ROTARY INFORMATION

About Community Service

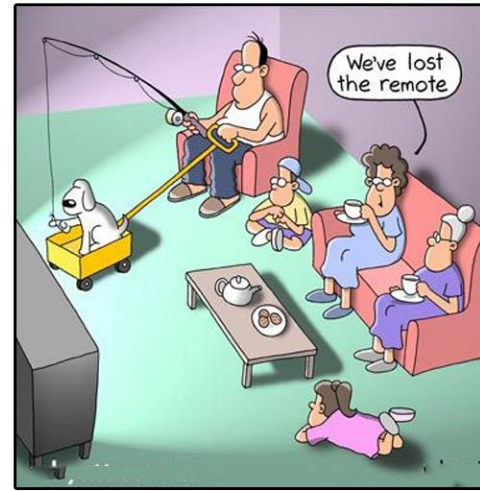

(from Rotary International Facebook Page)

A community, defined in its simplest terms, is a group of people who have something in common. But in real life, it is something far more complex --each member — every individual, group, organization, and business — draws benefits from the community in many different ways.

Rotarians recognize the importance of giving back to the community. Every Rotary club assumes a responsibility to find ways to improve the quality of life for those in their communities and to serve the public interest. When those efforts are effective, they do not only contribute to the greater good, they also promote Rotary's positive image.

What makes a community service effort effective? -- RELEVANCE.

A community service project must address a real, current community concern or issue. Rotary clubs should start by surveying their communities to find out where help is needed. Once a club has listened to its community, it can begin to envision effective responses to problems.

AN OLD MAN goes to a church, and is making a confession:

Man: "Father, I am 75 years old. I have been married for 50 years. All these years I had been faithful to my wife, but yesterday I was intimate with an 18 year old."

Father: "When was the last time you made a confession?"

Man: "I never have, I am Jewish."

Father: "Then why are telling me all this?"

Man: "I'm telling everybody!"

A WIFE COMES home late one night and quietly opens the door to her bedroom. From under the blanket, she sees four legs instead of just her husband's two.

She reaches for a baseball bat and starts hitting the blanket as hard as she can. Once she's done, she goes to the kitchen to have a drink.

As she enters, she sees her husband there, reading a magazine. He says, "Hi darling, your parents have come to visit us, so I let them stay in our bedroom. Did you say hello?"

TEACHER: "If I have 5 bottles in one hand and 6 in the other hand, what do I have?"

STUDENT: "A drinking problem."

THREE BABIES ARE in their mother's womb.

One of them says, "I want to be an artist so everyone knows what it looks like in here."

The next one says, "I want to be a swimmer because I get so much practice in here."

The last baby says, "I'm going to be a hunter because if that snake comes in here and pokes me again, I'm going to chop that thing in half!"

RCDN PRESIDENT NILO BARANDOG together with the the other Rotary Club Presidents of Area 3D during the Relief Operations last December 30, 2021. Under his presidency, President Nilo successfully launched a number of projects and activities during the first semester. He has also represented the club in all AREA 3D Projects which requires coordination and cooperation with other Club Presidents.
