## Prayer

Compassionate and loving God, thank you for giving us the opportunity to be together through virtual meetings this RY 2020-2021. Grant us the spirit of love, peace and joy so that these virtues may give us the strength to continue serving others despite difficult times. Thank you for the gift of online opportunities that connect us with others and for others to connect with us, just like our speakers today, Ms. Alaiza Malinao and Mr. Jojo Rom who will be sharing their advocacy and expertise on Food Security and Urban Container Gardening. Bless us all with the wisdom to learn from them so we may be able to impart to others the knowledge and skills needed to support themselves during these uncertain times. We pray that you protect us and our families from all kinds of danger and help us to be instruments of peace and love to help make this world a better place to live in. Let every endeavor we undertake be a testimonial and witness to your Greatness and omnipotence. Amen.

### THE MISSION OF ROTARY INTERNATIONAL

We provide service to others, promote integrity and advance world understanding, goodwill and peace through our fellowship of business, professional and community leader.

4. Will it be **BENEFICIAL** to all concerned?

### CORE VALUES

Service, Fellowship, Diversity,  
Integrity and Leadership

## COVER STORY

"EAT RIGHT AND BE HEALTHY! July is Nutrition Month, and the Rotary Club of Downtown Davao encourages all to always have nutritious food on their tables for the family to be strong and healthy to be able to fight Corona virus 19. To do so, RCDD advocates urban gardening and urban farming, where the family can be assured of healthy vegetables and fruits fresh from their home gardens."

By: **Myla P. Cocon**  
President, RY 2020-2021

## Good day fellow Downtowners!

Welcome again to RY 2020-2021 with the theme, "Rotary Opens Opportunities"! I feel blest as your club President, because I have a team of young Officers and Directors, who are ready to face the challenges of a New Normal. Together with our seasoned senior Officers, we know we can do it! RI President Holgen Knaack, in his Message of January 20, 2020, said, "Let us not let rapid change defeat us. . .we will capture this moment to grow Rotary, making it stronger, more adaptable, and even more aligned with our core values." We therefore, have to be creative in changing our approaches to achieve our goals. We are the Transforming Team, and with shared values, personal integrity, friendship and networking, we can make our club, the Rotary Club of Downtown Davao, grow in membership as well as in performance, articulating the Rotary motto, SERVICE ABOVE SELF! We started the year with a big bang of innovations, starting with our first virtual meeting via zoom, new barkadahan, new club bulletin, and new plans and programs for the Year. As a kick-off project, we distributed masks and bottles of alcohol to the Tricycle Operators and Drivers Association in some barangays. Today, we launch our project on Food Security to be able to give others the opportunity to help themselves as they produce their own food while staying at home. We are grateful to Ms Alaiza Manilao and Mr. Jojo Rom for taking time to share with us their advocacy and expertise in urban farming and container gardening. Rotary will not be all work, because there will always be Fellowship and fun while serving others. Of course, there will always be GOD in everything that we think, say and do. To God be the Glory.

# Downtowners in Action

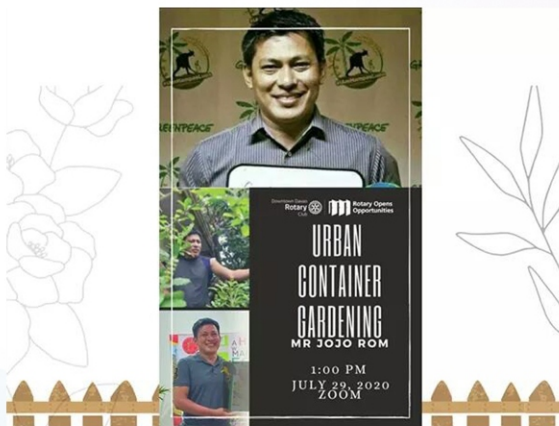

By: **Rtn. Alstair Rey L. Tecarro Jr.**

A garden is a grand teacher. It teaches patience and careful watchfulness; it teaches industry and thrift; above all it teaches entire trust. It requires patient labor and attention. Plants do not grow merely to satisfy ambitions or to fulfill good intentions. They thrive because someone expended effort on them.

The Rotary Club of Downtown Davao and the Rotaract Club of Downtown Davao -Tecarro College Foundation successfully conducted the webinar on Urban Container Gardening with Mr. Jojo Rom, The Father of Urban Container Gardening in the Philippines. He said that having more plants in their house gives them more fresh air, and that gardening has become his way to exercise and contribute to the clean and green program of the city.

Thank you to all who attended the webinar especially to Assistant Governor Val Dionisio of Area 2C of District 3860, Rotaractor of Downtown Davao-Tecarro College Foundation, Rotaract Club of Balintawak, District 3780, Rotaract Club of Metro Mauban, District 3820, and Rotaract Club of Talakudong District 3870.
