HISTORY OF ROTARY

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted as Rotary's primary motto.

THE BIRTH OF THE ROTARY CLUB OF DADIANGAS

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

MESSAGE FROM THE
RI PRESIDENT

R. Gordon R. McInally

President 2023 - 2024

January 2024

In difficult times like these, it's impossible to avoid feeling heartbroken over the devastation and loss of life caused by war and destruction.

Rotary always stands against harming and displacing civilian populations and using armed aggression instead of pursuing peaceful solutions. We advocate for the observance and respect of international law. We believe in strong action to defend and promote peace, even in the darkest of times.

But we also take our position as an international, nonpolitical, nonreligious organization seriously. To respect the global perspectives and experiences of our members, and to work most effectively in our peacebuilding efforts, we do not choose sides in conflicts.

Rotary is made up of 1.4 million people in communities all over the globe who are united in our commitment to building a peaceful world. We strive to ensure that our words and actions prioritize the health and safety of our global membership and the communities where we live and serve.

Our members seek to offer humanitarian assistance to those affected by conflict, and our global reach requires that we promote peacebuilding and conflict prevention with cross-cultural, cross-border connections and friendship through Rotary.

For decades, Rotary has harnessed these connections to carry out service projects, support peace fellowships and scholarships, and establish programs like Rotary Peace Centers to help build lasting peace. Our members also take action to promote Positive Peace, addressing the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

MESSAGE FROM THE RI PRESIDENT

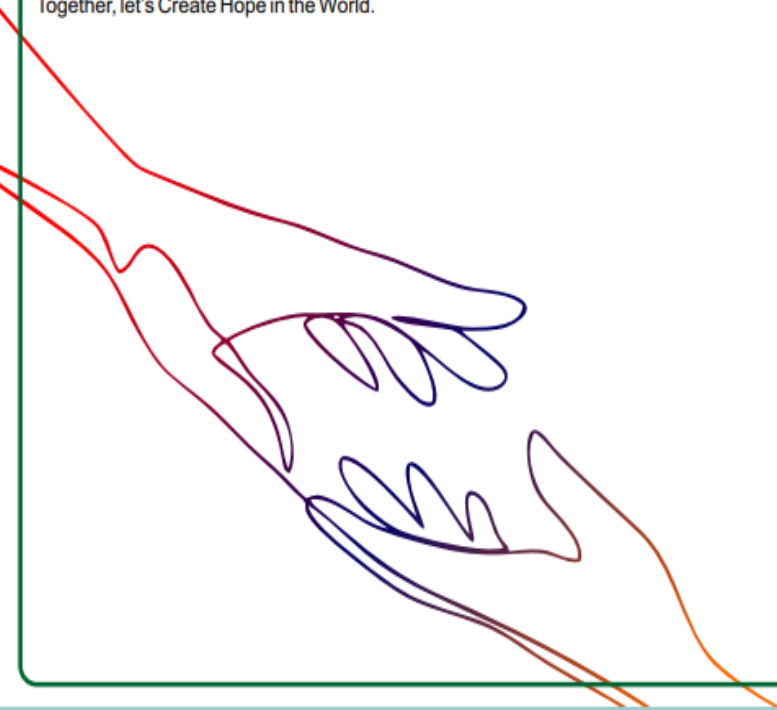

Rotary members who wish to wage peace can use district grants and Rotary Foundation global grants to support projects with other Rotary members that help refugees and displaced people, provide medical support, and more worldwide. Members can also work with or join peace-focused Rotary Action Groups, Friendship Exchanges, Fellowships, and intercountry committees. And District Designated Funds or district cash can support our peacebuilding and conflict prevention efforts.

Members and nonmembers alike can learn more about peacebuilding through the Rotary Positive Peace Academy, a free online course available to anyone with an internet connection. You can find it at positivepeace.academy/rotary.

There is no denying that incidents of violence and atrocities being perpetuated around the world seem to be escalating. Global peace is fragile, and the stakes are getting higher.

Still, we know that it is possible to bring all people together to work toward a shared goal. Rotary members do so every day in every part of the world. May our ability to unify in common purpose be a spark that helps light the path out of these dark days.

Together, let's Create Hope in the World.

PREXY'S BEACON OF HOPE

Greetings of Peace,

It gives me great pleasure to the Rotary Club of Dadiangas in supplying groceries and aid to the residents of Davao de Oro. I would like to express my sincere gratitude to each and every one of you for commitment. I am ever grateful for all the immense generosity of our volunteers, partners, funders have made this effort possible. I would like also to thank Brigada Company for their partnership. Their unwavering commitment to improve the lives of others has made a lasting impact. Many people have been moved by your kindness and generosity, and we are immensely appreciative of the chance to collaborate with you on this admirable project. This project is a good example of compassion and sense of community service that our organization is built upon. Together, we have expressed that, as a community, we are capable of overcoming any obstacle and building a better world for coming generations. Let's remember those who are less fortunate as we consider the bounties bestowed upon us and keep working to create a better future for everybody. May God bless us all and blessed is his name.

My Rotary Moments

A Mission Inherited

By: Jamie Dianne Ortiz-Espina
Club Public Image Chair, 2023-2024
Rotary Club of Biliran

My journey to Rotary was more than a mere discovery; it was a calling deeply ingrained in my family's history. From my earliest memories, the spirit of service has been a fundamental part of our family ethos.

My grandfather, a founding charter member of Rotary Catarman, instilled the values of Rotary in our family. His dedication to community service set the stage for a legacy of giving that has spanned generations. My father, the previous Club President, continued this noble tradition, leading by example.

But it's not just my father and grandfather. My aunts and uncles have also been active Rotarians, each contributing their time and efforts to Rotary's mission. From the moment I could understand the concept of service, I was surrounded by these inspiring role models.

This legacy of service, rooted in Rotary, has been passed down through the generations. It is a part of who I am, and my journey in Rotary is a natural extension of this heritage. It's not just a mission I want to support; it's a mission I was destined to embrace, and I do so with pride and commitment.

My Rotary moments have been filled with giving: school supplies to eager young minds, medicines and vitamins to those in need, and nourishing meals through feeding programs for women and children in our community. For me, being of service to others and my passion for giving have always been fulfilling. It's a fulfilling journey that I will continue to cherish and uphold in my Rotary family.

Rotary Club of Dadiangas

Joining the Rotary Club of Dadiangas, allows me to step outside my comfort zone and discover the things that I'm good at. Undeniably, being the Club Secretary of the Rotary Club of Dadiangas entails a lot of time, hard work, and perseverance. It teaches me to be responsible when it comes to managing my time as a mother, a teacher, a Rotarian, and an Adviser of the Interact Club of Rotary Dadiangas – General Santos City National High School Chapter since Rotary Year 2017. With this, it transforms me into a reliable and well-rounded person. Dealing with Rotary is not as easy as one-two-three, but it is worth the time and effort as it will mold me into an individual who can conquer every challenge in life. The learnings that I can get from the Rotary are something that cannot be taught in the four corners of the classroom as a teacher. After all, life is not all about having a career but taking time to pursue the things that I love and enjoy—serving the community, meeting new people, making new friends, trying new things, and participating in Rotary activities that will help me make the most of my Rotary experience.
