INVOCATION

Thank you, Father, for having created us and given us to each other in the human family. Thank you for being with us in all our joys and sorrows, for your comfort in our sadness, your companionship in our loneliness. Thank you for yesterday, today, tomorrow and for the whole of our lives. Thank you for friends, for health and for grace. May we live this and every day conscious of all that has been given to us. Amen.

EDITORIAL

“RCD: Through the Years”

Eighty-four years ago, just before the Second World War broke out, the third Rotary Club in the Philippines and the first in Mindanao, was established in the infant city of Davao.

Since then, it has stood its ground, even during the terrible days of the Second World War and the many challenges; political, social, economic, and natural and manmade calamities that came after it. RC Davao not only survived, but even flourished to become the “Mother Club” of more than a dozen other Rotary Clubs in the city and even in the surrounding provinces.

The latest great challenge, not only to the Rotary Club of Davao, but to all the other Rotary clubs as well, local, national, and even international, was the Covid-19 pandemic which struck the whole world almost three years ago. This pandemic struck at the very core of Rotary: service and fellowship. It became very difficult for the clubs to function, as the need to meet, work together and collectively serve the community, was discouraged to prevent the spread of the virulent virus.

But this only tested our resiliency, determination, and creativity. This only brought out the best in many of us. This may have decimated our ranks a bit, but it also opened our doors to the entry of the much younger, more creative and more dynamic members. And even as several of our more senior members held on to keep the flame of Rotary burning somehow, several younger, equally passionate and dedicated members came marching into the club, to give the much needed infusion of youth, energy and enthusiasm to an aging club.

Now we are on the bounce, thanks to President Lester and his young band of dashing warriors, with the guidance and inspiration of the few remaining, resilient “Dinosaurs”.

Watch out world! Here comes the new Rotary Club of Davao!

Past President Dr. Ruben G. Robillo

ROTARY INTERNATIONAL PRESIDENT

Rotary International President
JENNIFER JONES Theme for 2022-2023
presidential theme: *"Imagine Rotary"*

Jennifer Jones, Rotary International's first female president, is the perfect leader to spread the word about the good Rotary does in the world, and inspire its members to keep going.

Jones wants members to imagine the possibilities in the change they can make to transform the world. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, revealed the 2022-23 presidential theme, *Imagine Rotary*, as she urged people to dream big and harness their connections and

the power of Rotary to turn those dreams into reality. "Imagine, a world that deserves our best," Jones told incoming district governors on January 20, 2022, "where we get up each day knowing that we can make a difference."

Jones, who has made history on July 1, 2022 by becoming Rotary's first female president, gave a live online address to precede Rotary's annual training event for district governors from around the world, the International Assembly. The assembly was rescheduled because of the COVID-19 pandemic and will now be held virtually February 7-14, 2022.

Jones told the incoming governors about a chance she took when a member asked for assistance in getting a young peace activist out of Afghanistan during the U.S. troop withdrawal last year. At first unsure how she could help, she relied on "that certain Rotary magic" and contacted a former Rotary Peace Fellow she had met a few years earlier. Less than 24 hours later, the activist was on an evacuation list, and soon she was on her way to Europe.

To better engage members, Rotary needs to "adapt and retool," Jones said, using her hometown as an example. Windsor was once the automotive hub of Canada. But after plant closings left thousands without work, the city needed to retool, in the same way

an auto plant would, preparing for new parts or a new model. Now, Jones said, Windsor is a leader in agribusiness and medical and aerospace technology.

For Rotary, “finding the right ‘part’ to engage each member should be our core function,” Jones said. “It comes down to the comfort and care of our members.”

Engaging members is crucial to retaining members, she said, adding that we need to ask members what they want to get from Rotary and give them meaningful responsibilities.

“It is our offer of hands-on service, personal growth, leadership development, and lifelong friendships that creates purpose and passion,” Jones said.

Embracing change also means embracing new club models, Jones said, as she asked the incoming governors to form at least two new innovative or cause-based clubs during their term. “Let’s make sure we engage our members so they love their clubs and their Rotary experience,” she added.

Jones also announced the appointment of a Rotaract member as a Rotary public image coordinator and said that she has included Rotaractors on several committees and will assign some Rotaractors as president’s representatives.

“We have been entrusted with leadership in our great organization,” Jones said. “Now it is up to us to be brave and intentional in our actions, and let others help us lead.”

Jones noted that Rotary has little time left to achieve the RI Board of Directors’ goal of having women make up 30% of Rotary’s members by 2023. Rotary has achieved this in more than 110 countries, she said, but it has a long way to go. She pointed out that Rotaract has already achieved 50% female members.

To raise Rotary’s profile, Jones plans to hold a global impact tour that will include talking with leaders about working together to address the world’s most pressing challenges. “Rotary opens these doors and we need to harness our connections, to deepen these relationships and create new partnerships,” Jones said. “And the best part is, this can happen at every level of leadership.”

Jones closed her address by saying that although we all have dreams, acting on them is a choice we make. When an organization like Rotary dreams about big things like ending polio and creating peace, she said, it becomes our responsibility to make them happen. “You don’t imagine yesterday,” Jones said, “you imagine tomorrow.”

Sikat Kabataan Youth Camp

"Sikat Kabataan Youth Camp in lieu of Linggo ng Kabataan 2022 in Partnership with Rotary Club of Davao"

The youth remains to be the driving force of Peacekeeping and Conflict Resolution- with so many issues arising that led to conflict, the leadership, and involvement of the youth sector has proven to be one of the effective ways for the populace to see hope in a peaceful society where differences are considered as assets and commonalities become platforms of collaboration.

In celebration of the National Linggo ng Kabataan 2022 which was initiated by the Sangguniang Kabataan of Brgy. 19-B in partnership with Rotary Club of Davao, organized the Sikat Kabataan Youth Camp last Aug 11-13, 2022 at Camp Alano, Toril, Davao City.

Kadayawan at The Dome

Kadayawan at The Dome

August 15-21, 2022

KADAYAWAN AT THE DOME 2022- Face to Face with the Rotarians of Rotary Club of Davao.

As one of the oldest organizations in Davao City and one of the keystones to the city's vibrant history, Rotary Club of Davao failed not to represent during Kadayawan 2022 as the city ends the festival hiatus of Face to Face celebration brought about by the pandemic.

Kadayawan at the Dome staged the longest installation done by the private sector as Rotary Club of Davao along with CKC Event and Brand Management successfully hosted the 7-day food, trade, and experience bazaar at the NCCC Mall VP Dome (former Victoria Plaza) in Barrio Obrero, Davao City. The event paved the way for RC Davao to reconnect with local entrepreneurs, farmers, and fellow rotarians who engage in micro-enterprise. The community-building support provided by the event opened doors for a flourishing business to further its reach and build linkages.

The organizing team composed of rotarians also had a chance to display collaboration and ethical practices in challenging atmospheres behind the event. Nonetheless, the stakeholders lauded the 7-day fun-filled and unique installation as one of the most successful activities in the festival initiated by the private sector.

Participated by food providers, agricultural producers, Agri Processors, and budding entrepreneurs in the city with daily activities that surely made the event a one-stop destination for the Kadayawan.

Rotary Club of Davao renews its commitment to be a major stakeholder in community building in the city.

Turnover of Smart TVs to Imelda Elementary School

August 26, 2022

Our Patriot and Hero Dr. Jose Rizal echoed the importance of our youth as the future of our country and of the world as did 1993 Nobel Peace Prize Awardee Nelson Mandela who believed that education is the most powerful weapon you can use to change the world and we live in a day where our children and their education is being challenged brought about by the aftermath of the pandemic.

In a bid to adhere to these challenges the Rotary Club of Davao headed by Pres Lester Suarez and JCI Lakambini Davao headed by Pres Atty. Faith Macailing working alongside

CKC Events and Brand Management and Picturesque Davao affirmed the commitment of the private sector in working with DepEd in ensuring a safe and effective modality of learning for the children of Imelda Elementary School by donating eight (pieces 32" smart TVs.)

Truly our children's future starts with this educational step in becoming the children to lead the future. Borrowing the words of Rotary Founder Paul Harris "Ignorance is a menace to peace" so let us build peace by educating the youth.
