Finally, Rotarian Carlos Tan is Guest of Honor and Speaker as he talked about Banking and Financial Management during his Classification Talk. Indeed, the subject is very interesting as not just Rotarians but also some of the guests participated in the open forum.

Bonnemeijer signed the

attendance sheet

The day is even more inspiring as Visiting Rotarians like PP Antonio Obsioma of Rotary Club Calinan joined the meeting who also brought aspiring to be a member of the Rotary Club of Davao, Ambassador of the Mindanao Tri-People Filipino Identity, Princess Kasunaya Fely Atega Gahan. The presence and inspirational words from Mr. Chirstian Gloria from Hawaii also made the day motivating for the Rotarians to be of service above self.

Of course, the awarding of the Paul Harris Fellow to Rotarian Joseph Bonnemeijer underlined the gathering. The usual events like community singing led by Club President Dadz Mahipus accompanied by Rotarian Harold Banggay, greetings of the celebrants and the reports and announcements concluded the

day.

Secretary PAG Navales (photo above) recognized guests and visitors as Bae Gahan (photo @ left) acknowledged and stood up as her name is called

Politically Induced Failure of Prevention

"An ounce of prevention is better than a pound of cure". Like the Golden Rule, this is one of the more common adages we used to hear when we were younger, and this holds very true even now.

More than ten years ago, largely through the efforts of Rotary International in partnership with many health groups and organizations worldwide, government and private, a massive worldwide immunization program was undertaken. It was one of Rotary's shining moments, as every Rotary club everywhere and particularly here in the Philippines and specifically in Davao, literally took to the streets, to promote and give the oral polio vaccine to all the kids in the different communities, in what was seen as a sterling example of real International cooperation. It was so successful that in just a few short years, Polio, once a scourge of many third world countries, including the Philippines, was virtually wiped out and the WHO declared our country as polio free. The pitiful sight of limping polio stricken children disappeared, finally. Polio immunization, as well as immunization against other preventable illnesses, especially of children, became an accepted regular practice.

Then came the dengvaxia controversy, and the disinformation, scare, panic and hysteria that followed.

The prudent practice of immunization against dengue fever was used as a political tool by some unscrupulous and uninformed government officials in a vain attempt to discredit the previous administration, with a taint of malice, political ambition and a large dose of ignorance and irresponsibility. They started the ridiculous claim that the dengvaxia vaccine was killing the children it was supposed to protect against dengue. This created nationwide fear, panic and hysteria to the extent that even other vaccinations against measles and polio were also shunned, dreaded and avoided.

What followed was that in just a few months, there was a resurgence of dengue, much more than the previous year, measles re-appeared in epidemic proportions and the long lost polio is making a comeback.

Just like in the dark history of mankind, are we again killing our children?

Hello Fellow Rotarians!!!

I will be missing you today because of my schedules. I am flying to Manila to attend a very important occasion. Next day, I will be in Puerto Princesa to defend a client in court. Then go back to Manila and stay there for business deals. PP Oscar "Oca" Gonzales is authorized to preside over our meeting today subject to any objections.

Our Guest of Honor and speaker, Rotarian Timoteo D. Alagon will talk about Green Energy projects more particularly the Solar Energy Technology and inform us that this is the need of the future.

Mabuhay Rotarians!!!

LETS BE ROTARY-LIKE IN OUR DEALINGS WITH THE CLUB USING THE 4-WAY TEST..."

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney, President 2019-20

SEPTEMBER 2019

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honored to serve as the "Popcorn King," the master of ceremonies for the day's events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family's traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many familyfriendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of Rotary as *Rotary Connects the World*.

"ATTENDANCE is the price of Rotary Membership"

Thank you for taking time to join us last September 19, 2019 Luncheon Meeting. It was memorable and fun as always...

R.I. NEWS / UPDATES

RI South Pacific & Philippines Office September 2019 Newsletter

The Regional Office team has been busy preparing their presentations for the Zone 8 Conference in Christchurch. This is a historic moment: Australia. New Zealand and the Pacific Islands finally coming together as one zone - 'bridging the ditch' and removing one very small division.

It sometimes seems we live in a world that is rife with division. And too much focus on differences has so often led to conflict. Overcoming these differences, even at a personal level, takes a great deal of introspection. At some point, we need to ask ourselves whether one's particular view of the world is really more important than "the greater good." It is the toughest first step!

September is Basic Education and Literacy Month. This is a cause that is absolutely vital in bridging the gaping divide for those less privileged, especially the children. Education is fundamental to their the ability to surmount challenges in the future.

In Rotary year 2019, Basic Education and Literacy ranked as the third highest Area of Focus, with funding of over USD12.5 million to support projects worldwide. The video: Rotary Supports Education describes how grants from The Rotary Foundation help alleviate the plight of the 17% of the world's adult population who are illiterate:

"Education has the power to lift families up, make real change, modify behaviour, create healthy habits and open minds... (It) creates security and safety in families so that they can support, provide and make informed and empowered decisions."

Your contributions to The Rotary Foundation impact lives all around the world. For people who would otherwise have been isolated by their educational disadvantage, it provides a path to connect to the world.

Best Regards,

Grace Grace Ramirez

ROTARY PILLARS

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and profession; the recognition of the worthiness of all useful occupations, and the dignify- ing of each Rotarian's occupation as an opportunity to serve society;

THIRD. The applications of the ideal of service in each Rotarian's personal. business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

MISSION, VISION AND PHILOSOPHY

MISSION STATEMENT

Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

OUR VISION

To contribute our time, resources, efforts to our community and develop, share, nurture our future generations for love, friendship and world peace.

OUR PHILOSOPHY

"Service with Honor"

ROTARY WORDS OF WISDOM

"Rotary believes that the citizen who best serves his country is the one who wishes to know the truth about his neighbors, and who desires to replace hatred between nations with friendship."

Address to 1939 Rotary Convention, Cleveland, Ohio, USA

"Man's instinct for making and amassing wealth...the profit motive...cannot be rooted out from human nature either by the sword or by legislation. Let us make all the legitimate profit we can, but, in doing so, let the basis of that profit be service to all concerned. Idealism in practice should be characteristic of the Rotary movement."

That's a Good Question, THE ROTARIAN, March 1963

"Set high personal standards. Make others aware we expect the same. Respect the pursuit of excellence. Recognize, dignify honest work."

Renew the Spirit of Rotary, THE ROTARIAN, July 1974

The Four Way Test of the Things We Think Say or Do

- 1. Is it the TRUTH ?
- 2. Is it FAIR to all concerned?
- 3. Will it build GOODWILL and BETTER FRIENDSHIP?
- 4. Will it be BENEFICIAL to all concerned?

ROTARY CODE OF CONDUCT

As a Rotarian, I will

- 1. Exemplify the core value of integrity in all behaviors and activities;
- 2. Use my vocational experience and talents to serve in Rotary;
- Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others;

- Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavour or reflect adversely on Rotary or fellow Rotarians;
- 8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.
