**EDITORIAL**

**DIR. WIEBE VAN RIJ**

**2019, A REFLECTION**

2019 will probably go down in history as the hottest year on record since global recording started in 1850. And no doubt global warming as a result of the ever increasing greenhouse gas emissions (GHG) in our atmosphere, is the culprit. Parallely 2019 was also an eye opener in respect of increased awareness about global warming and its devastating effects. In the Philippines we experienced more extreme weather patterns, and yours truly, being in Australia, during the Christmas holidays, felt first-hand the catastrophic bushfires and subsequent air pollution in New South Wales and Victoria States. In Indonesia flooding on West Java including greater Jakarta was unprecedented. Very sad and frustrating too was to observe another failed international climate conference (COP 25), held last November in Spain. At COP 25, participating countries had to evaluate progress/milestones of their GHG emission reduction plan they earlier had agreed on in 2015 at COP 21 in Paris. Again most countries failed to reach their milestones and could not agree on concrete actions to accelerate the reduction of their GHGs. They also could not agree on helping poor countries suffering from climate change. Swedish activist Greta Thunberg, speaking at the Conference, concluded: 'you world leaders have failed us, you have stolen our future'. Major polluting countries like the US, Australia, Brazil and China got cold feet again and refused to commit themselves. Nevertheless in 2019, under pressure by young people all over the world, inspired by the same Ms Greta Thunberg, public awareness and outcry regarding the negative effects of global warming and pollution due to unsustainable exploitation of our natural resources, increased rapidly. As Ms Greta concluded after the failure of COP25: 'don't expect governments and big corporations to comply voluntarily, it's only us, common citizens, the people, that have to take the lead to save our planet'. To switch from governments/corporations' addiction to economic growth and 'Business As Usual' to a focus on a sustainable, clean, healthy and happy society, can seemingly only come under pressure from and initiated by the people themselves. And as we speak this is happening, not only by the movement Greta started but by many other initiatives such as Extension Rebellion, Greenpeace, Friends of the Earth, IPCC, World Wildlife Fund (WWF), 350.org and why not include Rotary International too. In the Philippines we have WWF Philippines and grassroots organisations like Haribon, Save Philippines Seas, Greenpeace Philippines the EGIP and Philippine Eagle Foundation, IDIS and of course our own RCD to mention a few. Besides we ourselves can make a substantial difference by switching to a more sustainable consumption pattern by e.g. buying only clean foods, avoid plastics, reduce the use of our cars and use public transport or your bike or switch to an electric car, put solar panels on our rooftops or jointly invest in solar panels placed on the roof of your office building or factory. And PLANT TREES! Let's go for it!

# ROTARY INTERNATIONAL NEWS AND UPDATES

Rotary Opens Opportunities

RI President-elect Holger Knaack's theme for 2020-21, *Rotary Opens Opportunities*, asks Rotarians to create opportunities that strengthen their leadership, help put service ideas into action, and improve the lives of those in need.

## HOLGER KNAACK SELECTED TO BE 2020-21 ROTARY INTERNATIONAL PRESIDENT

By Ryan Hyland

Holger Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, has been selected to serve as president of Rotary International in 2020-21.

The Nominating Committee's decision follows the resignation last month of President-nominee Sushil Gupta due to health reasons. Knaack will officially become president-nominee if no other candidates challenge him by 31 May. To build a stronger membership, Knaack says Rotary must focus on increasing the number of female members and transitioning Rotaractors into Rotarians.

Knaack believes that the People of Action campaign offers new public awareness possibilities for Rotary. "This campaign conveys our global image while still respecting differences in regions and cultures," he says.

A Rotary member since 1992, Knaack has served Rotary as treasurer, director, moderator, member and chair of several committees, representative for the Council on Legislation, zone coordinator, training leader, and district governor.

He is an endowment/major gifts adviser and co-chair of the Host Organization Committee for the 2019 Rotary International Convention in Hamburg.

Knaack is the CEO of Knaack KG, a real estate company. He was previously a partner and general manager of Knaack Enterprises, a 125-year-old family business.

He is a founding member of the Civic Foundation of the City of Ratzeburg and served as president of the Golf-Club Gut Grambek. Knaack is also the founder and chair of the Karl Adam Foundation.

Knaack and his wife, Susanne, are Major Donors to The Rotary Foundation and members of the Bequest Society. The members of the Nominating Committee for the 2020-21 President of Rotary International are Kazuhiko Ozawa, Rotary Club of Yokosuka, Kanagawa, Japan; Manoj D. Desai, Rotary Club of Baroda Metro, Gujarat, India; Shekhar Mehta, Rotary Club of Calcutta-Mahanagar, West Bengal, India; John G. Thorne, Rotary Club of North Hobart, Tasmania, Australia; Guiller E. Tumangan, Rotary Club of Makati West, Makati City, Philippines; Juin Park, Rotary Club of Suncheon, Jeonnam, Korea; Elio Cerini, Rotary Club of Milano Duomo, Italy; Gideon M. Peiper, Rotary Club of Ramat Hasharon, Israel; Per Høyen, Rotary Club of Aarup, Denmark; Paul Knijff, Rotary Club of Weesp (Vechtstreek-Noord), Netherlands; Sam Okudzeto, Rotary Club of Accra, Ghana; José Ubiracy Silva, Rotary Club of Recife, Pernambuco, Brazil; Bradford R. Howard, Rotary Club of Oakland Uptown, California, USA; Michael D. McCullough, Rotary Club of Trenton, Michigan, USA; Karen K. Wentz, Rotary Club of Maryville, Tennessee, USA; Michael K. McGovern, Rotary Club of South Portland-Cape Elizabeth, Maine, USA; and John C. Smarge, Rotary Club of Naples, Florida, USA.

# RI PRESIDENT'S MESSAGE

Mark Daniel Maloney, President 2019-20

## January 2020

People from all over the world have multiple reasons for joining Rotary. Many new Rotarians each year join for the same reason I did — because Rotary is a great way to benefit your career. When I was a new attorney starting out in Alabama, Gay and I became partners in her father's firm. He instilled in us the value of joining Rotary as a way to build relationships and demonstrate to potential clients that we were serious professionals who held firm to values even more robust than what our profession required.

Rotary's commitment to vocational service is built on the highest ethical standards in business and professions, the recognition of the worthiness of all useful work, and the dignifying of each Rotarian's occupation as an opportunity to serve society. That last point is so important. No matter our profession, we all contribute mightily to the world when we conduct our work with integrity and always adhere to The Four-Way Test.

I have made balancing the demands of Rotary with professional and family commitments one of my priorities as president. No Rotarian should feel pressured to put in more time than a volunteer position should ever demand. This is true for several reasons, one of them being that the work we do in our day jobs is just as important to Rotary as the work we do in the organization. We carry our Rotary values everywhere, and our professional success helps build a case for Rotary every day we go into the office.

This is particularly important in our efforts to reach younger new members. We want to see a Rotary where no one is ever asked to choose between being a good Rotarian and being a good parent, business owner, manager, or employee. When we ask busy young people to join us, we should not be asking them to give up their time and freedom. We should be rewarding them with an experience that makes everything they already do even more inspiring.

Providing greater balance within Rotary will have another benefit as well: It will create opportunities for other Rotarians, including Rotaractors, to step up and take a leadership role on projects and committees. This will ensure that they remain engaged in our clubs and inspired to be Rotarians for life.

Throughout the world, Rotary is admired for its vocational service and for the time-honored values we instill in all business relationships. As we continue our work to grow Rotary, let us remember that vocational service remains a crucial selling point to potential members.

*Rotary Connects the World*, and by making Rotary's vocational service work known to people in more professions and at different stages of their careers, we will help grow our organization and make it stronger and more diverse.

## ROTARY PILLARS

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and profession; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The applications of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### MISSION, VISION AND PHILOSOPHY

#### MISSION STATEMENT

Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

#### OUR VISION

To contribute our time, resources, efforts to our community and develop, share, nurture our future generations for love, friendship and world peace.

#### OUR PHILOSOPHY

"Service with Honor"

### ROTARY WORDS OF WISDOM

"Rotary believes that the citizen who best serves his country is the one who wishes to know the truth about his neighbors, and who desires to replace hatred between nations with friendship."

— Address to 1939 Rotary Convention, Cleveland, Ohio, USA

"Man's instinct for making and amassing wealth...the profit motive...cannot be rooted out from human nature either by the sword or by legislation. Let us make all the legitimate profit we can, but, in doing so, let the basis of that profit be service to all concerned. Idealism in practice should be characteristic of the Rotary movement."

— *That's a Good Question, THE ROTARIAN, March 1963*

"Set high personal standards. Make others aware we expect the same. Respect the pursuit of excellence. Recognize, dignify honest work."

— *Renew the Spirit of Rotary, THE ROTARIAN, July 1974*
