INVOCATION

Thank you, Father, for having created us and given us to each other in the human family. Thank you for being with us in all our joys and sorrows, for your comfort in our sadness, your companionship in our loneliness. Thank you for yesterday, today, tomorrow and for the whole of our lives. Thank you for friends, for health and for grace. May we live this and every day conscious of all that has been given to us. Amen.

EDITORIAL

"RCD: Through the Years"

Eighty-four years ago, just before the Second World War broke out, the third Rotary Club in the Philippines and the first in Mindanao, was established in the infant city of Davao.

Since then, it has stood its ground, even during the terrible days of the Second World War and the many challenges; political, social, economic, and natural and manmade calamities that came after it. RC

Davao not only survived, but even flourished to become the "Mother Club" of more than a dozen other Rotary Clubs in the city and even in the surrounding provinces.

The latest great challenge, not only to the Rotary Club of Davao, but to all the other Rotary clubs as well, local, national, and even international, was the Covid-19 pandemic which struck the whole world almost three years ago. This pandemic struck at the very core of Rotary: service and fellowship. It became very difficult for the clubs to function, as the need to meet, work together and collectively serve the community, was discouraged to prevent the spread of the virulent virus.

But this only tested our resiliency, determination, and creativity. This only brought out the best in many of us. This may have decimated our ranks a bit, but it also opened our doors to the entry of the much younger, more creative and more dynamic members. And even as several of our more senior members held on to keep the flame of Rotary burning somehow, several younger, equally passionate and dedicated members came marching into the club, to give the much needed infusion of youth, energy and enthusiasm to an aging club.

Now we are on the bounce, thanks to President Lester and his young band of dashing warriors, with the guidance and inspiration of the few remaining, resilient "Dinosaurs".

Watch out world! Here comes the new Rotary Club of Davao!

Past President Dr. Ruben G. Robillo

2023 ROTARY INTERNATIONAL CONVENTION

It is with great excitement that
Rotary announces Melbourne,
Australia as the host city for the
2023 Rotary International
Convention, the largest
conference secured this century
for Victoria.

Melbourne is a Big Events City! Set to deliver over \$88 million to the Victorian economy, the Convention is the most valuable conference ever won for the state, with the four-day event anticipated to attract more than 20,000 Rotarians from around the world. The global spotlight will be on Melbourne and how it presents itself to the world.

The Convention will take place 27–31 May 2023 using superb venues; Rod Laver Arena and the Melbourne Convention & Exhibition Centre. All activities and events are within the Heart and Soul of Melbourne. Over 7000 hotel rooms over 50 properties across Melbourne. The transport plan uses the famous trams, ferries and buses to quickly and easily move delegates between venues, hotels, events and restaurants. And of course, Melbourne is a very walkable city with many interesting routes and laneways to tantalize visitors.

In addition, the Victorian visitor economy will be bolstered with expenditure from thousands of visiting Rotarians utilizing transport, hospitality, entertainment, venues, attractions, tourism services, event planning, freight customs broker services, technology rental, security and various other members of the local business event and tourism supply chain, as well as the flow on benefits across regional Victoria for pre and post touring. Rotary has a business heritage as well as community service. Melbourne is proud to make an impact on local business and create jobs.

TURNOVER OF VEHICLES AT MATI

TURNOVER OF VEHICLES AT MATI

Public services for farmers through The Department of Agriculture Region XI from the office of Sen Imee Marcos an honorary member of RC Davao in coordination with the City of Mati with Rotary Club of Davao.

The functioning of the transport system affects farmers in a variety of ways. The focal points of concern to farmers as both producers and consumers are their ability to reach markets at which to sell and buy goods. When trade costs are low, more intermediaries compete in both producer and consumer markets, and prices tend to decrease while farmers benefit. Farmers can now easily deliver their farm products to the market and save time and expenses in the transport of goods thus helping them earn more for their families.

Mati Mayor Michelle Nakpil Rabat delivered her clear and sincere message to the farmers during the turnover and acceptance of vehicles for the different agricultural cooperatives.

ROTARY DAY OF SERVICE: TREEPLANTING

Rotary District 3860 Pine Tree Growing at ROTARY PARK, Marahan, Marilog District, Davao City which was participated by other 13 Rotary Clubs.

Never undermine the importance of trees, one of the most vital contributors in our ecosystem. Trees reduce the impact of carbon emissions and restore natural ecosystems. Aside from the fact that pine trees are aesthetically beautiful and adds beauty to any landscape, they provide shelter to local wildlife where they can live and be safe.

One Rotary, One District!

The Mindanao Peace Council employs holistic approach through committed partnerships from all sectors, that firstly understand the roots and causes of conflict, violence, and injustices, with an aim to transform individuals and communities into beneficial elements of the society without recourse to prejudice by allowing themselves to identify that which will make a difference.

REASONS TO GIVE TO THE ROTARY FOUNDATION

- **#1.** Orders of Magnitude The Foundation SHARE program allows smaller clubs to do larger projects that they could never become involved in on their own; by banding together and including DDGF and the World Fund match into the budget, large projects are possible.
- **#2.** Recognition Points Donations to the Rotary Foundation Annual Fund and PolioPlus give members and clubs recognition points that can be used to acknowledge club members and community members, too, for their volunteer work.
- #3. Tax Deduction who doesn't love a tax deduction!
- #4. End Polio Now! We're just a few years away from total eradication For decades, Rotary has been a leader in the battle against polio and with the help of our partners in the Global Polio Eradication Initiative, we have reduced cases by 99.9% since 1988. The infrastructure developed to facilitate both immunizations and eradication is being used to fight and protect against other diseases as well. For example, the method known as contact tracing was critical to containing an Ebola outbreak in Nigeria in 2014.
- #5. Quality The Rotary Foundation has received its 9th straight 4-star rating from Charity Navigator
- #6. Accountability About 90 cents of every dollar donated to TRF goes directly to work on the ground.
- **#7.** Influence the Future Donors to the Rotary Foundation are a special group of people who are supporting the next generation of children from across the globe.
- #8. Change the World Isn't that what Rotarians do?
