COVER STORY

The Downtowners are committed to serve as they connect people who have less in life to a diverse group of professionals through Rotary's Six Areas of Focus, in their communities, sharing their talents, skills and resources without counting the cost. The children represents other countries in the world which Rotary connects and serve. RCDD plays an important role in helping ROTARY CONNECTS THE WORLD through it's humanitarian services, world understanding and goodwill.

Allow us Lord, to lift our prayer to you today before we start planning for the Governor's Visit. Let your spirit be our counsel and guide in what we are to think, say and do today. Let us not compromise the truth but uphold it at all times. May we seek only your will in our dealings with people especially with our Rotary leaders. Grant us your wisdom so that we may be wise in our decisions and actions. Bless us O Lord, that we may dedicate our efforts, talents and abilities for this nation and its people. Grant that our leaders may serve with integrity and sincerity, that they may be humble and dedicated servants in your kingdom here on earth. Amen

THE MISSION OF ROTARY INTERNATIONAL

PRESIDENT **L**IKES

By: **Ethel "Ethel" C. Caceres**
President, RY 2019-2020

Fellow Downtowners,

Every Rotary Year, the District Governor visits all Rotary clubs in the District. We have been scheduled on November, thus we are to make the necessary preparations to be ready for that very important visit. We have to follow certain guidelines imposed by the Governor. We are lucky to have our Assistant Governor in our club, AG/PP Marilyn "Bolyn" P. Puno to help us. Thank you for your kind assistance, AG Bolyn. I would likewise need the support and cooperation of all club members.

We are almost done with the projects to achieve our Plans and Objectives this Rotary Year. But there are yet much to be done. We are yet to finish what we started for the School we established at the Davao City Police Office (DCPO). We hope to be able to provide the needed water system, the signage and some other needs of the students which has increased this Year. We are to bring DG Philip N. Tan to the project site for his assessment and hopefully be able to turn over the 4 units computer.

Thank you!

*Life is too short to wake up in the morning with regrets
So, Love the people who treat you right
And forget about the ones who don't.
And believe that everything happens for a reason...*

*if you get a chance - take it;
if it changes your life - let it.
Nobody said that it would be easy.....
They just promised it would be worth it.*

What to wear to the airport

We've explored all the options for what to wear to the airport. Here are some suggestions for your next big trip.

by staff writers

Whether you travel frequently or have your first big trip coming up, deciding what to pack in your bag is only half the battle. You'll also need to figure out what you'll be wearing to the airport.

Airport Clothes: choosing an outfit based on your journey

It stands to reason that you'd choose a different outfit for a three-hour flight than you would for a flight to the other side of the globe. On a short flight, comfort is usually less of an issue. If you'll need to do a lot of walking to get from the plane to the pickup zone, you might want to wear comfortable shoes. Other than that, you won't really need to worry about dressing for comfort.

If you're going on a longer journey, comfort is a must! Airline seats are notoriously cramped, and being uncomfortable your entire flight will put a damper on the first day at your destination.

When deciding what to wear to the airport, you should choose clothing that can be easily layered. You'll have less stuff to lug around, and you can add or remove items as you move through different environments. This is especially important if you have a stopover in an area with different weather than the location you're headed for.

For example, let's say you're leaving on a flight from New York in the dead of winter. You're stopping over in Stockholm before heading for Bangkok. The weather in New York and Stockholm will likely be much cooler than the weather in Bangkok. Therefore, you'll need to layer a few items that you can peel off when you arrive.

Another important factor is the plane journey itself. Flights have the potential to be very stuffy or very cold depending on a variety of factors. If you're flying over the Pacific Ocean, your route may take the plane very far north, which can result in cooler cabin temperatures for a period of the flight. You'll need to make sure you have warm clothing for these types of scenarios.

Travel clothes for women

The boarding line at the airport gate doesn't require professional attire, but if you are heading straight to a meeting when you arrive, it's a good idea to wear something professional that is also capable of providing warmth for your journey.

To be continued.....

RCDD CONNECTS ROTARY TO THE WORLD

The commitment to the Rotary motto, SERVICE ABOVE SELF became a way of life for every Downtowner as their continuing programs and projects on the six (6) Areas of Focus, have served those who have less in life so they too can enjoy the world that Rotary dreams of.

RCDD prides itself to be consistent in its outstanding performance as a service club working towards perfection, without counting the cost. There were difficult times along the way especially on financial resources, and personal relationships. But undaunted, RCDD survived with flying colors, receiving awards and recognition year after year. RCDD has been blazing the trail and raising the bar for Rotary clubs in District 3860 since its charter year. A landmark achievement was made during RY 1998-1999 when RCDD bested all Rotary clubs in the District with a grand slam, winning all four (4) major district awards- "Most Outstanding Club, President, Secretary, and Club Bulletin". There was no turning back for RCDD. It has to forge on and get better and better each year in its service to humanity. The best genuine awards that the club has ever received are the happy smiles and expression of gratitude from the people it serves.

Chartered on February 23, 1993, as an all-women service club, by then RI President Robert R. Batch, RCDD articulated the Rotary theme, "Believe in What You Do, Do What You Believe In" through its projects on the children's and women's welfare and development, the elderly and the marginalized families in the community. The Charter Year was one great celebration as the whole Rotary world was then celebrating the 88th Foundation Anniversary of Rotary International, and RCDD became the 29, 258th Rotary Club all over the world. and the 79th club in District 3860. RCDD then was the second all-women club in Area 2.

RCDD was recognized as a one hundred (100%) percent Paul Harris Fellow Club as of RY 2011-2012. The following are major donors: Archie Francisco F. Gamboa and Rozanne C. Gamboa, level 3; Paulino and Edna C. Ko, level 2. Archie and Rozanne Gamboa were the lone District awardees during RY 2018-19, as a "Rotarian Couple Polio Plus Achiever", and RCDD as a "Polio Fund Club Achiever."

Some landmark projects of RCDD, deserving of the awards are the following:

1. The multi-purpose building named "Center for Hope" which houses the Day Care Center, the Medical-Dental, Pre-Natal and Health Clinic as well as a workshop for skills training as a source of livelihood for the marginalized families in two (2) barangays: Centro and Vicente Duterte at Agdao District, Davao City. This is also where RCDD's Rotary Community Corps Officers and members meet and hold their events and activities.
2. A Children's mini-library and Reading Center at the People's Park turned over to the City Government during RY 2009-2010. RCDD continues to conduct literacy training services to the children, such as story-telling, book donations, and gift-giving.
3. The Shelter for Abused Women and Children to house victims of domestic violence and abuse, turned over to the Police Regional Office II Women and Children

Protection Department, during RY 2014-2015. Support services are continued by RCDD every year.

4. Construction of Comfort rooms and handwashing stations in public Elementary and Secondary Schools in Davao City as needed and/or requested.
5. Donation of hospital beds and facilities to the PNP-PRO II Hospital at Camp Quintin Mericido, Catitipan, Davao City during RY 2014-2015, a continuing project of the club.
6. Wheelchair donations to the patients of the Calinan Medical Center.
7. The Annual Pink October (Breast Cancer Awareness) projects for a Health Forum, free breast screening, mammogram and breast ultra-sound services.
8. The annual Tri-Medical Missions (free Medical-Dental, Eye Health Care and Pre-Natal Clinics) conducted every Charter Anniversary.
9. A 2-storey structure housing four (4) classrooms for children in conflict with the law and out-of-school youths who are scholars of the Davao City Police Office, a part of the city's Project "Operation Kalinaw". Partnership was forged with the Rotary Club of Camp Crame, Philippine Military Academy Sinagtala Class '86, the Philippine National Police-PRO II, and the Davao City Police Office. It was likewise partially funded by The Rotary Foundation. Other generous donors contributed to the project.

RCDD started as an all-Women service club, until RY 2018-2019 when it marked its 26th Year with another milestone as it inducted two distinguished gentlemen, converting the club from an exclusive all-women Service club to a mixed gender club, in response to the challenge of Rotary International. The two new gentleman Downtowners are: Paulino B. Ko, a successful businessman who leads a Band called Recto Rhythm, and Archie Francisco F. Gamboa, a high-ranking 3-star General of the Philippine National Police. Police Deputy Director General Gamboa is currently the Chief of Operations of the Philippine National Police in Camp Crame, Quezon City. He is also a lawyer, therefore, has reviewed and helped prepare the Amended Constitution and By-Laws of RCDD before finally ratified by the general membership during RY 2018-2019. Archie, as he is fondly called by fellow Downtowners, is among the fifty (50) individuals around the world who received the "Rotarian Spouse Award" in Rotary Year 2016-2017.

The Downtowners meet every Wednesday at noontime at the Grand Men Seng Hotel along A. Pichon Street, Davao City. They come in their official green blazers during special and important occasions, and share the presence of each other as a gift of friendship and life. They come together to share ideas and thoughts, aspirations and dreams, giving to the other, and accepting from each other the far deeper realities of life, making their own lives richer and more meaningful.

The Rotary Club of Downtown Davao, under the leadership of this year's President Ethel Chavez-Caceres with her Champion Team, will continue to plant the Rotary seeds of Goodwill and Service in every Community it reaches out, making a difference in the people's quality of life, and continue to be an Inspiration as it connects Rotary to the world!
