

WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Understanding the  
Paul Harris Fellow Recognition

by GREGORY JAMES KONKE  
Special Projects Director  
RY 2025-2026

The Paul Harris Fellow Recognition stands as one of Rotary International’s most esteemed honors. It is awarded to individuals, Rotarians and non-Rotarians alike who embody Rotary’s ideals through service and generosity. This distinction is traditionally given to those who contribute USD 1,000 to The Rotary Foundation (TRF), whether as a direct donation or through a contribution made in their name.

Importantly, TRF continues to subsidize half of this amount, meaning a Rotarian may become a Paul Harris Fellow for a personal outlay of only USD 500. Recipients are presented with a

medallion symbolizing their commitment to “Doing Good in the World.”

As the charitable arm of Rotary International, The Rotary Foundation advances global service through grants that support humanitarian projects, educational initiatives, peacebuilding programs, and more. Contributions to TRF directly help communities across the world.

Paul Harris Fellow Levels

Rotarians may continue to elevate their recognition level by accumulating additional contributions. The “Paul Harris +” levels are represented by a pin adorned with stones corresponding to total giving:

- PHF +1 – USD 2,000 to 2,999.99 (one sapphire)
- PHF +2 – USD 3,000 to 3,999.99 (two sapphires)
- PHF +3 – USD 4,000 to 4,999.99 (three sapphires)
- PHF +4 – USD 5,000 to 5,999.99 (four sapphires)

Foundation Recognition Points  
Donors earn Foundation Recognition Points equal to every dollar they contribute to the Annual Fund, PolioPlus, or approved global grants. These points may also be transferred to other individuals as an opportunity often used to help fellow members or loved ones achieve Paul Harris Fellow status.

## THE ROTARY HYMN

I want to be a Rotarian for the world  
Make the Rotary flag as a flag of  
peace unfurled;  
I shall serve my community,  
Help achieve universal unity  
Through Rotary, I shall dedicate my all,  
World understanding shall be my  
cherished goal.

REFRAIN: With the Four Way Test

I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived  
in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.  
(REFRAIN)

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is  
our guide. (REFRAIN)

CODA: Peace be achieved,  
We shall not have lived in vain.

## MESSAGE

RTN. MAXIMINO TENORIO JR.  
*Club President*  
*RY 2025-2026*

Almost every year the Filipinos suffer from different deadly calamities - volcano eruptions, earthquakes, typhoons and even from man-made tragedies. Among the active volcanoes in Philippines are Taal volcano in Batangas and Canlaon volcano in Negros Island. Currently, Canlaon volcano is more dangerous than Taal Volcano. With the current volcanic activities of Canlaon volcano, many residents were evacuated from the danger zones and brought to evacuation centers – leaving their homes and affecting their livelihood.

Earthquakes are even more deadly. Recently, earthquake in Cebu with 7.3 magnitude killed more than a hundred people - buried under the rubble. This left people homeless and kept people afraid of going back to their homes due to the frequent aftershocks.

Due to its location to the Pacific typhoon belt, the Philippines experience typhoons several time in a year. Recently, Negros Island and neighbouring province have been hit by Typhoon Tino. This too affected the lives of many people. Houses were uprooted, also leaving people homeless and some were caught and killed in flash floods. These calamities hinder the economic development of our country. But these are

man-made calamities. While most calamities do not happen by design – it can be controlled. With the advancement of human civilization – we can definitely control the effects of disasters – whether man-made or natural. Advanced infrastructure projects can definitely mitigate the casualties and effects of these disasters.

Our citizens would have been better prepared from strong winds and heavy rains, had flood control projects were properly implemented. The casualties would have been lesser if not none at all. Unfortunately, these projects are either sub-standard or does not exist at all – the so-called ghost projects. Our government had made efforts to investigate these corrupt practices – with the creation of the Independent Infrastructure Commission – a number of these projects were discovered – and we have to show support to the investigating body. Once the people behind these crimes are put to jail, and the stolen money is returned – it could bring about a major change in our country.

Let us unite in the fight against graft and corruption. If we will not do it now, our grandchildren and the generations to come will blame us. It is not too late. We can still make our country progressive and free from evils in the government.

11092025 - Torrential rains, strong winds and the sight of the devastation welcomed RCDN Rotarians and Spouses, as the club entered the typhoon-hit Canlaon City last November 9, 2025 and delivered relief goods to the typhoon victims at Brgy. Panubigan, Canlaon City.
