**Invocation**

*Almighty Father, our One Lord of all Creation, We Praise and thank you endlessly.*

*We as Rotarians live, to the best we can, by the 4-Way Test. Humans as we are, may we always walk in Your Path. We know our most satisfying work is in helping others. The single powerful force in life is Love! We put Love in our hearts and nothing will be heavy. We put understanding into our mind and nothing will be difficult. We put YOU into our whole being and nothing will be impossible.*

*May we always be a reason for someone to smile; and be always a reason for someone to feel loved, and who believes in the goodness in People. May the following days bring us all the blessings we need to always have beautiful days ahead.*

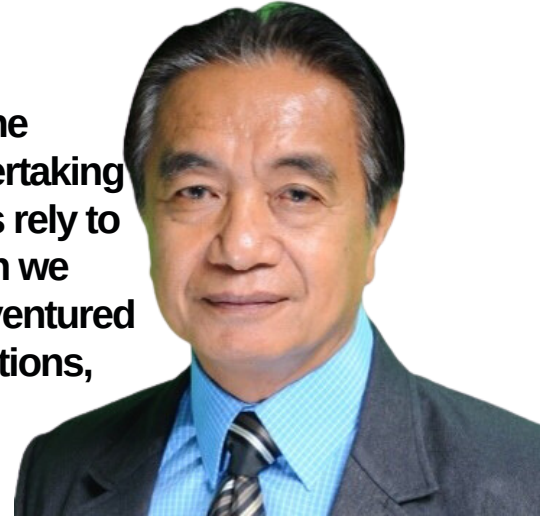

*May your Loving Mercy be upon Us Always!*

## Is It The Truth?

PP Ruben Robillo

Throughout man's History, people have always relied on the veracity of information to be able to proceed with any undertaking or endeavor, aware that many of our decisions and actions rely to a large extent on the correctness or truth of the information we receive. Armies have gone to war, businesses have been ventured into and major decisions have been made by leaders of nations, based on information received.

These actions, ventures and decisions, rightly or wrongly, have influenced not just the course of history, but the lives of many people have also been affected by these events. Dissemination of correct information has always been a vital aspect of man's march towards progress, development and victory, such that, constant new inventions and ideas on methods of sending information have been utilized to make this possible.

Thus from the lowly beginnings of the smoke signal, we have gradually progressed to the pony express, then to the homing pigeons, the morse code, the postal system, the telegraph, then the telephone, and now, finally we have the Internet! Able to send and disseminate and receive information to practically anyone and anywhere in the country and even the world, within seconds! All these progress, in just a little more than a hundred years.

But even as we progressed in technology, something in our character failed to keep up with this progress. The ease by which information could be sent and received has enticed many of us to use this convenient tool for our self-serving benefit, even to the point of twisting it and abusing it.

Suddenly, fake news and disinformation have become the norm. Scams, extortions, illegal and illicit transactions, gossip and invented and distorted Information have flooded the internet and Social Media and misled a lot of people, so much so that we have now become cynical of many of the news we hear or read.

At no point in History has the sanctity of truth been so tarnished and maligned as now. And the people we look up to, our very leaders, have not helped, but instead, further added to and aggravated this distrust.

It will take a lot of missionary work by dedicated Rotarians to bring back the meaning of Truth and reinforce once again, this sacred Pillar back into our culture.

# President's Page

**May B. Divino**  
President 2023 - 2024

To my fellow Members of the Rotary Club of Davao, I trust that this message finds you all in high spirits and good health. It gives me great pleasure to extend my heartfelt appreciation to all the dedicated Rotarians who graced our last week's meeting with their presence. Your active participation and commitment to our club's gatherings are truly commendable.

I am particularly delighted to share that the meeting was made even more enriching and insightful by the presence of our guest speaker, Past Assistant Governor Arceli Dela Cruz. Her presentation on Membership and Club Development shed light on essential aspects that are pivotal to our growth and impact as a club. As we strive to make a difference in the lives of our fellow citizens, it's crucial that we continue to expand our Rotary family. Let's take her words to heart and work collectively to bring more dynamic individuals into our fold.

In addition to our fruitful meeting, I want to express my heartfelt gratitude to those who joined our recent outreach activity at Brgy. Lubogan, Toril. This collaborative effort with Councilor Enzo Villafuerte and Davao Eden Eagles Club exemplifies the spirit of Rotary service at its finest. Through the operation tuli, free haircut sessions, donation of eyeglasses, and the heartwarming feeding program, we showcased the care and compassion that defines our club. Together, we touched the lives of those in need and brought smiles to many faces.

These impactful endeavors remind us of the significance of our role as Rotarians. It's through actions like these that we contribute positively to the lives of our community members and make a real difference. As we move forward, I encourage you all to continue your active engagement and participation in our club's activities.

Let's remain focused on our mission, steadfast in our commitment to Rotary values, and enthusiastic in our pursuit of positive change. Together, we can achieve remarkable feats and leave a lasting legacy.

Thank you once again for your unwavering dedication and enthusiasm. I am truly honored to serve as your President and look forward to the incredible journey ahead, hand in hand with each one of you.

# ROTARY PILLARS

## The Four-Way Test

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIP**?
4. Will it be **BENEFICIAL** to all concerned?

## Rotary Code of Conduct

### As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment.

## ROTARY PILLARS

### The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### Mission, Vision, and Philosophy

**Mission.** Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

**Vision.** To contribute our time, resources, efforts to our community, and develop, share, nurture our future generations for love, friendship, and world peace.

**Philosophy.** "Service with Honor"

### Rotary Words of Wisdom

**"There is nothing intangible about Rotary: It is reality itself. To give is to receive; to lose oneself is to find oneself; to be happy is to serve. These are old truths...for the individual...and the mass, whether application be in the exchange of goods, toil, knowledge, or love."**

*- The Meaning of Rotary, THE ROTARIAN, November 1921*

**"Rotary is so simple that many people do not understand it, and some even misunderstand it. Rotary is not a philosophy...not an all-embracing world point of view which answers every question...and satisfies all the dictates of the heart and mind. Rotary is merely an association of business and professional men united in the ideal of service."**

*- Address to 1938 Rotary Convention, San Francisco, CA, USA*

# Declaration of Rotarians in Business and Professions

**As a Rotarian in a business or profession, I am expected to:**

1. Consider my vocation to be another opportunity to serve.
2. Be faithful to the letter and the spirit of the ethical code of my vocation, to the laws of my country, and the moral standards of my community.
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation.
4. Be fair to my employer, employees, associates, competitors, customers, the public and all with whom I have a business or professional relationship.
5. Recognize the honor and respect due to all occupations which are useful to society.
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief to the special needs of others, and to improve the quality of life in my community.
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession.
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.
