DEFINITION OF ROTARY

How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities.

In 1976 the Rotary International Board of Directors was interested creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relation Committee and requested that a one-sentence definition of Rotary be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional person united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

ROTARY INFORMATION

What does diversity mean for our organization?

RI President-Elect Jennifer Jones Speaks...

www.rotary.org

There is diversity in our Rotary world, but is there diversity in our own most immediate sphere, our own clubs? When we have diversity of thought, diversity of age, diversity of culture, diversity of gender, diversity of vocation, we bring that to the table. That is our secret sauce. That's what allows us to solve things in ways that others can't. We're looking at it through that kaleidoscope of experience that we bring to the table.

There are going to be clubs that say, "No, we're good. We've got diversity figured out." And maybe they do and maybe they don't. But I think we are uniquely poised as an organization at this time in history to be the honest brokers of these kinds of conversations. Because we're nonpolitical and nonreligious, we have the ability to host this type of dialogue and do it in a safe space where we respect each other.

Q: Why was the lawyer skimming the Bible right before he died?

A: He was looking for loopholes!

THREE DOCTORS ARE discussing which types of patients they prefer.

Doctor Watson says, "I prefer librarians. All their organs are alphabetized."

Doctor Fitzpatrick says, "I prefer mathematicians. All their organs are numbered."

Doctor Ahn says, "I prefer lawyers. They're gutless, heartless, brainless, spineless, and their heads and rear-ends are interchangeable."

AN OLD LADY rushed into the police department and claimed she was raped. When asked what the guy looked like, she said she didn't know, only that he was a contractor.

When asked how she knew that, she yelled, "All he could say was, 'I'm coming! I'm coming!' and he never finished the job."

AN ORGANIZATION IS like a tree full of monkeys, all on different limbs at different levels. The monkeys on top look down and see a tree full of smiling faces. The monkeys on the bottom look up and see nothing but assholes.

A MAN AND a woman were having sex. After they were done, the man asks the woman, "Are you a nurse?" The woman answers, "Yes. How did you know?" The man replies, "Because you took care of me so well." Then the woman asks the man, "Are you an anesthesiologist?"

He says proudly, "Yes. How do you know?" The woman answers, "Because I didn't feel a thing."
