**WEEKLY LUNCHEON MEETING AND FELLOWSHIP  
@ SARUNG BANGGI HALL, HARANA RESTAURANT  
F. TORRES ST. DAVAO CITY OCTOBER 3, 2019**

President Dadz Mahipus is back after he misses to attend the Weekly Luncheon Meeting last week for some important matters out of town. He presided the meeting with Secretary PAG Arnold Navales as the Master of Ceremony, who also failed to join last week's assembly. PAG Navales also spearheaded the recital of the Object of the Rotary and the 4-Way Test as Rotarian Orange Mae Angulo serenaded the celebrants for the Month.

**Pres. Mahipus (left) presided the meeting as Guest Speaker Catoera (right) looks on.**

**Guest Speaker Svetlana Tequin-Catoera**

The lengthy but enlightening presentation of Speaker, Geologist Svetlana Tequin-Catoera of the PhiVocs made the day even more fascinating. The subject is timely and realistic as we are currently experiencing earthquakes.

In his President's time, PP Dadz Mahipus reminded of the upcoming 81<sup>st</sup> Foundation day celebration of the Club on October 26, 2019. It will be held at the Garden Pavilion of the Apo View Hotel. He also yielded the floor to RC East Davao President Patrick Capili for some announcements, who invited Rotarians to attend their Club's upcoming Fellowship Night of Music and Laughter and Polio Updates on October 15, 2019 at the Azzero Place, Dona Pilar, Davao City.

The meeting ended at exactly 3:30 in the afternoon.

**PAG Arnold Navales led the recital of the Pillars**

**EDITORIAL**

**DR. RUBEN ROBILLO**

**WATER**

More than two thirds of the surface of the earth is made up of water, composed of the rivers and lakes that dot and crisscross across countries and surrounded everywhere by the vast expanse of the Ocean. Just like the human body, which is made up of more than fifty percent liquid, mostly plasma mostly water.

Water is the most essential element in nature, and next to oxygen, is most essential to life.

Following the theory of evolution, all living organisms started their origin from the water. Thus, interestingly, even human plasma has similar pH and mineral components with the water in the sea.

When God needed to cleanse the human race, He flooded the whole world with incessant rain saving only Noah and his family to later repopulate the earth. Thus, even now, fossils of ocean creatures that used to roam the sea could still be discovered in even among the highest mountain peaks.

Whether we realize it or not, water will always form part of our existence.

We are given Baptism by water, as a symbol of our return to God's favor and mercy. We drink liters of water daily, we use it to bathe, cook our food, clean our clothes and our cars and grow and source all our foods with it. We can't even travel without it. Cars and planes would overheat and ships would flounder on dry sand. Even most of our fun and frolic involves water.

In short, what would life be without water?

But how have we treated this very vital commodity? We've mismanaged and wasted it, we've polluted it and we've done everything we can to abuse it. We've dumped our garbage and waste into our rivers and oceans, and dammed and killed natural waterways with buildings, roads and indiscriminate housing and power needs.

How much more abuse can our natural waters take before it cries enough! and decides to finally abandon us?

# RI PRESIDENT'S MESSAGE

Mark Daniel Maloney, President 2019-20

## October 2019

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at [endpolio.org/register-your-event](http://endpolio.org/register-your-event). Then promote it using the World Polio Day toolkit, available at [endpolio.org/world-polio-day](http://endpolio.org/world-polio-day).

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

## 6 HUMANITARIANS HONORED FOR THEIR WORK WITH REFUGEES

Six humanitarians who are members of the family of Rotary are being honored as People of Action: Connectors Beyond Borders during the 2019 **Rotary Day at the United Nations**, which focuses this year on the global refugee crisis.

The annual event, being held at the UN's headquarters in New York, USA, on 9 November this year, celebrates the vision for peace that Rotary and the UN share. Through Rotary's long history with the UN, its members have helped people affected by war, famine, and disaster.

Today, the number of refugees worldwide is the highest it has been since World War II. The six honorees — five Rotary members and a Rotary Peace Fellow — are all people of action who have found community-based solutions to the refugee crisis.

## Rotary Foundation receives highest rating from Charity Navigator for 12th consecutive year

For the 12th consecutive year, The Rotary Foundation has received the highest rating — four stars — from **Charity Navigator**, an independent evaluator of charities in the U.S.

The **Foundation** earned the recognition for demonstrating both strong financial health and commitment to accountability and transparency. Only one percent of the organizations Charity Navigator evaluates have received 12 consecutive 4-star evaluations.

"Attaining a 4-star rating verifies that The Rotary Foundation exceeds industry standards and outperforms most charities in your area of work", says Michael Thatcher, president and chief executive officer of Charity Navigator. "This exceptional designation sets the Foundation apart from its peers and demonstrates to the public its trustworthiness."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

## ROTARY PILLARS

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST.** The development of acquaintance as an opportunity for service;
- SECOND.** High ethical standards in business and profession; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD.** The applications of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### MISSION, VISION AND PHILOSOPHY

#### MISSION STATEMENT

Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

#### OUR VISION

To contribute our time, resources, efforts to our community and develop, share, nurture our future generations for love, friendship and world peace.

#### OUR PHILOSOPHY

"Service with Honor"

### ROTARY WORDS OF WISDOM

"Rotary believes that the citizen who best serves his country is the one who wishes to know the truth about his neighbors, and who desires to replace hatred between nations with friendship."

— Address to 1939 Rotary Convention, Cleveland, Ohio, USA

"Man's instinct for making and amassing wealth...the profit motive...cannot be rooted out from human nature either by the sword or by legislation. Let us make all the legitimate profit we can, but, in doing so, let the basis of that profit be service to all concerned. Idealism in practice should be characteristic of the Rotary movement."

— That's a Good Question, THE ROTARIAN, March 1963

"Set high personal standards. Make others aware we expect the same. Respect the pursuit of excellence. Recognize, dignify honest work."

— Renew the Spirit of Rotary, THE ROTARIAN, July 1974
