# In India, Rotary members help to draw young players to the game and its gifts

*By Geetanjali Krishna Summarized*

India's extraordinary passion for chess is reshaping education, opportunity, and community life across the country. On any given weekend, hundreds of children can be found gathering for fiercely competitive tournaments in cities like Chennai, carrying chessboards instead of beach towels, inspired by national heroes such as world champion Gukesh Dommaraju. From bustling metropolises to remote villages, chess in India now commands an enthusiasm comparable to professional basketball in the United States or Premier League football in England, with many families viewing it as a gateway to academic success and global recognition.

This modern chess boom is being quietly strengthened by Rotary clubs throughout India, which sponsor tournaments, collaborate with academies, and help widen access to the game. Their efforts support a growing ecosystem of elite training centers, frequent competitions, and pathways for talented players from disadvantaged backgrounds. Coaches and educators increasingly see chess as a tool not only for producing champions, but for sharpening memory, discipline, and critical thinking — benefits reinforced by research showing measurable academic gains among students who receive chess training.

The game's impact is illustrated through deeply personal stories. Chess has lifted players out of poverty, helped children focus and excel in school, and given young prodigies the confidence to compete on international stages. In Kerala's village of Marottichal, chess even helped replace a past marked by alcoholism and gambling with a shared culture of strategy and learning. For players with physical or mental disabilities, chess offers a rare level playing field, fostering confidence, independence, and purpose.

As India rises as a global chess power with a growing number of grandmasters and record-breaking young players, chess continues to prove its broader value. Beyond trophies and titles, the game teaches patience, resilience, and the importance of thinking ahead — lessons that extend far beyond the board and shape lives, families, and communities.

Winn Htun  
President 2025-2026

Dear Fellow Rotarians,

As we continue our journey in Rotary Year 2025–2026, the past weeks have been a meaningful reminder of the power of fellowship, collaboration, and shared purpose. As we moved further into 2026, our club was energized by activities that strengthened international ties and reaffirmed our commitment to service, leadership, and community engagement.

Last January 12, 2026, we warmly welcomed our Sister Club, Rotary Club of Lahaina, upon their arrival at Davao International Airport. This moment marked the beginning of a series of meaningful engagements that celebrated friendship across borders and reinforced the spirit of Rotary beyond geography. The warmth of the welcome reflected the strong bond we continue to build through international service and cultural exchange.

Our fellowship continued on January 22, 2026 during our 11th Luncheon Meeting held at Rekado Filipino Comfort Cuisine, where members and visiting Rotarians gathered to strengthen connections and share insights. On the same day, we conducted a Boystown Visit in Ma-a, Davao City together with our Sister Club, an activity that highlighted our shared dedication to uplifting lives and bringing hope to the youth through presence, compassion, and service.

The spirit of service carried on the following day, January 23, 2026, with our School Visits alongside RC Lahaina at Lampa Lapidan Elementary School, Lampa Lapidan National High School, and Dr. Santiago Sr. Dakudao National High School. These visits allowed us to connect directly with students and educators, reinforcing Rotary's commitment to education, inspiration, and community support.

These activities remind us that Rotary is at its best when fellowship leads to action and service is carried out with unity and heart. As we move forward, may we continue to strengthen partnerships, serve with intention, and uphold our guiding principle of Service Above Self, creating meaningful and lasting impact in every community we touch.

Together, let us continue building a Rotary year defined by friendship, purpose, and positive change.

Winn Htun  
President, Rotary Club of Davao 2025-2026

## The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

## Rotary Code of Conduct

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment.

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## Mission, Vision, and Philosophy

**Mission.** Maintaining the status of RCD as an institution in the family of Rotary International organizations and leaving a legacy of improved quality of life and livable community.

**Vision.** To contribute our time, resources, efforts to our community, and develop, share, nurture our future generations for love, friendship, and world peace.

**Philosophy.** "Service with Honor"

# Declaration of Rotarians in Business and Professions

As a Rotarian in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve.
2. Be faithful to the letter and the spirit of the ethical code of my vocation, to the laws of my country, and the moral standards of my community.
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation.
4. Be fair to my employer, employees, associates, competitors, customers, the public and all with whom I have a business or professional relationship.
5. Recognize the honor and respect due to all occupations which are useful to society.
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief to the special needs of others, and to improve the quality of life in my community.
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession.
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.
