A Prayer Before Meeting

Mighty God, our Father, we praise and thank you for this day. You have given us another opportunity to appreciate life and to fulfill our mission as your instruments of peace and progress. Please pardon us for our shortcomings. Help us to amend our impieties, may we learn to pattern our lives through Your Sons example. Amen

Info Bits

We would like also to attract common minded young professionals & connect rotary with the world. We would do sustainable community projects in our adopted community, connect to the people who need our help.

With the right leaders we will function very well. Our directors for membership, public image, & the rotary foundation & strengthen our rotaract clubs.

As our district governor said we will have fun, enjoy & relax as we do our community serve projects. We will do the best that we can, the best that we know until the end of the rotary year.

In order to be the champions one needs to serve others. We cannot do everything but we can do something.

As champion team - we connect! We will do service project but more fellowship!

To the special people, our Davao 2000 Deaf rotaract club, we will mentor you to learn & be self sufficient, sustainable & be the champion leaders. YOU ARE ALL SPECIAL! We are all special!

To have purpose in life be AUTHENTIC & think big!

The flamingo calls you to have some fun in your life and forget about the daily stress. It also teaches you to surround yourself with happy people, who bring you good vibes.
