The Strength of Togetherness

ROTARIAN ACE VINCENT TIMTIM

UNITY IS THE idea of coming together as one. Just like how strands of rope are weaved together to form a stronger rope, when people unite, they

In our daily lives, we see the power of unity in various ways. Think about a team in sports. Even if each player is talented, they can't win unless they work together, understanding each other's strengths and weaknesses. They share a common goal - to win the game - and they support each other to reach that goal. This shows that unity isn't just about being together, but about working together for a shared purpose. That is an observation I have made, based on the first outreach I have attended in Zamboangita and the blood drive, the impact is bigger and we do more for the community when we are united with the same purpose - and that is to serve.

In conclusion, we as brother Rotarians when we are united we are an unstoppable force. It's about coming together, working towards a common goal, and valuing the strengths that each person brings. Whether in a team, a community, unity helps us achieve great things, reminding us that we are always stronger together than we are apart.

PRESIDENT'S MESSAGE

Pres. JOSEPH V. TUMACOLE

RCDN Hope Creating President RY 2023-2024

To my fellow brother Rotarians, a pleasant evening to all.

Tonight, I stand before you as your President of the Rotary Club of Dumaguete North for the Rotary Year 2023-2024. Please allow me to share a message of hope in unity. In times of uncertainty and challenges, it is essential for us to come together as one, to rise above our differences, and to embrace the strength that lies in our diversity. Together, we can sustain a brighter future for our club and render utmost service to our communities.

As we look back, we saw our club grappling with sensitive administrative issues and conflicts. It is easy to become disheartened and divided. But history has shown us that it is in these moments that we must stand together and show the true spirit of Rotary.

Unity does not mean conformity. It means finding common ground, respecting each other's point of view, and find solutions that will benefit all. It means acknowledging that our diversity is our greatest asset and that by coming together, we can achieve extraordinary things. We have faced adversities before and everytime, we have emerged stronger. Our ability to unite in times of crisis have defined us as a club of Rotarians. Let us draw upon that resilience and use it to overcome the challenges that lie ahead.

It is my firm belief that hope lies in our unity. By working together, we can address the pressing issues of our club and our communities. Our unity empowers us to create hope and positive change, to stand as a beacon of light in communities deprived of sufficient access to environmental justice, physical and mental health, protection of women and children, disease prevention and such other basic services.

As your President for Rotary Year 2023-2024, I am committed to foster an environment that will encourage dialogue, understanding and collaboration. I will strive to build bridges between communities, governmental units as well as non-governmental organizations, to promote empathy, and to embrace the strength that comes from our shared goals.

Let us remember that the true spirit of Rotary is anchored on the belief that together, we are stronger. As we face this Rotary Year, let us be guided by the principles of hope, service above self, compassion, unity and most importantly, the FOUR WAY TEST. Let us stand together and face the challenges that lie ahead, knowing that as one Rotary Club, we can overcome anything. May hope in unity be our guiding light, illuminating the path towards a better tomorrow for all.

Thank you, and may God bless the Rotary Club of Dumaguete North.
