RU 2019-2020

My mind is full of ideas but I do not know how to verbalize them, where to start .

I as your president can only do so much. I need your help, our club needs your help dear members of RC Davao 2000 to make things happen.

Info Bits

We can move forward to connect rotary to the world. We can do it, we will do it! We are the champion team!

Helping a sick friend this past week was an eye opener. There is really a need for a nursing home to take care of our golden aged friends.

Thanks to some friends who opened a hospice, palliative care & nursing home so that we can take care of our family members who are in need of nursing care with out sacrificing the lives of our love ones.

We have to take into consideration the busy schedule of our own family that is struggling with their work & their growing family.

A Prayer Before Meeting

Let us pray silently together, each one of us, according to our individual beliefs. Let us offer thanks for our food, blessings for one another. Let us be a source of hope for those in need, and contentment for those who are lonely. Let us give gratitude for your opportunity to serve Rotary.

This we pray in your holy name. Amen.
