EDITORIAL

DR. RUBEN ROBILLO

Politically Induced Failure of Prevention

"An ounce of prevention is better than a pound of cure" . Like the Golden Rule, this is one of the more common adages we used to hear when we were younger, and this holds very true even now.

More than ten years ago, largely through the efforts of Rotary International in partnership with many health groups and organizations worldwide, government and private, a massive worldwide immunization program was undertaken. It was one of Rotary's shining moments, as every Rotary club everywhere and particularly here in the Philippines and specifically in Davao, literally took to the streets, to promote and give the oral polio vaccine to all the kids in the different communities, in what was seen as a sterling example of real International cooperation. It was so successful that in just a few short years, Polio, once a scourge of many third world countries, including the Philippines, was virtually wiped out and the WHO declared our country as polio free. The pitiful sight of limping polio stricken children disappeared, finally. Polio immunization, as well as immunization against other preventable illnesses, especially of children, became an accepted regular practice.

Then came the dengvaxia controversy, and the disinformation, scare, panic and hysteria that followed.

The prudent practice of immunization against dengue fever was used as a political tool by some unscrupulous and uninformed government officials in a vain attempt to discredit the previous administration, with a taint of malice, political ambition and a large dose of ignorance and irresponsibility. They started the ridiculous claim that the dengvaxia vaccine was killing the children it was supposed to protect against dengue. This created nationwide fear, panic and hysteria to the extent that even other vaccinations against measles and polio were also shunned, dreaded and avoided.

What followed was that in just a few months, there was a resurgence of dengue, much more than the previous year, measles re-appeared in epidemic proportions and the long lost polio is making a comeback.

Just like in the dark history of mankind, are we again killing our children?

(Re-posted from September 26, 2019 Bulletin)

PP Oscar "Oca" Gonzales is the designated Presiding Officer of the day as he calls the Meeting to Order. President Dadz Mahipus is out of town to attend to some important matters.

PP Oca Gonzales calls the meeting to Order

In the absence of some senior Officers and Members of the Club, the younger generation temporarily took charge of the program as Rotarian Harold Banggay acted as the Master of Ceremony while Rotarian Orange Mae Angulo acknowledged the Visiting Rotarian and celebrants for the Month. She also reported in behalf of Secretary Arnold Navales.

Rtn. Harold Banggay as the Master of Ceremony

New Member Rotarian Timoteo Alagon is the Speaker of the day as he presented his products using the solar energy. Despite of the few members present, the day was very exciting as Director May Divino won the giveaway product given by speaker Timoteo Alagon after his classification talk.

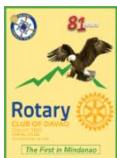

As usual, the day is never complete without the community singing led by Rotarian Orange Mae Angulo and the Rotarian Hymn.

DIOSDADO ANGELO **"DADZ" A. MAHIPUS**

Hello Fellow Rotarians,

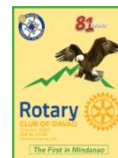

I was not able to join you last week for some important matters to attend out of town. I designated PP Oscar Gonzales to preside the Luncheon Meeting and very happy that it was a motivating day as our Fellow Rotarian, Engr. Timoteo Alagon was the guest speaker who presented his classification talk about solar energy. I would also like to inform you that our executive committee for the 81st Foundation Day Celebration already made some plans and activities for the said event. It will be on October 26, 2019 at the Garden Pavilion of Apo View Hotel. The details of the said celebration will be relayed to you in a form of invitation soon.

Our Guest of Honor and Speaker for today is Geologist Svetlana Tequin – Catoera of Philippine Volcanology (PhiVocs), Department of Science and Technology (DOST). Let us listen to her explanation about our present situation more particularly on the “Big one”.

Again, may I call our fellow Rotarians to join the weekly luncheon meeting every Thursday. Let us find time to be together and fellowship with our friends.

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney, President 2019-20

October 2019

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

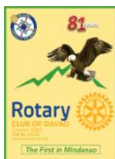

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

ROTARY PILLARS

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;
SECOND. High ethical standards in business and profession; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The applications of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

MISSION, VISION AND PHILOSOPHY

MISSION STATEMENT

Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

OUR VISION

To contribute our time, resources, efforts to our community and develop, share, nurture our future generations for love, friendship and world peace.

OUR PHILOSOPHY

"Service with Honor"

ROTARY WORDS OF WISDOM

"Rotary believes that the citizen who best serves his country is the one who wishes to know the truth about his neighbors, and who desires to replace hatred between nations with friendship."

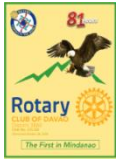

— Address to 1939 Rotary Convention, Cleveland, Ohio, USA

"Man's instinct for making and amassing wealth...the profit motive...cannot be rooted out from human nature either by the sword or by legislation. Let us make all the legitimate profit we can, but, in doing so, let the basis of that profit be service to all concerned. Idealism in practice should be characteristic of the Rotary movement."

— That's a Good Question, THE ROTARIAN, March 1963

"Set high personal standards. Make others aware we expect the same. Respect the pursuit of excellence. Recognize, dignify honest work."

— Renew the Spirit of Rotary, THE ROTARIAN, July 1974

ROTARY PILLARS

7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavour or reflect adversely on Rotary or fellow Rotarians;
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.
