

ROTARY INFORMATION

WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

A Rotary Christmas

by Rotarian Todd Timothy Smith

The most precious gift is time, for when you give your time, you are giving a part of yourself and a part of your life to others. One of the defining attributes of Rotarians is the selfless giving of their time in the service of their communities.

This is particularly true this Christmas. On behalf of all the members of RCDN, I would like to extend our heartfelt thanks to the participants in our benefit concert "Christmas Dine for a Cause". You have worked tirelessly to perfect the choral and dance presentations and I'm sure they will be a great success.

As they say in show business "Break a leg!". I would also like to thank the RCDN committee members who worked behind the scenes to provide all the logistics to make it happen. And a special recognition and thanks to our musical director PP Rafael Orilliana, without whom the concert would not have been possible. With the proceeds of "Christmas Dine for a Cause", RCDN members can continue to provide services to our community throughout the coming year. Well done Rotarians! Rotary wheels are turning.

A Merry Christmas to you all.

THE ROTARY HYMN

I want to be a Rotarian for the world
 Make the Rotary flag as a flag of
 peace unfurled;
 I shall serve my community,
 Help achieve universal unity
 Through Rotary, I shall dedicate my all,
 World understanding shall be my
 cherished goal.
 REFRAIN: With the Four Way Test
 I'll pursue my quest
 And if I, in a way help obtain
 Peace in the world
 I shall not have lived
 in vain.

I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.
 (REFRAIN)
 Build a bridge for tomorrow's youth,
 Strengthened by nothing but the truth
 Let's join our hands, there's no reason to divide.
 We shall all understand, while the good Lord is
 our guide. (REFRAIN)
 CODA: Peace be achieved,
 We shall not have lived in vain.

About **Stephanie A. Urchick**

Urchick holds a doctorate in leadership studies from Indiana University of Pennsylvania. A Rotary member since 1991, Stephanie has served Rotary in many roles and capacities. Her service includes building a primary school in Vietnam; installing water filters in the Dominican Republic; mentoring new Rotary members in Ukraine; coordinating a Rotary Foundation grant project in Poland; and leading efforts to formulate and adopt Rotary's Action Plan, a strategic road map that will help bring even more people together to create lasting and positive change in an evolving world.

ROTARY'S CLASSIFICATION PRINCIPLE

Virtually all membership in Rotary was based upon a "classification." Basically a classification describes the distinct and recognized business or professional service which the Rotarian renders to society.

The principle of *Rotary classification* is somewhat more specific and precise. In determining the classification of a Rotarian it is necessary to look at the "principal or recognized business or professional activity of the firm, company or institution" with which an active member is connected or "that which covers his principal and recognized business or professional activity." It should be clearly understood that classifications are determined by activities or services to society rather than by the position held by a particular individual.

It is the principal and recognized activity of a business or professional establishment or the individual's principal and recognized business or professional activity that determines the classification to be established and loaned to a qualified person. For example, the permanently

employed electrical engineer, insurance adjuster, or business manager of a railroad company, mining company, manufacturing concern, hospital, clinic, etc., may be considered for membership as a representative of the particular work he or she may be doing personally or as a representative of the firm, company, or institution for which the professional service is being done.

The classification principle also permits business and industries to be separated into distinct functions such as manufacturing, distributing, retailing and servicing. Classifications may also be specified as distinct and independent divisions of a large corporation or university within the club's territory, such as a school of business or a school of engineering.

Though the classification principle is not as dominant as it once was it is still important that we make an effort to assure that each Rotary club represents a cross section of the business and professional service of the community.
