HISTORY OF ROTARY

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted as a Rotary's primary motto.

THE BIRTH OF THE ROTARY CLUB OF DADIANGAS

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

MESSAGE FROM THE RI PRESIDENT

R. Gordon R. McNally

President 2023 - 2024

July 2023

At the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment.

It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

We've grown into an amazing global network of 1.4 million interconnected community leaders — leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, "We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders." I am proud of what Rotary has done across generations to build those kinds of social connections — and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

Our worldwide community and our foundational value prioritizing Service Above Self makes Rotary a powerful global advocate for mental health. A recently published study by Ohio State University found performing acts of kindness was the only one of three mental health interventions tested that helped people feel more connected to others. Study co-author David Cregg said, "Performing acts of kindness seems to be one of the best ways to promote those connections."

MESSAGE FROM THE RI PRESIDENT

This research suggests what we've known all along — that doing good helps transform not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let's not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years — and we will be looking to members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let's work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services.

Together, we will Create Hope in the World.

R. Gordon R. McNally
RI President, 2023-24

PREXY'S BEACON OF HOPE

The dedicated & passionate team of Directors and Members are my pillar of strength. We will endeavour to explore new avenues of opportunities in serving our communities.

In this journey with my Hope Creating team, following the “Rotary’s Ethical guide - the Four Way Test”, we will build all the possibilities in the change we all can make to Create Hope in the World.

Friendship, bonding within members & fellowship will be the top most priority to make our club one big family, where each member has the sense of involvement and togetherness. Let us embrace changes to our club models and ensure that we engage our members. With gratitude, regard, and appreciation, I thank you for being my inspiration, and for your contributions in support of our club and community.

If we want to be an **EXTRAORDINARY Rotarian**, we need to have a **PHD**.
Have **PASSION** to serve. Love and like Rotary. Work with enthusiasm and energy.
Have **HUNGER** to do good. Ambition to achieve and the drive to put the best.
Have **DISCIPLINE** to practice ethics and give attention to minute details.

As a Rotarian, we should work with integrity and succeed with integrity.

Together, let us continue Create Hope in the World!

Let us pray,

Almighty God,

As Rotarians approach this year designated to "Creating Hope" we understand that this cannot happen without Your guidance. Eradicating Polio forever, fomenting mental health and peace are our worthy goals. All are possible by infusing Rotary spirit with your Holy Spirit. "Service Above Self" means that Rotarians reach their goals with an attitude being able to get things done if we, as individuals, are willing NOT to take individual credit.

We are blessed with the mindset that combined Rotarian minds are greater than any one of us. We pledge to "Create Hope" by harnessing our Individual talent to solve this years designated goals, with Your help.

In thy name we pray,

Amen.

Rotary Hymn

*I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.*

Refrain 1:

*With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.*

*I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.*

Refrain 2

*With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.*

*Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
(Repeat Refrain 2)*

HISTORY OF ROTARY

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted a Rotary's primary motto.
