Prayer

Dear Almighty and ever-loving God, we glorify and thank You for this wonderful opportunity for us to virtually gather during this breast cancer awareness month. We thank You for all the blessings you have bestowed upon each one of us. Merciful and compassionate God, we are truly grateful.

We are also grateful for the presence of our medical speakers who will share their knowledge to inform us of the latest updates of this illness and its treatments. We hope to be inspired also of the testimony of our breast cancer survivors, and learn the impact and effect of COVID 19 to breast cancer patients and their families. We ask You dear God to bless each one of them.

We pray that YOU will continue to bless each one of us, including our donors for this event. May this webinar be an opportunity for us Rotarians to continue opening doors to spread awareness of breast cancer to all, and for all time. AMEN.

PRESIDENT **L**IKES

By: **Myla P. Cocon**
President, RY 2020-2021

Good afternoon!

The whole world celebrates Breast Cancer Awareness every month of October. The Rotary Club of Downtown Davao has started spearheading this advocacy since October 6, 2012. In partnership with the Davao Association for Cancer Awareness, Inc. Medical services such as free breast screening and mammography, together with a Health forum and Zumba physical fitness activities, has been physically open to the public. But due to the COVID-19 pandemic, we cannot do all these to observe health protocols.

Our health forum today is a Webinar via zoom, and the Zumba physical fitness activity limits the number of participants to observe social distancing. Others can still join via zoom.

The growing incidence of breast cancer is alarming, thus this annual campaign to increase awareness of the disease. There are important aspects of the disease that one needs to know, how to deal with its diagnosis and the kind of treatment needed. Most important to know is the impact and effect of COVID-19 to the patients and their families in quarantine.

We are grateful to our medical experts, husband and wife team, Dr. Loi Solomon Garcia, FPSMS and Dr. Ma. Cecilia Pagdanganan-Garcia, DPBS, FPCS, who are so generous to share their precious time with us for our resource speakers. Surely we will be learning a lot from them. Inspiring testimonies of a mother and son team, will be shared by our suki Ms. Bibeth and this time with her son Rafa, who will give his personal experience of having a member of the family struggle in her fight against the disease, and survived. We too have with us a newly diagnosed patient, a policeman, PSMS. Leonardo Dumapig. Please help me welcome them all.

We likewise warmly welcome our dear District Governor Rodel Riezl SJ Reyes, who has bravely and graciously physically joined us here at the venue despite of the pandemic. We likewise would like to welcome all other district officers of RI District 3860, club presidents, Rotarians, guests and friends who are either with us in person and virtually joining us via zoom. Thank you so much! Your kind support inspires us to do more for a cause.

At the end of the day, I hope we can still all be together for the Zumba physical fitness fun dancing. Again, welcome all and enjoy today's learning experience and we do wish we could be of help in giving hope to those afflicted by the disease, knowing that there is good life beyond breast cancer.

Thank you and be safe and healthy!

FAMILY OF ROTARY

By: Ethel C. Caceres

"Trees exhale for us so that we can inhale them to stay alive. Can we ever forget that? Let us love trees with every breath we take until we perish." -Munia Khan

Trees have long been a subject of interest and a topic of discussion - and it's no wonder; they represent life, growth, peace, and nature.

Trees provide us with many benefits necessary for survival, including clean air, filtered water, shade, and food. They also give us hope and insight, and courage to persevere – even in the harshest conditions. Trees teach us to stay rooted while soaring to great heights.

The Rotary Club of Downtown Davao together with Rotaract Club of Downtown Davao Tecarro College Foundation joined the Area 2 Tree Planting Activity on October 03, 2020, Barangay Marahan, Marilog District, Davao City. This Activity is in support to the new area of focus of Rotary - Supporting the Environment and in End Polio Now Campaign.

Together, We Connect.
Together, We Transform.
Together, We Open Opportunities.

Rotary's "monumental contribution" to polio eradication recognised in PMQs

Rotary's "monumental contribution" to global efforts to eradicate polio was celebrated in today's #PMQs.

Rotary members, volunteers and supporters around the world have raised over \$2 billion in the global fight to eradicate the disease, which has helped to immunise and protect over 2.5 billion children around the world.

Following the news earlier this year that the WHO's Africa region is now wild polio-free, just two countries, Afghanistan and Pakistan, remain polio-endemic.

After over three decades of work and collaboration, ending polio forever remains Rotary's number one humanitarian goal.
