspiring hope in the most challenging of circumstances. Let us leverage our collective expertise, our resources, and our unwavering commitment to creating a world where hope knows no boundaries.

I would like to express my heartfelt gratitude to the past presidents, the board members, and each and every one of you who has contributed to the success of our Rotary Club. Your dedication and tireless efforts have paved the way for us to continue our noble work. I am very much excited to collaborate with you, to learn from you, and to lead alongside you.

Furthermore, let us remember the importance of fellowship within the Rotary Club of Dadiangas. As we work tirelessly to improve the world around us, let us also nurture the bonds of friendship and camaraderie that have brought us together. It is through these connections we find the strength and support to continue our mission. As we move hand in hand, let us be guided by the Rotary Club's motto of "Service Above Self".

My Fellow Rotarians, ako nagatuo nga dili sukdanan sa usa ka rotarian ang kadaghanonn sa atong nahatag o na ambag kundi sa mga kinabubi Nga na bag-o tungod sa atong sinsero ug kinsing kasing Nga pag amoma sa atong mga isig katawo. Ang pag hatag sa paglaum sa nag sunod nga henerasyon usa ka pamaagi nga kita ang mahimong ehemplo ug inspirasyon nga may paglaum sa ka bag ohan sa atong sociedad.

Together, we have the power to make a lasting impact, shape a brighter future, and leave a legacy of compassion and generosity.

I would like to thank the Rotary Club of Dadiangas for entrusting this very big responsibility to me and for their unconditional support. Thank you very much. To Event Director Boyet Halago and Brigada Family who directed our recently concluded successful event. To our Governor Rozanne "Twinkle" C. Gamboa and her spouse District Learning Facilitator Archie Francisco Gamboa and District Vincent Edward Ang, thank you for your presence. To my ever-supportive family and friends. To the different rotary club presidents and their members, visitors, and guests, and to everyone who made the occasion possible. With the theme "Create Hope in the World" Let us be the catalysts for change, the champions of hope, and the architects of a better future.

Thank you very much and may the spirit of Rotary continue to guide us on this remarkable journey. Once again, Maayong gabie sa atong tanan.
