Snippets from Psalm 37

The Lord guides the steps of a man  
and makes safe the path of the one he loves.  
Though he stumble he shall never fall  
for the Lord holds him by the hand.  
See the just man, mark the upright,  
for the peaceful man a future lies in store,  
but sinners shall all be destroyed.  
No future lies in store for the wicked.  
The salvation of the just comes from the Lord,  
their stronghold in time of distress.  
The Lord helps them and delivers them  
and saves them: for their refuge is in him.  
You proclaimed the poor to be blessed, Lord Jesus,  
For the kingdom of heaven is given to them.  
Fill us generously with your gifts.  
Teach us to put our trust in the Father  
And to seek his kingdom first of all  
Rather than imitate the powerful and envy the rich.  
Lord Jesus with Your Holy Spirit and Our Father  
We wait for You to lead-linen follow in Your way.  
Amen.

A pleasant afternoon to all!

Thank you for joining us this afternoon to witness the turning over of the Alternative Learning System (ALS) Scholarship Voucher for 100 DepEd scholars this school year 2020-2021. This is made possible through an online learning system facilitated by the Solar Learning Company from Manila, which we now consider our partner-in-service in our Educational projects. This is indeed another milestone for the Rotary Club of Downtown Davao, as our major contribution in the Area of Focus in Basic Education and Literacy, when face to face classes cannot be possible during this time of the pandemic. Even after the pandemic, this will continue to give easy access to education for those who cannot afford a formal education in schools, particularly the out-of-school youth.

The Department of Education, Region XI, and the City Government of Davao have been our partners-in-service since our Charter Years in the club's service projects for the children's development and welfare. Thank you so much for your continuing support!

This scholarship vouchers for an Alternative Learning System or ALS is funded by the Rotary District Fund granted to the club through the kind and generous assistance of District Governor Rodel Riezl SJ. Reyes who is with us today. These are just the initial scholarship vouchers. More will be coming from Rotary. We are indeed grateful!

A Warm Welcome To All, and Thank you!

By: Ethel C. Caceres

Clean Water is a basic human right that many are often denied. During March, Rotary Water and Sanitation Month, we are celebrating our commitment to create healthier communities by supplying clean water and sanitation facilities. But because of the health crisis the world is facing today, Rotary responds to this urgency.

The Rotary Club of Downtown Davao, Rotary Club of East Davao and The Rotary Club of West Davao combined resources together with our sponsors RDL Pharmaceutical, Inc and major sponsor PENDA Inc. We partnered with Architects, Plumbers, Engineers, (APE, Inc.) Davao Backliners and Mindanaoan Artist Kublai Millan to produced a state of the Art " HUNA-HUNAW ART SINKS"

Together, we made this 50 Handwashing sinks to benefit the Davao City community. Thank you to our acting Mayor Sebastian "Baste" Z. Duterte for personally accepting our humble donation. Thank you to our District Governor Rodel Riezl SJ. Reyes for always supporting our projects.

## Message From the Governor Rodel Riezl SJ Reyes RC Downtown Davao Turnover of Scholarship Voucher to ALS Scholars

To our generous sponsor and partner in service, Solar Learning Corporation headed by its Chairman William Y. Tieng with his executives present this afternoon.

To our happy and appreciative recipient from the Department of Education headed by its School Division Superintendent, Dr. Reynaldo Guillena with key officials from DEP-ED who are with us this afternoon.

To Pres. Myla P. Cocon, officers and members of the Rotary Club of Downtown Davao who conceptualized and facilitated the funding of this project, beautiful ladies of RC Downtown Davao.

To all our stakeholders and Learners

A pleasant afternoon to all..

Rotary is dedicated to six areas of focus to build international relationships, improve lives and create a better world to support our peace effort. And one of the six areas of focus is "Basic Education and Literacy". Our goal is to strengthen the capacity of communities to support basic education and increase adult literacy.

How do we make this happen?

We take action to empower educators to inspire learner t all ages. This can be through students mentoring program, teacher training and adult literacy.

This worthy undertaking this afternoon is about Rotary's support to adult literacy through the Alternative Learning System of the Department of Education (DEP-ED).

Let me share with you these facts:

- If all women completed primary education, there would be 66% fewer maternal deaths
- A child born to a mother who can read is 50% more likely to survive past the age of five
- If all students in low-income countries left school with basic reading skills, 171 million people could be raised out of poverty, which would be equivalent to a 12% cut in world poverty.

Rotary supports activities and training to improve education and literacy for children and adults by:

- Involving the community to support programs that strengthen the capacity of communities to provide basic education and literacy to all;
- Increase adult literacy in communities;
- Working to reduce gender disparity in education;
- Supporting studies for career-minded professionals related to basic education and literacy.

The Rotary Foundation considers activities targeting the following to be within the scope of the basic education and literacy area of focus:

- Access to quality basic primary and secondary education;
- Educating adults in literacy;
- Providing training in teaching literacy, curriculum development, and school administration;
- Strengthening educational experience through improved materials and facilities;
- Community management of education systems;
- School desk purchases, when accompanied by a detailed and verifiable plan to improve basic education and literacy;
- Scholarships for graduate-level study in programs related to basic education and literacy.

This worthy undertaking this afternoon is about Rotary's support to adult literacy through the Alternative Learning System of the Department of Education (DEP-ED).

Our heartfelt gratitude to Solar Entertainment Corporation most especially to sir William Tieng for your generosity by producing the learning strands, educational videos of Dept. of Education for beneficiaries to learn through your TV Channel

My sincerest thanks to the Rotary Club of Downtown Davao, pres. Myla, PAG Twinkle Gamboa, the Officers and most especially to sister Patmei B. Ruivivar for initiating this collaborative undertaking. Nothing can stop your Club and Rotary in general to address the needs of our community.

To Dr. Rey Guillena, sir we trust that these scholarship grant will benefit the most deserving adult learners so that we can reduce the number of adult illiteracy in Davao Region and enhance their knowledge to support future livelihood opportunities.

Indeed, Rotary Opens Opportunities this afternoon for 100 adult learners with this scholarship from The Rotary Club of Downtown Davao.

It Opens endless opportunities for us all to ensure that these adult learners will get access to adult learning that they all deserve.

My sincerest congratulations to all, that this partnership with Solar Entertainment and Rotary Club of Downtown Davao has come into fruition.

Good afternoon to all.
