EDITORIAL

From Editor's Desk, Rotary International

When RI President-elect Holger Knaack unveiled his theme at the International Assembly — *Rotary Opens Opportunities* — the first recall was of RI Director Bharat Pandya's pet mantra on Rotary being all about "hope and opportunities". As Rotary Club of Calcutta celebrated its 100th birthday bang on the New Year, he once again reiterated that "hope is what the community has in Rotary... that it will do something to improve their lives and make the world a little better."

Our RI Director was totally in sync with his incoming President when he said that Rotary gives opportunity "to you and I to fulfill that hope to make our world a little better place." Knaack expressed a similar thought process when he said that Rotary wasn't just a "club for people to join". Rather, it was "an invitation to endless opportunities," and a Rotary membership creates pathways for members to improve their lives and the lives of those they help through service projects. "We believe that our acts of service, big and small, create opportunities for people who need our help," Knaack said.

In addition, Rotary also creates leadership opportunities and gives members the chance to travel the world to put their service ideas into action and make lifelong connections. "Everything we do opens another opportunity for someone, somewhere."

Consider the essence and depth of the profound statement Knaack has made through his theme, and then elaborated upon it. Rotary provides opportunities to both its members and the needy people in the community who get a helping hand from Rotarians. If you consider its impact in totality — the opportunity got by a Rotarian to do good through her service, plus the opportunity to become a leader, travel the world, make new friends and connections, and, in addition, give opportunities to those it helps to improve their lives and livelihoods. You don't need to be a mathematician to see that this is not an addition but a multiplication of opportunities.

Isn't 'opportunity' a wonderful word? It encompasses so many wonderful and positive qualities... hope, strength, hard work, success. This is exactly what the 'second sex', as the French intellectual Simone de Beauvoir titled her famous book published way back in 1949, referring to women, seeks. Interestingly, the famous French philosopher Jean Paul Sartre, who remained her partner for 51 years (she told him "don't be silly" when he proposed to her) until he died in 1981, had once told her that she had a "man's intelligence" and for a long time she accepted it as a compliment, until she began to consider what it implied. It implied, she'd write later, that "humanity is male and man defines woman"!

The finer points on intelligence apart, a topic suitable for a heated debate from any platform, it is opportunities that those who have been deprived or left behind require. And women certainly belong to this group. As women's membership in Rotary increases, a goal pursued by senior RI leaders across the world, and more leadership positions open out for women within Rotary, as is happening, slowly but surely, the focus on women's empowerment, within and outside the organisation, is bound to sharpen. The world is already seeing sterling women's leadership in Germany's Angela Merkel and a different kind of leadership in New Zealand's Jacinda Ardern.

May their tribe increase...

DIOSDADO ANGELO "DADZ" A. MAHIPUS

Dear fellow Rotarians,

Greetings!!! I am writing this message from the fairways of del Monte Golf Course in Bukidnon. I am playing the Pineapple Tee Tournament together with PP Ferdie Marañon, PP Arnold Navales and PP Frank Buno in this vast and sacred ground of the oldest golf course in the Philippines, established during the American Occupation. As a Rotarian lawyer, I am happy to inform you that I am also here to represent the Lumad Groups in the settlement of their land dispute with big companies in Bukidnon pro bono and glad to report that I have delivered a good opening statement during our dialogue between government officials and tribal leaders invoking God's word and the 4 WAY TEST of Rotary that set the tone of the discussion leading to an agreement to have an amicable settlement among the parties. I wish that all our fellow Rotarians will do the same, henceforth, I urge that we live our lives the rotary way .we should not only be Rotarians inside the meeting room and among us but spread the 4Way Test as a way of life every day in what we say think or do. I know it is hard to be one but I think this is the very essence why we are Rotarians. We have to share it to humanity so we can have a better place to live and enjoy a life better than today and a tomorrow more prosperous than ever. I am printing a plaque that says : A Rotarian lives here and a car windshield sticker: I am proud to be a Rotary Club of Davao Member so that whoever feels the way we do can place this in front of your gates and in your windshield. I believe its time be proud to tell the world that we are RC Davao Rotarians.

Thoughts to ponder: (Proverbs 3:27). - "Do not withhold good from those to whom it is due, when it is in your power to act." It is so easy to keep things for myself or to think of my own comfort and provision. But You, Lord, enabled me to bless others. Here I am, Father. Use me as a channel of Your love and blessing. Amen.

The LORD bless the righteous and surround them with His favor as a shield. The blessing of the LORD brings wealth, and He adds no trouble to it. - (Psalm 5:12; Proverbs 10:22). The LORD has shown what is good and what does He require of us? To act justly and to love mercy and to walk humbly with your God.(Micah 6:8) Serve one another in love. Love your neighbor as yourself.- (Galatians 5:13,14) Let us consider how we may spur one another on toward love and good deeds. - (Hebrews 10:24) Share with God's people who are in need. Practice hospitality. Rejoice with those who rejoice; mourn with those who mourn. Live in harmony with one another. Be careful to do what is right in the eyes of everybody. Live at peace with everyone. Serve others in their need. - (Romans 12:12-18) Find it a pleasure to walk with someone through a time of laughter or weeping. Always be ready to share God's love. Amen!

LETS BE ROTARY-LIKE IN OUR DEALINGS WITH THE CLUB USING THE 4-WAY TEST..."

ROTARY DISTRICT 3860 NEWS AND UPDATES

RI PRESIDENT'S MESSAGE

Mark Daniel Maloney, President 2019-20

FEBRUARY 2020

Happy 115th birthday, fellow Rotarians and members of the family of Rotary!

Much has changed in the world since 1905. Then, the global population was roughly 1.7 billion. Today, it is 7.7 billion. There were 5 telephones per 100 people in the United States 115 years ago. In 2020, it is estimated that 96 percent of the U.S. population has a cellphone — and both China and India have more than a billion cellphones in use.

In the 115 years since Rotary was founded, seemingly everything has changed except Rotary values. We began, and remain, committed to fellowship, integrity, diversity, service, and leadership. While our Service Above Self motto dates to 1911, the ethos behind those words had already been ingrained by Rotary's founders.

As the pace of change worldwide continues to accelerate, the need for Rotary service is greater than ever. It's one thing to read about service projects, quite another to see them in action and to see the grateful faces of people who have benefited from them. Rotary projects change lives and connect the world. And over the past year, I have seen some amazing Rotary projects in action.

Gay and I visited Japan's Fukushima prefecture last year. Few places in the world have had to deal with the kind of devastation that visited Fukushima in March 2011, when a tsunami touched off by an earthquake led to disaster at a nuclear power plant. But the story of Fukushima today is not one of destruction; it is one of hope and renewal. Rotary grants have helped improve access to medical and mental health care for victims of the disaster and reduced the isolation of these communities by sharing the experiences of people from other parts of the world who have also recovered from disasters. Our grants have also helped to foster self-motivation and encourage sustainable long-term community recovery across the region.

In Shanghai, I learned about the Careers in Care program. This helps migrant workers fill the need for skilled professionals in elder care facilities. After taking a course, trainees receive certification to boost their employment prospects, while the care industry benefits from an expanded talent pool. Rotary projects like this are successful because they address a local need, and they have the potential to attract local government funding to sustain their impact.

And in Guatemala, Gay and I went to Sumpango. Global grants there provide mechanical cows to produce soy milk; an improved water distribution system; water filters; clean compost latrines; family gardens; support for income generation; and training in WASH and literacy programs. The food items sold there not only provide nutrition to women and children, but also create a source of income for local women. In every area of focus, and in every part of the world, Rotary projects are improving lives and helping communities adapt in a time of rapid change. As we celebrate another great year for Rotary, let us rededicate ourselves to strengthening the connections that make our service so impactful. We will make lives better as Rotary Connects the World.

ROTARY PILLARS

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and profession; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The applications of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

MISSION, VISION AND PHILOSOPHY

MISSION STATEMENT

Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

OUR VISION

To contribute our time, resources, efforts to our community and develop, share, nurture our future generations for love, friendship and world peace.

OUR PHILOSOPHY

"Service with Honor"

ROTARY WORDS OF WISDOM

"Rotary believes that the citizen who best serves his country is the one who wishes to know the truth about his neighbors, and who desires to replace hatred between nations with friendship."

— Address to 1939 Rotary Convention, Cleveland, Ohio, USA

"Man's instinct for making and amassing wealth...the profit motive...cannot be rooted out from human nature either by the sword or by legislation. Let us make all the legitimate profit we can, but, in doing so, let the basis of that profit be service to all concerned. Idealism in practice should be characteristic of the Rotary movement."

— That's a Good Question, THE ROTARIAN, March 1963

"Set high personal standards. Make others aware we expect the same. Respect the pursuit of excellence. Recognize, dignify honest work."

— Renew the Spirit of Rotary, THE ROTARIAN, July 1974
