HISTORY OF ROTARY

Today, Rotary is well known throughout the world for its dedication to service and international goodwill. Changing the world through service, however, was hardly uppermost in the mind of Paul Harris when he founded the organization in 1905. Harris, a lawyer in Chicago, Illinois, USA, had been raised in a rural village in Vermont. He envisioned a new kind of club for professionals that would kindle the fellowship and friendly spirit he had known in his youth.

On the evening of 23 February 1905, Paul Harris invited three friends to a meeting. Silvester Schiele, a coal dealer, Hiram Shorey, a merchant tailor, and Gustavus Loehr, a mining engineer, gathered with Harris in Loehr's business office in Room 711 of the Unity Building in downtown Chicago. They discussed Harris' idea that business leaders and professionals would have regular acquaintances. The club met weekly; membership was limited to one representative from each business and profession. Though the men didn't use the term Rotary that night; that gathering was commonly regarded as the first Rotary Club meeting.

As they continued to convene, members began rotating their meetings among their places of business, hence the name Rotary. After enlisting a fifth member, printer Harry Ruggles with the group, then it was formally organized as the Rotary Club of Chicago. The original club emblem, a wagon wheel design, was the precursor of the familiar cogwheel emblem now used by Rotarians worldwide.

By the end of 1905, the club's roster showed a membership of 30 with Schiele as President and Ruggles as Treasurer. Paul Harris declined office in the new club and didn't become its President until two years later. Club membership grew, making it difficult to gather in offices, so the members shifted their meetings to hotels and restaurants, where many Rotary club meetings are held today.

These early "Rotarians" realized that fellowship and mutual self-interest were not enough to keep a club of busy professionals meeting each week. Reaching out to improve the lives of the less fortunate proved to be an even more powerful motivation. The Rotary commitment to service began in 1907, when the Rotary Club of Chicago donated horse to a preacher. A few weeks later, the club constructed Chicago's first public lavatory. With these inaugural projects, Rotary became the world's first club organization.

Rotary's popularity began to spread throughout the USA. The second Rotary Club was chartered in 1908 in San Francisco, California, with a third club formed in Oakland, California. Others soon followed in Seattle, Washington; Los Angeles, California; and New York, New York. When the National Association of Rotary Clubs held its first convention in 1910, Harris was elected President.

At the following year's convention, speakers used the phrases "Service, Not Self" and "He Profits Most Who Service Best," which became the organization's mottos. "Service, Not Self," was later changed to "Service Above Self," and has since been adopted as Rotary's primary motto.

THE BIRTH OF THE ROTARY CLUB OF DADIANGAS

In 1974, the Rotary Club of General Santos City was confronted with a problem on how its members could make up their absences. Since there was no other club within General Santos City and the nearest Rotary Clubs were in Marbel, South Cotabato and in Digos, Davao del Sur. The members of the RC Gensan found it difficult to make up especially when the roads going to other places were rough and rugged; dusty when dried and muddy when wet. There were no paved roads yet. That, the Board of Directors together with its Club President Jess Veneracion decided to organize a new Rotary Club in the city – the Rotary Club of Dadiangas.

For this noble purpose, RC Gensan loaned two of its senior members to form as the core for the new club – Rtn Frank Zuzon and Rtn Joe Lansang. They accepted the challenge with pride and honor. The whole month of January 1975 was devoted to recruit new members and comprehensive rotary information were given to all prospective Rotarians. After several fellowship meetings conducted, RC Dadiangas was formally organized with twenty three (23) charter members. Rtn Frank Zuzon was elected Charter President with Vic Tajanlangit as Club Secretary. PDG Johnny Asencio and PP Joe Lansang were elected as members of the Board of Directors.

On May 7, 1975, RC Dadiangas was officially admitted as regular member of Rotary International and was conferred the provisional status as duly organized club. The Rotary Club of Dadiangas was finally chartered on September 08, 1975.

**MESSAGE FROM THE
RI PRESIDENT**

R. Gordon R. McInally

President 2023 - 2024

April 2024

These are times that cry out for peace. The Middle East is in its most volatile condition in years. The war in Ukraine is the largest in Europe since World War II, and there are armed conflicts in Sudan and parts of Central Africa. Nearly every continent is experiencing a major armed conflict.

Rotary has a vital role to play in advancing the cause of peace — I often say Rotary needs to work toward peace as aggressively as those who wish to wage war. It's the spirit found in our vision statement: "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves." We must never lose track of that last call — that to bring about change in the world, we need to foster change within.

It is up to us to model peacebuilding behavior among each other. We can do better than questioning the motives of one another and jumping to the harshest possible explanation. After hearing words that might strain or offend us, we have an opportunity to ask, with compassion and curiosity, the intent of those offending words. And then we have another opportunity to repair the breach.

MESSAGE FROM THE RI PRESIDENT

If we wish to be a beacon to the world, let us start by being so to one another. Let's help each other find greater understanding and productive alternatives to words that cause hurt and distrust. And let's stick to our principles, but never doubt the sincerity of each other to end conflicts, not inflame them.

I'm reminded of a speech that U.S. Senator Robert Kennedy made on 4 April 1968, that dreadful day when the Rev. Martin Luther King Jr. was assassinated. Kennedy was in Indianapolis speaking to an audience in a predominantly African American neighborhood where people had yet to learn that Dr. King had been killed.

He shared the terrible news. He honored Dr. King for all he had done for the cause of justice and peace. And then he connected with the fuming, grieving crowd by saying: "For those of you who are Black and are tempted to be filled with hatred and distrust at the injustice of such an act, against all white people, I can only say that I feel in my own heart the same kind of feeling. I had a member of my family killed." It was the first time he had spoken publicly about President John F. Kennedy's assassination. And while many American cities exploded in violence that night, Indianapolis did not.

It is in times of crisis and despair that we need empathy most of all. Empathy is the most powerful tool of peace, and it is vital if we are to take the first brave, humble steps to *Create Hope in the World*.

Rotary Hymn

I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Refrain 1:

With the Four Way Test, I'll pursue my quest
And if I, in a way help obtain. Peace in the world,
I shall not have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family.

Refrain 2

With the Four Way Test, We'll pursue our quest
And if I, in a way help obtain. Peace in the world,
We shall not have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth.
Let's join our hands, there's no reason we'll divide.
We shall all understand why the good Lord is our guide.
