## **ROTARY INFORMATION**

#### WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

#### **OUR MISSION**

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

#### **VISION STATEMENT**

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

# Rotarians are God's instrument of help

#### by ROTARIAN RODELIO SOLON

Immediate Past President/ New Generations & Vocational RY 2025-2026

Sometime in the year 1990, a very strong typhoon was forecast to strike a certain area. In one barangay, a nun, a devout and faithful Christian, preached inside a chapel that the typhoon would not harm the faithful, for God would surely protect and help them in times of crisis.

When the typhoon came, its winds howled and the rain poured relentlessly, causing severe flooding. The residents began to evacuate, but the nun chose to stay in the chapel, praying for divine help. As the water rose almost to the ceiling, she climbed onto the roof and continued to pray.

Soon, a fisherman in his banca paddled by and urged her to come with him to safety. The nun declined, saying, "God will not forsake me. He will help me." The fisherman left, and the water continued to rise, now reaching her feet. A navy boat came and called out for her to climb aboard. Again, she refused, saying the same words: "God will not forsake me."

When the floodwaters were already at her neck, a rescue helicopter hovered above, dropping a rope ladder. Still, she refused, insisting that her faith in God's saving power would be enough. Eventually, she drowned.

When she reached heaven, the nun tearfully

asked, "Lord, why did You let me die? I prayed and trusted You would help me!" God gently replied, "My precious daughter, I sent you a fisherman, a navy boat, and even a helicopter, but you refused my help. I used them to save you, yet you did not see My hand working through them."

The Moral: God may not personally appear to help us in times of crisis, but He surely helps us through others. He moves hearts, inspires compassion, and sends people to be His hands and feet on earth.

Today, as we witness the devastation brought by Typhoon Tino on November 4, 2025, this story reminds us that we, as Rotarians, are called to be God's instruments of mercy and hope. Many families have lost their homes, livelihood, and even their loved ones. We may not be able to replace what they have lost, but we can share our blessings and extend our hands to them.

Through our collective effort, resources, and compassion, may we be the fisherman, the navy boat, and the helicopter sent by God, to lift others from despair and restore their faith in humanity.

For indeed, when we serve those in need, we serve God Himself.

# Confronting Ignorance: A Call to Action for Rotarians

#### RTN. MAXIMINO TENORIO JR.

Club President RY 2025-2026

According to The Philippine Star (November 1, 2025), in the article titled "Functional Illiterate Pinoys Reach 24.8 million," the Second Congressional Commission on Education (EdCom) reported that the number of functionally illiterate Filipinos has grown from 14.5 million to 24.8 million in just thirty years. This alarming increase persists despite massive education reforms and the restructuring of government agencies.

Since 1982, the Department of Education's mandates have ballooned—covering 21 laws on curriculum and teaching, 10 on culture and civics, 18 on health and safety, and hundreds of laws establishing or converting schools. As Secretary Angara noted, "If we fully fund all of these education-related laws, it would cost over a trillion pesos." Yet despite these efforts and investments, millions of Filipinos still struggle to read, write, and think

Even more concerning is the moral dimension of this crisis. A recent survey revealed that seven out of ten Filipinos are indifferent to corruption, while only three strongly oppose it. This apathy reflects not only a failure of education but a failure to form conscience and civic responsibility.

As Rotarians, this is where our mission becomes most vital. Rotary's commitment to Basic Education and Literacy is not just about teaching children to read or count—it is about empowering communities to think, to discern, and to act with integrity. Through our literacy programs, mentorship initiatives, and partnerships with schools and local governments, we can help reverse this growing tide of ignorance and indifference.

Rizal's words challenge us today: our greatest enemy is not foreign domination, but the ignorance that weakens our nation from within. Let us, as Rotarians, continue to be champions of enlightenment—guiding our youth toward knowledge, truth, and service above self.

NORTHERN LIGHT NORTHERN LIGHT
