# HISTORY OF ROTARY

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted as a Rotary's primary motto.

## THE BIRTH OF THE ROTARY CLUB OF DADIANGAS

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

**MESSAGE FROM THE  
RI PRESIDENT**

**R. Gordon R. McNally**

President 2023 - 2024

November 2023

Next year, Rotary takes a step toward supporting peacebuilding in the Middle East and North Africa region when recruitment begins for our newest peace center in partnership with Bahçeşehir University (BAU) in Istanbul.

A series of events in the coming year will recognize the new center at BAU and Rotary's work to promote peace. The 2024 Rotary International Convention in May will mark 25 years since the first Rotary Peace Centers were announced — coincidentally at the Rotary Convention in Singapore in 1999. Recruitment for the first cohort of Rotary Peace Fellows at BAU also starts in 2024, and selected candidates will begin their program in early 2025.

Since its beginning, the peace centers program has prepared more than 1,700 peace fellows working in more than 140 countries to create a more peaceful world. That is certainly worth celebrating, but Rotary Peace Fellows are more than statistics on a page. Their actions have helped Create Hope in the World and will continue to do so.

For example, Jennifer Montgomery and Gorett Komurembe — peace fellows from the program at Makerere University in Uganda — are co-founders of Magenta Girls Initiative. The international nongovernmental organization equips Ugandan girls and young women with the support and tools to overcome harmful gender norms, generational poverty, gender-based violence, trafficking, and trauma.

Ndzi Divine Njamsi, another peace fellow who studied at Makerere, has taken lessons learned about Positive Peace and is sharing them with students of his own in Cameroon. He became interested in the Rotary Positive Peace Activator training program after witnessing extremism, online hate speech, and violence in Cameroon. Since completing the program, he has brought his lessons on peace to students at the Yaoundé International Business School and other organizations

## MESSAGE FROM THE RI PRESIDENT

in the Central Africa country.

The world needs more people like the graduates of the program at Makerere and our other peace fellows. To that end, we can all advance peace by encouraging our local peacebuilders to learn more about Rotary and apply for this impactful fellowship. Rotary members can also mentor candidates for the fellowship. Or you can work with peace fellows who have already graduated. They probably have an initiative or two that would benefit from your help.

Our peace centers in North America, Europe, Africa, Australia, and Asia depend on financial support as well. The program at BAU was made possible thanks to a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation.

This new Rotary Peace Center will offer a one-year professional development certificate in peace and development studies for fellows focusing on peacebuilding within the Middle East and North Africa region.

Peace must be waged persistently; it is the soil where hope takes root. But as with any journey, we take one step at a time. Let's take those steps together.

## PREXY'S BEACON OF HOPE

I would like to thank you all my fellow Rotarians for your continued support most especially to the power couple Past President Myra Javier- Atendido and Past President Bobbie Atendido for donating the Handwashing Facility and Two Repainted Classrooms to Elias Buscano High School, Brgy. Olympog, General Santos City. We also had Walk- For- A- Cause to End Polio at Robinsons Place with the other Rotary Clubs under Area 3FG.

Rotary District 3860 Area 3FG successfully conducted " Training the Trainers on Mental Health Awareness Campaign: Break the Stigma" headed by District Rotary Week Chair Marilou E. Albano in partnership with Holy Trinity College on November 5, 2023, participated by 30 teachers, guidance counselors in public and private schools.

Finally, my heartfelt gratitude to all Rotarians who committed to donate the TRF. Thank you very much for your generosity.

Together, let us continue create hope in the world!
