ANNIVERSARY**

JOKE

What?

Two women were seated facing each other while waiting for a bus.

“I’m sorry,” the first woman spoke, “but I’m a little hard of hearing. Could you speak louder, please?”

“I didn’t say anything at all,” replied the second woman, “it’s time for you to wear glasses. I have mine on.”

PRAYER

Almighty God

You have never abandoned
Your people. Look upon us with
mercy and love.

In the face of disunity, make us
one. In the face of violence,
make us choose peace. In the
face of lies, make us seek the
truth. In the face of personal
selfish interests, Help us work
for the common good. In the
face of anarchy, make us up-
hold the law. In the outbursts of
feelings and emotion, May rea-
son always prevail.

Lord, show us the way to genu-
ine conversion that begins in
our hearts, in the hearts our
leader, and in the hearts of all
Filipinos.

We ask this in the Name of Je-
sus, the Prince of
peace and the
good Shepherd by
the power of the
Holy Spirit, forever
and ever. AMEN.

PRESIDENT'S CORNER

Dear Fellow Rotarians,

I am very happy to an-
nounce to you that last
July 28, 2020, the
Anns have convened
already and that, with
our full support, they
will have their turn over
ceremony soon! They plan for a simple pro-
gram but definitely a meaningful one.

RENANTE ANGELO LIM
President, RY 2020-2021

Today, we have our guest speaker as well
who is no less than our fellow rotarian Ar-
man Catacutan who will be sharing with us
his knowledge on Republic Act 11479, The
Anti-terrorism Act of 2020. This gives us
clear understanding on what this Act is all
about - it's intent, impact, and consequenc-
es.

I am very thankful to our Club Secretary,
Ely Bodo, for the efforts brought into today's
agenda..

May we continue to support our club to sus-
tain the camaraderie and service that have
long withstood the test of time.

Cheers to all of us!

Yours in Rotary,

Ran Lim

Total cost : Php 24,500.00

Total pledges: Php 44,000.00

Total balance: Php 19,500.00

COVID-19 INFORMATION

Here are the APPROXIMATE results of tests if you are actually INFECTED with COVID-19 assuming an average five-day incubation period before the onset of symptoms. This is what a doctor has to sort out using a proper clinical history, physical exam and ancillary laboratory tests. This does not take into account false positives that are rare except for some less accurate rapid antibody tests :

On day of infection day 1 to day 3 (no symptoms, usually not yet infectious)

RT-PCR: 100% NEGATIVE

Antibody: 100% NEGATIVE

Antigen: 100% NEGATIVE

On day 4 of infection (no symptoms, can infect others)

RT-PCR: 50% POSITIVE, 50% NEGATIVE

Antibody: 100% NEGATIVE

Antigen: 100% NEGATIVE (some of the more sensitive tests may start to become positive but this is not yet known to be consistent)

On day 5 of infection (day 1 of symptoms, very infectious)

RT-PCR: 62% POSITIVE, 38% NEGATIVE

Antibody: 100% NEGATIVE (some of the more sensitive antibody tests like CLIA or ELISA may show 10 to 30% positivity)

Antigen: 50% POSITIVE, 50% NEGATIVE

On day 8 of infection (day 3 of symptoms, very infectious)

RT-PCR: 80% POSITIVE, 20% NEGATIVE

Antibody: 100% NEGATIVE (some more sensitive antibody tests like CLIA or ELISA may show 10 to 30% positivity)

Antigen: 65% POSITIVE, 35% NEGATIVE

On day 21 of infection (day 16 from SYMPTOM ONSET - usually no longer considered infectious after 14 days from SYMPTOM ONSET even if still RT-PCR positive)

RT-PCR: 34% POSITIVE, 66% NEGATIVE

Antibody: 30% to 99% POSITIVE (some more sensitive antibody tests like CLIA or ELISA may show up to 99% positivity but most rapid tests will be much LOWER)

Antigen: 0% POSITIVE, 100% NEGATIVE

Please note that antigen tests are still being validated and performance characteristics may change.

The best way to sort out this data is by consulting with an experienced medical practitioner. Testing for COVID-19 is fraught with pitfalls and A NEGATIVE TEST CANNOT RULE OUT COVID-19. A negative test just means you either haven't caught it YET or the test is showing a false negative result. Testing is only a TOOL to help manage and track COVID-19. It is NOT a get out of jail card nor is it some sort of amulet against COVID-19 infection. Our best defense against COVID-19 is still proper and consistent use of masks, face shields and physical distancing. Talk to your doctor if you have specific concerns, and please don't self-test or self-medicate.
